EDUCATION			
Royal Naval College of Canada			
1	1	Royal Naval College of Canada - Printed Engineering Notes, 1 st Term	1917
	2	Royal Naval College of Canada - Printed Engineering Notes, 2 nd Term	1918
	3	Royal Naval College of Canada - Printed Engineering Notes, 3 rd and 4 th Terms	1918
	4	Royal Naval College of Canada - Printed Engineering Notes, 5 th Term	1919
	5	Royal Naval College of Canada - Printed Engineering Notes, 6 th Term	1920
	6	Royal Naval College of Canada - Printed Notes on Turbines	1918
	7	Budden, A.N. - notes on French	c. 1917-1920
	8	Budden, A.N. - notes on English	1918
	9	Budden, A.N. - notes on History	c. 1917-1920
	10	Budden, A.N. - notes on Naval History	c. 1917-1920
2	1	Budden, A.N. - notes on English History 2 vols.	c. 1917-1920
	2	Budden, A.N. - notes on Geometry	1917-1920
	3	Budden, A.N. - notes on Trigonometry	c. 1917-1920
	4	Budden, A.N. - notes on Analytical Geometry	

Vol.	File	Description	Date
		c. 1917-1920	
	5	Budden, A.N. - notes on Chemistry	c. 1917-1920
	6	Budden, A.N. - notes from Chemistry laboratory	c. 1917-1920
2	7	Budden, A.N. - notes on Physics	c. 1917-1920
	8	Budden, A.N. - notes on Mechanics	c. 1917-1920
	9	Budden, A.N. - notes on Magnetism and Electricity	c. 1917-1920
	10	Budden, A.N. - notes on Strength of Materials	1919
	11	Budden, A.N. - notes on Foundry	1919
	12	Budden, A.N. - notes on Smithy	c. 1917-1920
	13	Budden, A.N. - notes on Theoretical Navigation	c. 1917-1920
3	1	Budden, A.N. - notes on Navigation.	Part I c. 1917-1920
	2	Budden, A.N. - notes on Navigation.	Part II c. 1917-1920
	3	Budden, A.N. - notes on Navigation.	Part III c. 1917-1920
	4	Budden, A.N. - notes on Pilotage	1918-1920
	5	Budden, A.N. - notes on H.M.C.S. Stadacona	1920
	6	Budden, A.N. - rough notes and revisions.	1917-1920
McGill University			
	7	Budden, A.N. - essays submitted to McGill University, Part I	1920-1923

Vol.	File	Description	Date
8		Budden, A.N. - essays submitted to McGill University, Part II	1920-1923
9		Budden, A.N. - essays submitted to McGill University	1922-1923
10		Budden, A.N. - Design notebook	c. 1920-1923
11		Budden, A.N. - Electrical Engineering lab books	1921-1922
12		Budden, A.N. - Design notebook and drawings	1922-1923
13		Budden, A.N. - Mechanical Engineering notebook and drawings	1922-1923
14		Budden, A.N. - Electrical Measurements notebook	1927
4	1	Budden, A.N. - Lab book	1927
2		Budden, A.N. - Radio Communication, notes	1928
3		Budden, A.N. - miscellaneous notes and examinations	1927-1928
4		Budden, A.N. - essays on design submitted to McGill University	1927-1928
5		Budden, A.N. - notes on Electrical Engineering	1928
6		Budden, A.N. - Power Plant Design notebook	c. 1927-1928
7		Budden, A.N. - Machine Design notebooks	c. 1920-1923
8		Budden, A.N. - notes on Aerodynamics	c. 1920-1923
9		Budden, A.N. - notes on Chemistry	c. 1920-1923
10		Budden, A.N. - notes on Electrical Engineering	c. 1920-1928
11		Budden, A.N. - notes on Economics	c. 1920-1923
12		Budden, A.N. - notes on Experimental	c. 1920-1923

Vol. File	Description	Date
	Engineering	
13	Budden, A.N. - notes on Heating and Ventilation 1920-1923	
14	Budden, A.N. - notes on Hydraulics. Part I c. 1920-1923	
15	Budden, A.N. - notes on Hydraulics. Part II c. 1920-1923	
16	Budden, A.N. - notes on Materials of Construction c. 1920-1923	
17	Budden, A.N. - notes on Mechanical Engineering c. 1920-1923	
18	Budden, A.N. - notes on Mechanics	c. 1920-1923
19	Budden, A.N. - notes on Shop Practice and Works Engineering c. 1920-1923	
20	Budden, A.N. - notes on Structural Engineering c. 1920-1923	
21	Budden, A.N. - notes on Strength of Materials c. 1920-1923	
22	Budden, A.N. - notes on Thermodynamics	c. 1920-1923
23	Budden, A.N. - miscellaneous notes	c. 1920-1928

CHALK RIVER PROJECT

5	1 Chalk River Project - Special Engineer A.N. Budden, June-September Correspondence	1945
	2 Chalk River Project - Special Engineer A.N. Budden, October-December Correspondence	1945
	3 Chalk River Project - Special Engineer A.N. Budden,	

Vol. File	Description	Date
	January-March Correspondence	1946
4	Chalk River Project - Special Engineer April-June Correspondence	A.N. Budden, 1946
5	Chalk River Project - Special Engineer July-September Correspondence	A.N. Budden, 1946
6	Chalk River Project - Special Engineer October-December Correspondence	A.N. Budden, 1946
7	Chalk River Project - Special Engineer January-March Correspondence	A.N. Budden, 1947
8	Chalk River Project - Amphlett, C.B. October 1946 Chemistry of Aqueous Solutions" - Lecture	"The Radiation
9	Chalk River Project - Betts. R.H. n.d. of the Actinide Series" - Lecture	"Some Properties
10	Chalk River Project - Cruikshank, A.J. August 1946 Extraction Process" - Lecture	"The 23
11	Chalk River Project - Hurst, D.G. November 1946 Nuclei" - Lecture	"Systematics of
12	Chalk River Project - Kinsey, B.B. September 1946 of Fast Neutrons" - Lecture	"The Scattering
13	Chalk River Project - Miller, N. December 1946 Chemistry" - Lecture	"Radiation
14	Chalk River Project - Newell R.E. Engineering Aspects of Working, Piles" Lectures 1-2	"Some December, 1944, January 1945
15	Chalk River Project - Sargent, B.W. January-March	"Experimental

Vol. File	Description	Date
	Neutronics" - Lectures 1, 3-5, 7	1945
16	Chalk River Project - Volkoff, G.M. "Lectures September 1944- on Pile Theory", Lectures 1-6	January 1945
5	17 Chalk River Project - Volkoff, G.M. "Atomic September 1945 Power" - Lecture	
	18 Chalk River Project - Yaffe, L. "Extraction and November 1946 uses of Fission Products" - Lecture	
6	1 Chalk River Project - Use of Montreal University 1942-1944 property by the National Research Council, notes and leases	
	2 Chalk River Project - Plant lighting, 1944-1945 correspondence and papers	
	3 Chalk River Project - Staff Housing, notes and 1945 papers	
	4 Chalk River Project - Staff and administration, 1945-1947 minutes, notes and charts	
	5 Chalk River Project - general information, 1946-1947 notes, charts and organizational plans	
	6 Chalk River Project - miscellaneous notes and c. 1945-1946 papers	
	7 Chalk River Project - Atomic Energy Development 1945-1947, 1965 and Safety, miscellaneous notes and clippings	

POST OFFICE

General Administration

Vol. File	Description	Date
8	Post Office - memoranda and circulars	1953-1957, 1960
9	Post Office - Postmaster General's Annual Report 1947-1961 and other surveys, background material and notes	
10	Post Office - Staff administration training course 1949-1951	
11	Post Office - Staff efficiency ratings forms, 1949-1959 papers and correspondence	
12	Post Office - Staff efficiency rating forms 1949-1951	
13	Post Office - Staff efficiency rating forms, 1949-1952 transferred retired and resigned personnel	
6	14 Post Office - Deputy Postmaster General, "Bulletin 1953-1966 for Supervisors"	
15	Post Office - Woods - Gordon Report, implementation 1953	
16	Post Office - Time Study and Methods/Standards 1953-1964 and Methods Division, papers	
17	Post Office - Time and methods supervisors 1954 supervision and analysts, papers	
18	Post Office - Study of personnel development, 1954 correspondence and papers	
19	Post Office - Methods of work simplification 1954	
20	Post Office - Staffing, papers	1957-1959
21	Post Office - Staffing, administrative engineer, competition	1959

Vol. File	Description	Date
22	Post Office - Resolutions of the Canadian Postmasters Association, responses	1957, 1960-1961
7	1 Post Office Department Mutual Benefit Association, 1950-1960 reports and papers	
	2 Budden, A.N. - Job applications and civil service 1950-1960 papers	
	3 Post Office - Job relations training course 1948-1952	
	4 Post Office - Course in Spanish	1952-1953
	5 Post Office - Course on report and letter writing 1957-1958	
	6 Post Office - A.N. Budden, retirement, 1967 correspondence	
	7 Post Office - miscellaneous papers	1895-1963
	8 Post Office - miscellaneous notes and sketches n.d.	

Engineering Divisions

	9 Post Office - Engineering/Building Division, 1947-1951 superintendent's correspondence and papers	
7	10 Post Office - Engineering/Building Division, 1950-1953 annual and other leave, lists	
	11 Post Office - Engineering/Building Division, 1951-1954 superintendent's correspondence	
	12 Post Office - Operations Branch, Engineering 1953-1955 Section, circular letters	

Vol. File	Description	Date
13	Post Office - Operations Branch, Engineering Section, policy discussion group, minutes	1953-1955
14	Post Office - Mechanical Engineering Division, correspondence and papers	1956-1959
15	Post Office - Mechanical Engineering Division, correspondence and papers	1959-1967
16	Post Office - Mechanical Engineering Division, monthly reports	1957-1959
8	1 Post Office - Mechanical Engineering Division, monthly and annual reports	1959-1965
	2 Post Office - Mechanical Engineering Division, correspondence of the Director (J.N. Craig)	1959
	3 Post Office - Mechanical Engineering Division, Director's meetings, draft minutes	1959
	4 Post Office - Mechanical Engineering Division, Chief Engineer, preparation of specifications, correspondence	1958-1960
	5 Post Office - Mechanical Engineering Division, Standards Committee, minutes and papers	1963-1964

Design Files

6	Post Office - papers about development and patenting of the travelling deflector, papers	1957-1965
7	Post Office - counter equipment and stamp vending	

Vol. File	Description	Date
	1957 machines	
8	Post Office - parcel sorting machine, notes and n.d. rough drawings	
8	9 Post Office - parcel sorting, notes and papers 1958-1965	
	10 Post Office - general notes on the handling of 1952-1955 large quantities of mail	
	11 Post Office - rough notes on mail volumes	n.d.
	12 Post Office - tests on stresses in conveyors 1955, 1964-1965	
	13 Post Office - design of new buildings, general 1949-1950 notes	

Project Files

14	Calgary Post Office - new building, mail handling equipment, letters and notes	1958-1959
15	Calgary Post Office - new building, mail handling equipment, specifications and notes	1959
16	Halifax Post Office - extension, mail handling equipment, report and instructions	1962
17	Kingston Post Office - chutes and conveyors 1960 for mail receivers, letters and notes	
18	London Post Office - new postal terminal, mail 1959-1961 handling equipment, letters and notes	
19	London Post Office - new postal terminal, mail 1961 handling equipment, specifications	

Vol.	File	Description	Date
	20	London Post Office - new postal terminal, skip hoist, notes and drawings	c. 1961
	21	London Post Office - new postal terminal, mail handling equipment, letters and notes	1962-1964
	22	Montreal Post Office - postal terminal, conveyors and chutes for motor vehicle despatches, specifications, letters and notes	1959-1961
9	1	Ottawa Post Office - postal terminal, spiral chute, letters and notes	1961-1962
	2	Quebec City Post Office - new building, mail handling equipment, letters and notes	1961
9	3	Regina Post Office - extension, parcels section, specifications, letters and notes	1959-1960
	4	Saskatoon Post Office - new building, mail handling equipment, letters and notes	1959-1960
	5	Toronto Post Office - new postal terminal, case clearing conveyor, letters and notes	1959-1962
	6	Toronto Post Office - new postal terminal, additional conveyors and chutes, specifications	1959-1960
	7	Toronto Post Office - new postal terminal, reports, minutes etc.	1960-1962
	8	Vancouver Post Office - new building, letters and notes	1954
	9	Vancouver Post Office - new building, letters and	1955

Vol.	File	Description	Date
		notes	
	10	Vancouver Post Office - new building, letters and notes	1956
	11	Vancouver Post Office - new building, letters and notes	1957
	12	Vancouver Post Office - new building, letters and notes	1957-1958
	13	Vancouver Post Office - new building, tunnel conveyor, letters and notes	1957-1962
	14	Vancouver Post Office - new building, tunnel conveyor, notes	1957
	15	Vancouver Post Office - new building, tunnel conveyor controls, notes	c. 1957
10	1	Vancouver Post Office - postal terminal C.P.R. station, letters and notes	1956-1957
	2	Winnipeg Post Office - new building, letters and notes	1952
	3	Winnipeg Post Office - new building, letters and notes	1954-1955
	4	Winnipeg Post Office - new building, letters and notes	1955-1957
10	5	Winnipeg Post Office - new building, letters and notes. Part I	1957
	6	Winnipeg Post Office - new building, letters	1957

Vol. File	Description	Date
	and notes. Part II	
7 1958	Winnipeg Post Office - new building, and notes	letters
8 1958-1959	Winnipeg Post Office - new building, and notes	letters
9 1959-1960	Winnipeg Post Office - new building, and notes	letters
10 1961-1965	Winnipeg Post Office - new building, and notes	letters
11 1959-1961	Winnipeg Post Office - new building, conveyor 43, specifications, letter and notes	
12 1961	Winnipeg Post Office - new building, conveyor extension, specifications and notes	
13 1958	Winnipeg Post Office - new building, clippings	press
14	Post Office - Budden's trip to London, Ontario September & and Toronto	October 1965
15	Post Office - western tour of inspection by H.D.W. Wethey, report, notes and comments	1963
16 1967	Post Office - western tour, notes and letters	
17 1967	Post Office - tour of western post offices, including report on Vancouver terminal, diary	
18 1955-1961	Post Office - travelling expenses claims forms	

Vol.	File	Description	Date
		Post Office Reference	
11	1	Post Office - adhesives, trade literature and reprints	1965-1966
	2	Post Office - bearings, trade literature and reprints	1851-1965
	3	Post Office - chains and sprockets, trade literature and reprints	1961-1967
11	4	Post Office - clutches and couplings, trade literature and reprints	1966
	5	Post Office - conveyors, trade literature, reprints and notes	1946-1966
	6	Post Office - dock shelters, trade literature	1965
	7	Post Office - dust removal systems, trade literature	1966
	8	Post Office - electric heating, trade literature	1963-1965
	9	Post Office - electro-mechanical memory, trade literature and reprints	c. 1960s
	10	Post Office - fastenings, reprints and notes	1953-1963
	11	Post Office - gears, trade literature and reprints	1953-1961
	12	Post Office - industrial trucks, reprints	1953-1956
	13	Post Office - letter sorting machinery, collected printed material	1958-1962
	14	Post Office - mechanical letter sorting, reprints, trade literature and notes	1957-1962

Vol.	File	Description	Date
	15	Post Office - mechanisms, trade literature and reprints	c. 1955-1965
	16	Post Office - motors and controls, trade literature, reprints and notes	1956-1967
	17	Post Office - page readers, trade literature	1966
	18	Post Office - shop practice, reprints	1953-1963
	19	Post Office - spring clutches, trade literature, reprints and notes	1955-1966
	20	Post Office - springs, trade literature and reprints	1963-1966
	21	Post Office - steel conveyor pulleys, reprints and notes	1951-1966
	22	Post Office - tolerances, reprints and notes	1962-1966
	23	Post Office - various engineering topics, trade literature and reprints	1948-1965
11	24	Calder, W.W. - "An Introduction to the Construction of Nomographs" Association of Engineering and Ship Building Draughtsmen	1944-1945
12	1	Chaffee, R.W. - "Evaluating Engineers", reprinted from <u>Dominion Engineer</u>	1951
	2	"Engineering Models", reprints from <u>Product Engineering</u>	1961
	3	<u>Postmasters Gazette</u> U.S.A., and <u>The Postmark</u> , Ottawa with clippings	1952, 1953

Vol. File	Description	Date
4	Government of Canada and its department miscellaneous publications	1935-1964
5	Foreign post offices, miscellaneous publications	1951-1962
6	Miscellaneous press clippings and circulars	1951-1965
7	Post Office - draft statistics for design of new postal facilities. See Oversize	

ENGINEERING INSTITUTES OF CANADA (E.I.C.)

8	E.I.C. - General correspondence	1967-1968
9	E.I.C. - General correspondence	1969
