NOTES ABOUT THE ARRANGEMENT OF THE PAPERS

In April 1985, the personal financial material (Volumes 111-112, 115-118, and 221-234) was removed from the C.D. Howe collection as per our initial acquisition agreement. This material had not been previously available for research. In order that footnotes referring to the remaining Howe papers continue to be accurate, the volumes have not been renumbered. Researchers will thus note that certain volume numbers (112, 116, 117 and 221-234 inclusive) have not been used.
