INTRODUCTION

In order to facilitate the use of this collection a Major Case series has been created. This series is arranged chronologically by the court date of the highest court [i.e. Privy Council (P.C.), Supreme Court of Canada (S.C.C.), etc.]. A case involving the Crown and an Attorney General of a province would be found in Crown cases (i.e. sub-series "a" takes precedence over "b"; "b" over "c" etc.).

In the Cases series a case may have gone to P.C. more than once and could be found under more than one date.
