 Finding Aid No. 139**

Note: Individuals identified in this finding aid will be described by their full name and title in the first occurrence, where this information is available. Subsequent references to the names of individuals will receive an abbreviated form. Where the name Simcoe occurs, the reference is invariably to John Graves Simcoe. Other Simcoe family members will be specified as to first and last names. Documents without dates are designated n.d., no year, as n.y.

The "**File/Doc**" number consists of a folder number followed by a document number. The folder number appears at the beginning of each folder of documents on the reel. The document number, however, does not. The document number was provided to approximate the location of a document within a folder.
