Textual	R15454	1	18	Correspondence, 1893	Letters to the Canadian Society of Civil Engineers from Davy - regarding disputed wages; measurements and calculations, accounts and price lists (supplies and merchandise).	1893
Textual	R15454	1	19	Correspondence, 1894	Correspondence regarding employment - Davy and others inquiring on positions and possible employment (including referral given by Davy).	1894
Textual	R15454	1	20	Correspondence, 1895	Price lists, accounts for supplies, receipts, project-related correspondence, several letters regarding referral for employment (from Davy), notes on proposed work (line from Edmundston to St. Léonard, New Brunswick), meeting minutes.	1895
Textual	R15454	1	21	Professional Certification and Letters of Recommendation, Part I of II	Recommendation letters from various establishments and people, mostly CPR also includes Canadian Society of Civil Engineers, Certification of Preliminary Examination by Ontario Land Surveyors. (Part I of II)	n.d.
Textual	R15454	1	22	Professional Certification and Letters of Recommendation, Part II of II	Recommendation letters from various establishments and people, mostly from the CPR. (Part II of II)	n.d.
Vol 2: Correspondence / Subject files						
Textual	R15454	2	1	Correspondence, 1896	Correspondence from and written by Davy. Includes legal documents (subpoena), bills, supply lists, a letter written by Davy to the Minister of Interior, bank account statements, etc.	1896
Textual	R15454	2	2	Correspondence, 1897	Correspondence documents, includes many letters regarding employment and job positions (Davy inquiring about projects and employment). Also includes bank documents, quotes, etc.	1897
Textual	R15454	2	3	Correspondence, 1899	Correspondence from family (daughter, wife) and other friends and acquaintances of Davy.	1899
Textual	R15454	2	4	Correspondence, 1900	Correspondence from family - Davy's wife and brother.	1900
Textual	R15454	2	5	Correspondence, 1901	Correspondence from and to various people including family, friends, bank statements, bills, work-related documents, insurance receipts, etc.	1901
Textual	R15454	2	6	Correspondence, 1902	Correspondence from family and other acquaintances of Davy. Also includes receipts, statements, bills, etc.	1902

Media Support	Arch. ref. no. No réf. arch.	Vol.	File Dossier	Title Titre	Scope and content Portée et contenu	Dates
Textual	R15454	2	7	Correspondence, 1903	Includes work and project related correspondence such as letters to and from the House of Commons. Also includes receipts, supply lists, bills and letters from family.	1903
Textual	R15454	2	8	Correspondence, 1904	Includes work and project related correspondence and letters from family members (Davy's sister and daughter). Also includes letters from other various people such as McGill University Faculty of Applied Sciences, the House of Commons, etc.	1904
Textual	R15454	2	9	Correspondence, 1905	Correspondence from family, also includes notes related to work on the Trent Canal.	1905
Textual	R15454	2	10	Correspondence, 1912-1936	Copies of letters sent and received regarding work and projects Davy was involved with. Letters are addressed to or from various people and various governmental departments or organizations.	1912-1936
Textual	R15454	2	11	Correspondence, undated	Undated correspondence includes letter from Davy's sister, "Tax on Knowledge" article - an article written to the editor of a publication.	n.d.
Textual	R15454	2	12	Correspondence - CPR, 1881-1884	Various correspondence between Davy and the CPR at Engineer's Office. Also includes engineer notes, notes on costs, lists, calculations.	1881-1884
Textual	R15454	2	13	Correspondence - CPR, 1885-1886	Includes various correspondence between Davy and the CPR and pricelists, calculations, costs. Letters from and addressed to various personnel in different departments.	1885-1886
Textual	R15454	2	14	Contract for Eastern Section of CPR, 21 Oct. 1880	Includes a contract for the Eastern Section of the CPR, dated October 21, 1880.	1880
Textual	R15454	2 11	15 1	Contract no. 42 and estimates for CPR, 1882	Includes Contract No. 42 for the CPR, estimates and other project-related records.	1882
Textual	R15454	2	16	CPR Montreal-Sherbrooke Short Line Survey, 1884	Includes a survey of the Montreal - Sherbrooke short line railway for the CPR, correspondence and statement of expenses and calculations.	1884
Textual	R15454	11	2	CPR recheck of amount of excavation & fill, 1885-1886	Includes a recheck of excavation amounts and fill levels on CPR railway work. Also includes notes, calculations, and costs.	1885-1886
Textual	R15454	2	17	Provisions purchased for CPR, 1881-1882	Notes of provisions (supplies and stock) purchased for Davy and other workers on the CPR.	1881-1882

Media Support	Arch. ref. no. No réf. arch.	Vol.	File Dossier	Title Titre	Scope and content Portée et contenu	Dates
Textual	R15454	2	19	CPR blank sample forms	Blank forms for the Canadian Pacific Railway including contracts, excavation tables, progress estimate tables and expenses forms	ca. 1880-1890
Textual	R15454	2	20	CPR specifications for equipment & structures, 1875-1880	Includes Specifications made on equipment and structures for the CPR.	1875-1880
Textual	R15454	2	21	CPR specifications for grading & bridging, 1875-1880	Includes Specifications on the grading and bridging work for the CPR, written and released by chief engineer Sir Sandford Fleming.	1875-1880
Textual	R15454	2	22	CPR specifications for specific structures & sections, 1880-1882	Includes Specifications made for specific structures and sections of the CPR, articles by Chief Engineer of CPR and other forms.	1880-1882
Textual	R15454	11	3	Temiscouata Railway - Agreements	Includes a blank indentured contract by Temiscouata Railway, Specifications, descriptions and articles on agreement.	1885, 1887
Textual	R15454	2	24	Correspondence - Temiscouata Railway, 1886	Includes correspondence between Davy and Temiscouata Railway personnel regarding work, Also includes a paper on the Temiscouata Railway.	1886
Textual	R15454	2	25	Estimates & Reports for Temiscouata Railway, 1886-1889	Includes estimates, reports and notes on construction for Temiscouata Railway.	1886-1889
Vol 3: Subject Files						
Textual	R15454	3	1	Temiscouata Railway - Expenses & accounts, 1886 and 1889	Includes records of expenses, accounts, bills and receipts related to work on the Temiscouata Railway.	1886, 1889
Textual	R15454	3	2	Temiscouata Railway - St. Francis Branch, estimates & reports, 1888-1890	Includes estimates and reports related to the St. Francis (Saint-François) Branch of the Temiscouata Railway.	1888-1890
Textual	R15454	11	4	Temiscouata Railway - St. Francis Branch Final Estimates Summary, 1890	Copy of final estimates summary of the Temiscouata line in the St. Francis Branch, Edmundston to Clair, New Brunswick. Includes excavation and other information from each city on the route.	1890
Textual	R15454	3	3	Temiscouata Railway - Sample forms	Includes 2 blank/unused forms (in French) and the general specifications for the Temiscouata line between Riviere-du-Loup and Edmundston (in English).	1886-1887
Textual	R15454	3	4	Temiscouata Railway - Tenders & contracts	Includes undated tenders and contracts for the Temiscouata Railway.	n.d.
