INTRODUCTION

WILLIAM LYON MACKENZIE KING PAPERS

MG 25, J 7

Family Papers, J7 Series. Original, 1880-1950, 5.700 m. (Vol. 1-31)

This series consists primarily of correspondence from members of W.L.M. King's family. The files contain letters, telegrams, and a sampling of clippings. The letters are arranged chronologically up to the end of 1917. Correspondence after this point is filed in the main, alphabetically by name of correspondent. The letters of his parents, Mr. & Mrs. John King, his brother, Dr. MacDougall King, and his sister, Mrs. H.M. Lay, are significant components of the collection. Special documents in this series include wills and papers relating to the disposition of estates of close relatives. Included with the family papers are photostat copies of letters and documents of W.L.M. King's famous grandfather, William Lyon Mackenzie (journalist, politician and leader of the 1837 armed revolt in Upper Canada). One of the oldest documents in this collection is a petition produced by Mackenzie in 1833 when he was a member of the Legislative Assembly. Other files which have been placed at the end of the J 7 Series include the subjects, Mackenzie House, Woodside, (Volume 24), Niagara Falls and Queenston Ceremonies, 1938 (Volumes 24-25), Mount Pleasant Cemetery (Volume 25) and Genealogy (Volumes 25-26) as well as a number of files on King's dogs, Pat I, Pat II and Pat III (Volume 26).

Oversize items have been removed from this series and placed in four oversize boxes at the end (Volumes 28-31). Newspaper clippings have been removed and replaced with xerox copies. This series is also available on microfilm (reels H-2244 to H-2270) except for volume 27 which contains Christmas and Greeting cards. The oversize items were filmed with the material they were removed from, not at the end.
