INTRODUCTION

This finding aid was photocopied from the microfilm by the Public Archives of Canada. The microfilm was produced by the American National Archives, Washington. The finding aid for each reel was filmed at the start of each reel of microfilm. Please order microfilm reels by the Public Archives of Canada microfilm reel number, indicated at the top of each page in the finding aid.

INVENTORY ENTRY

GERMANY: Captured German Documents W.W. II

Microfilm, 1930-1945, 9 reels, K-44 to K-52. Finding Aid No. 981.

Copied from originals in the possession of the American and British. The originals were later returned to Germany.

A listing in English of each file and some descriptions of file contents are available as a finding aid. The lists were reproduced from the microfilm where they appear at the beginning of each reel.

Records of the National Socialist German Labor Party and of the Deutsches Ausland-Institut, 1930-1939. Records of the Reich Leader of the S.S. and Chief of the German Police, 1934-1945.

Filmed by the National Archives and Records Service in the United States. The original documents have been returned to various Archives in Germany.

EAP 173-b-16-14/54 continued from page 2.

Folder II 112-6/65-3 contains activity reports covering irregular periods from late 1935 through 1938. These reports deal with personnel, training, reference material, card files, statistics, conferences, collaboration with SD Oberabschnitte and Unterabschnitte, cooperation with Gestapo II B 4 and other State and Party offices, special missions outside Berlin, and future plans. Also included in this folder is a report on the reorganization of SD-HA/II 112 per Himmler's "Funktionsbefehl" of 1 Jul 1937, which delegated responsibility for the "general and fundamental aspects of the Jewish question" to section II 112 of the SD, leaving investigations of political crimes and executive measures to the II B 4 (after 1939: IV B 4) sections of the Gestapo; the latter organization surrendered the major part of its files to the former.

Folder II 112/65-4 contains activity report of the team assigned to the organization and exploitation of records on Jewish affairs, discovered in the files of Austrian agencies and incorporated into the SD-HA archives in Berlin, May-Oct 1938.
