

**WILLIAM LYON MACKENZIE KING FONDS  
PHOTOGRAPHIC SERIES  
Photographic accession 1964-087**

**Introduction**

52 containers of the this collection has been described. Each file represents one original container except for PF 0003. There are 2 planfile folders with the container number PF 0003. The majority of the material was rehoused, sometimes into 2 or more different containers; however, some material did remain in their existing box. The barcode listed for each container is the old barcode and may or may not exist. Once new barcodes are created the information will be added.

The files are as follows:
