 Volumes 3-4
Philatelic Records / Documents philatéliques
 [RG4-B52]

This finding aid (FA) includes an exhaustive list of the postal covers which can be found in volumes 3 and 4 of the archival series *The Lower Canada and Canada : Commission of Inquiry into the Post Office series*. The letters which were left at the post office and were delivered to the recipient show various postal markings including rates, the use postmarking devices, etc. They are what we call “postal covers”.

The listing gives details of the postal markings. The list is organized according to the arrangement of the original records, i.e. according to the order of volumes.

Cet instrument de recherche (IR) comprend une liste exhaustive des plis postaux que l'on retrouve dans les volumes 3 et 4 de la série *The Lower Canada and Canada : Commission of Inquiry into the Post Office series*. La correspondance qui a été mise à la poste et livrée aux destinataires comprend différentes marques postales dont, la tarification, l'utilisation de tampons ou oblitérateurs, etc. C'est ce que nous appelons « plis postaux ». La liste ci-jointe représente cet ensemble de marques postales.

La liste est organisée en fonction de l'arrangement des documents originaux, c'est-à-dire selon l'ordre des volumes.

359 postal covers

The series has been indexed only for volumes 3 and 4 and contains 359 postal covers from the years 1840 and 1841. Covers were mailed from postmasters located in Lower Canada and Canada East, and provide replies to circulars sent out by the Post Office Commissioners in Montreal.

A number of postal markings and the usage of free franking privilege for postmasters are well represented in the series. Of particular interest are covers showing usages of the postmasters' manuscript town postmarks, the double circle and broken circle type postmarks.
