## **NOTE TO RESEARCHERS**

Most series in the CASW records comprise subject files that contain a wide variety of documents, such as correspondence, memoranda, minutes, reports, briefs, printed matter, and reference materials. Since it would be impractical and unnecessary to list all forms of documentation in each file, the presence of minutes and annual/biennial reports has been indicated where appropriate in the finding aid. The first file of the collection is a history of CASW written by a former executive secretary.
