

Elizabeth Frey Finding Aid - R11918

NOTE: This finding aid does not contain the audio visual material.

This material has yet to be processed as of November 2009 and is still at the registry level. Within this collection, the b&w photographs and negatives have been separated from the colour material. If there is a particular subject you are looking for, be sure to check within both the colour and b&w sections. You may also wish to consult the textual material as well for any supporting documentation.
