**Text notes:**

**Short Stories** ca. 1936 - 1962: Series consist of type-written text of short stories written by Jock Carroll for various publications, some with hand-written notations and corrections. In some instances, various versions and stages of the stories are included along with the finished piece. Subject matter is diverse, including stories on human relationships, the Avro Aircraft, golf and general humour. Also included is some correspondence as well as rejection slips.

**Bottoms Up / The Shy Photographer** 1954 – 1992: Series consists of files related to Jock Carroll's book "Bottoms Up – The Shy Photographer", including correspondence with his publisher, clippings, publicity and foreign language queries. Included are files relating to a possible movie deal with Warner Brothers pictures as well as correspondence related to having the book re-issued into publication. Other file topics include book reviews, clippings along with drafts of various chapters.

**Unpublished Manuscripts** 1955 – 1970: Series consist of unpublished stories dealing specifically with Carroll's travels and experiences while in the Soviet Union. Also included is a file of personal family correspondence received by Carroll while he was in the Soviet Union.

**Korean Boy** 1950 – 1993 : Series consists of material related to the book "Korean Boy", co-written by Jock Carroll and Jung Yong Pak. This series is comprised mostly of personal correspondence between Carroll and Pak. Also included are files related to book royalties, Canadian and U.S. copyright issues, as well as drafts and a completed bound copy of the book.

**Greg Clark Biography** 1907 – 1994: Series consists of material used by Jock Carroll to write his biography of newspaperman, soldier, outdoorsman and humourist Greg Clark. Files pertain to a variety of subjects such as Clark's fishing diaries and journals. Files also contain publicity ideas, printed reviews, comments and advertisements as well as various drafts of the biography and some completed chapters.
