MONTREAL AMATEUR ATHLETIC ASSOCIATION (est. 1881). Sports Club.

Originals, n.d., 1861-1942, 1950. 2.10 m. Finding Aid No. 738.

The Montreal Amateur Athletic Association was formed as a union of the Montreal Snowshoe Club (founded 1840), the Montreal Lacrosse Club (founded 1856) and the Montreal Bicycle Club (founded 1878), and formally incorporated 20 June 1881 by an Act of the Quebec Legislature. By 1890 there were five affiliated clubs -- the original three plus the Toboggan Club and the Montreal Football Club -- as well as various "connected" clubs such as the Montreal Hockey Club, the Drama Club, Chess Club, Cinderella Club (a social club), Fencing Club and Boxing Club. The three founding clubs purchased the Montreal Gymnasium at the time of the founding of the MAAA, and in purchasing the Gymnasium also acquired the library of the Mercantile Library Association which had occupied space in the building since 1871. The playing fields of the MAAA, used first for lacrosse and later for football, were among the finest in Montreal. In 1905 when the MAAA moved to its new clubhouse, their original grounds were rented to McGill University and were ultimately sold to the City of Westmount in 1936. The new clubhouse included a swimming pool, gymnasium, bowling alleys, billiard rooms, a library, apartments, and a dining room. Squash courts and indoor tennis facilities were later added as the MAAA expanded its facilities to meet changing trends in sports. The MAAA still occupies this clubhouse on Peel Street, in the heart of downtown Montreal.

Presented in 1983 by the Montreal Amateur Athletic Association.

Finding Aid No. 738 provides a list of file titles for the whole collection (except for material in vertical storage) and detailed references for the minute books of the MAAA, the Montreal Hockey Club, Canadian Amateur Hockey League and the Montreal Football Club.

The collection is a composite of the various member organizations and is divided into series as follows:
