The Association was formed in February 1965 under the title Canadian Council for the Environmental Arts (Conseil Canadien des Arts de l'Espace) and was incorporated in 1966 by the name Canadian Craftsmen's Association (Association des Artisans du Canada). The Association is a non-profit organization which aimed to assist craftsmen of Canada in the execution of their craft; to educate the public towards a knowledge and appreciation of good design and craftsmanship; to promote good design and raise standards of craftsmanship among craftsmen; to promote craft exhibitions and to co-operate with other craft organizations. The Canadian Craftsmen's Association was dissolved in 1974 when it joined with the Canadian Guild of Crafts to form the Canadian Crafts Council.

Presented in 1975 and 1977 by the Canadian Craftsmen's Association through Peter Weinrich, Ottawa, Ontario. Books, maps, film and photographs were transferred to the appropriate Divisions.
