CANADIAN ASSOCIATION OF PATHOLOGISTS. (Est. 1949).

Originals, 1950-1973. 3 feet 4 inches.

The Canadian Association of Pathologists was founded to advance those medical sciences primarily concerned with the cause, the nature and effect of disease. Consisting of individuals who have graduated in medicine or laboratory sciences especially in the field of pathology and allied sciences, this national association promotes the interests of pathologists and allied scientists in Canada. It also maintains laboratory standards, trains technicians, sponsors conferences and publishes a newsletter.

Presented in 1975 by the Canadian Association of Pathologists via Dr. D.W. Penner of Winnipeg, Manitoba.
