NOTE TO RESEARCHERS

A portion of the records of the Canadian Amateur Swimming Association and the Canadian Federation of Amateur Aquatics/Aquatic Federation of Canada were originally organized according to a subject/numerical filing system. Since this system was little used after 1976, and since the system itself varied from year to year, the entire collection was re-organized. Original file numbers have nevertheless been preserved in parentheses in the appropriate file titles in this finding aid. A guide to the original filing system is available in volume 4, files 4 and 5.
