NOTE: The Edwards' papers are a contemporary collection (ca. 1954-1977) consisting primarily of research and background files accumulated by Mr. Edwards in the course of his work as an aviation journalist and historian. Since the dates of items within each file are widely scattered and add little to an understanding of the file, in most instances they have not been included in this finding aid.

EDWARDS, Leslie David (Les) (1930-1978). Journalist and Public Relations Officer.

Originals, 1955-1978. 4.2 m. Finding Aid No. 1278.

Les Edwards was born in Saskatoon, Saskatchewan in 1930. He began to work in 1949 for the local radio station CFQC. When CFQC-TV went on air, Edwards became involved in television, generally as a news reporter and later as news director of the station. His other great interest in life was aviation. He avidly collected information on Canadian civil aviation and wrote many articles. In 1972 he became Public Relations Director of the Air Transportation Association of Canada, an airline interest group. Edwards was writing a history of Canadian civil aviation and a book on business jets when he died on 21 August 1978.

The papers were presented in 1980 by Mrs. Lorraine (Edwards) McCourt.

Finding Aid No. 1278 is a file list.
