ORDER OF ST. JOHN (est. ca.1883)

Originals, 1967-1977. 24 cm. Finding Aid No. 418.

Tracing its origin to a Seventh Century pilgrim hospital, the modern Order of St. John was established in 1831 in England, dedicated to the ideals of charity and service to suffering humanity. To achieve these ideals, The Order created three foundations: The St. Johns Ambulance Association, The St. John Ambulance Brigade, and the St. John Ophthalmic Hospital in Jerusalem. During the winter of 1882-83, the Order established first-aid classes in Quebec City. The Order spread throughout Canada and the Canadian branch of the St. John Ambulance Association was formed in 1910 with headquarters in Ottawa. In 1914 the Association was incorporated by Act of Parliament.

Presented by the Order of St. John, Priory of Canada, Ottawa, Ont., in 1970, 1973 and 1978.

Finding Aid No. 418 is a list of the biographies included in the collection.

Biographical sketches of Canadian members of the Order of St. John, filed alphabetically in two series: 1970 (A-L only) and 1977.
