2979313	Item	Preliminary Drawing for Title Card Used in the Animated Film "The Story of Christmas"/"L'Histoire de Noël"		Art	2000850100	1995-003	90: Open		43		Scope and content: There are three holes in the tracing paper attached with tape to the top edge of this sketch. The holes are used for lining up/reference and are reinforced with masking tape. Without the attachment, the tracing paper is 25.3 cm high. The transcription appears within a ribbon background, which has a faint pencil line boxed around it. This sketch appears to have been prepared as a background for 1995-3-42, an overlay of lettering.	1 autograph / autographe : pencil on tracing paper	Terms of use: Credit: Library and Archives Canada, Acc. 2979314	Item	Sketch of Country Mouse's Tail Tied Around a Stem for the Animated Film "The Town Mouse and the Country Mouse"/"Le Rat de maison et le Rat des champs"		Art	2000850100	1995-003	90: Open		44.1		Scope and content: 1995-3-44.1 is a description of only the first page of a six page flipbook/sketchbook, which shows the gradual untying of the Country Mouse's tail. The other five pages of the flipbook/sketchbook have not been described, but have been physically numbered from 1995-3-44.2, 1995-3-44.3, etc., to 1995-3-44.6. The inscription on the first page probably refers to shooting durations. The flipbook/sketchbook is currently held together with staples at one end.	1 drawing / dessin : pencil, with red pencil on wove paper	General note: Sketchbook: Flipbook Showing the Untying of Country Mouse's Tail from a Stem for the Animated Film "The Town Mouse and the Country Mouse" Terms of use: Credit: Library and Archives Canada, Acc.
