E 343

GREEN, John Joseph (1905-1984). Aeronautical Engineer and Public Servant.

Originals, 1926-1984. 3.9 m. Finding Aid No. 1032.

John Joseph Green was born in Portsmouth, England, in 1905. In 1923, he received a B.Sc. from the University of London. From the Imperial College of Science and Technology, he subsequently received a B.Sc. and a A.R.C.S. in Physics in 1928, a D.I.C. in Aeronautics in 1929, and a Ph.D. in Aeronautics in 1930. Green emigrated to Canada in 1930 where he worked for the National Research Council Aerodynamics Laboratory, 1930-43. He was awarded an M.B.E. for valuable public service in the field.

From 1943 to 1945, Dr. Green served in the RCAF as Chief Research Engineer in the RCAF Test and Development Establishment. A pilot since 1933, Green tested no less than twenty-five types of aircraft. Squadron-Leader Green retired from the RCAF in 1945 having received the King's Commendation for valuable service in the air.

From 1945 to 1949 Dr. Green was Chief Research Aeronautical Engineer in the Air Transport Board, Ottawa. From 1949 to 1955 he was Chief of Division "B", Defence Research Board, and Scientific Advisor to the Chief of the Air Staff, RCAF. In 1955 he was Canadian Joint Staff and Defence Research Attaché, Canadian Embassy, Washington. In 1959 he became Chief Superintendent, Canadian Armament Research and Development Establishment, Valcartier, Quebec. Finally, in 1963 he was appointed Director of Research, Litton Systems, Canada, Limited.

Dr. Green has won national and international recognition in the field of aeronautical research and development. He was first president of the Canadian Aeronautics Institute and later president and Honorary Fellow of the Canadian Aeronautics and Space Institute (CASI). He was a founding member of and a Canadian representative on both the Council of the Advisory Group on Aeronautics Research and Development to NATO and the International Council of Aeronautical Sciences (ICAS). He was a member of the Association of the Scientific, Engineering and Technological Community of Canada and a member of the Board of Trustees of the Asian Institute of Technology.

Presented in 1979 and 1982 by Dr. J.J. Green and in 1984 by Mrs. Green of Weston, Ontario.

Finding Aid No. 1032 is a descriptive file list.

Aeronautical and Science Notebooks, 1926-1929. 35 cm (volumes 1 and 12). Notebooks kept by J.J. Green while studying in London. Subjects include physics, chemistry, mathematics and aeronautical studies.

GREEN, John Joseph (b. 1905). Aeronautical Engineer and Public Servant.

Pilot's Log Books, 1934-1983. 5 cm (volumes 1 and 21).

The log books cover 1934-1945 primarily but carry on to 1983. Apart from pleasure flying, they document Green's basic and advanced pilot training and his testing of new aircraft during the war years. Photographs of aircraft flown are also included.

Institution, Association and Foundation Series, 1956-1984. 2.25 m (volumes 2-5, 10-11, 13-20).

Correspondence, memoranda, reports and minutes pertaining to the operations of international and national associations, institutions and foundations including the following: Air Industries Association of Canada, Asian Institute of Technology, Canadian Research Management Association, Canadian Aeronautics and Space Institute, International Council of Aeronautical Sciences, and other associations.

General Subject and Personal Correspondence Series, 1931-1984. 40 cm (volumes 6-7, 11 and 20-21).

Correspondence and memoranda regarding the R101 inquiry, A.G. Bell Aeronautical Museum, the Super Constellation CF-TGG, wartime aircraft research, science and technology in Germany. Of special note is a series of letters between Professor Herbert Dingle, eminent scientist and philosopher, Professor Ian McCausland and J.J. Green concerning Dingle's challenge to Einstein's theory of relativity.

Articles, Lectures and Addresses, 1939-1980. 20 cm (volumes 8 and 21).

Published and unpublished articles written by J.J. Green.

Diplomas, Certificates, etc., 1922-1980. 5 cm (volumes 9 and 21).

Certificates and diplomas awarded to J.J. Green. See also horizontal files.

Scrapbooks, 1930-1974. 20 cm (volumes 9 and 21).

Personal scrapbooks of press clippings concerning J.J. Green.

John Joseph Green

MG 30, E 343

<u>Vol.</u>	<u>File</u>	<u>File Title</u>	<u>Dates</u>
		AERONAUTICAL AND SCIENCE NOTEBOOKS	
		These were kept by J.J. Green while attending the Royal College of Science and Technology, Kensington, England 1926-1929.	
1		Aerodynamics notebook	1928
		Construction and strength of aircraft - notebook with diagrams, illustrations and photographs	1928-1929
		Design of aircraft - notebook with diagrams and photographs	1928-1929
		Materials of aircraft construction from the designer's point of view - notebook	1928-1929
		Practical aerodynamics notebook	1928-1929
		Practical spectroscopy notebook - also included are published third year physics papers from Imperial College of Science and Technology, London	1927-1928
		Physics II notebook - includes diagrams and several lectures (published)	1926
		Physics III notebook	1926

PILOTS' LOG BOOKS

Pilots log book for J.J. Green when with the National Research Council. - shows record of skills required for basic and advanced training in many kinds of aircraft.	1934-43
---	---------

<u>Vol.</u>	<u>File</u>	<u>File Title</u>	<u>Dates</u>
PILOTS' LOG BOOKS (cont'd)			
1 (cont'd)		Pilots flying log book for S/L J.J. Green, continued after the war by him as a civilian pilot. - shows complexities of testing; photographs of different types of aircraft flown are included.	1943-1965
INSTITUTION, ASSOCIATION AND FOUNDATION SERIES			
2		Advisory Committee on Science and Technology, Government of New Brunswick - correspondence, minutes of meetings, submission to Ministry of State for Science and Technology  Note: This Advisory Committee was formed in 1973 to recommend a strategy for the Government to consider regarding the development of science and technology in the province.	1973-1975
		Air Industries Association of Canada (AIAC) - minutes, agenda, and memoranda	1970
		Asian Institute of Technology, Bangkok, Thailand - correspondence, minutes of meetings of Executive Committee and Board of Trustees memoranda, etc.	1973
		Asian Institute of Technology - pamphlets, reports, projects and some correspondence relating to print items	1973-1974
		Asian Institute of Technology - financial status	1974
		Asian Institute of Technology - correspondence, minutes of meetings, memoranda	1974

<u>Vol.</u>	<u>File</u>	<u>File Title</u>	<u>Dates</u>
		INSTITUTION, ASSOCIATION AND FOUNDATION SERIES	(cont'd)
2 (cont'd)		Asian Institute of Technology - correspondence, minutes of meetings, memoranda	January 1975- June 1976
		Asian Institute of Technology - Board of Trustees correspondence, meetings, memoranda	July 1976-1978
		Ferrocement Information Centre, Asian Institute of Technology - proposal, financing, correspondence	1975-1977
		Note: In 1967 after eight years of successful growth and development, the SEATO Graduate School of Engineering in Bangkok, Thailand became the Asian Institute of Technology (AIT). It continued operations under an International Board of Trustees. Dr. Green was elected the first Canadian member of the Board of Trustees (1973-1978). The objective of the Institute was to bring science and technology to the benefit of the developing countries of Southeast Asia.	
		Canadian Research Management Association (CMRA) - correspondence file	1969-1972
		Canadian Research Management Association (CMRA) - correspondence file	1975-1979
		Note: Dr. J.J. Green was the official representative on the Canadian Research Management Association for Litton Systems (Canada) Limited. The CMRA was formed in the early 1960's for the prime purpose of improving personal contacts across the country between individuals responsible for management of research in Government, Industry, University and Institute organizations.	
3		Canadian Aeronautics and Space Institute (CASI) - correspondence of Publications Committee	1969-1974
		Canadian Aeronautics and Space Institute - minutes of Publications Committee meetings	1970-1973

<u>Vol.</u>	<u>File</u>	<u>File Title</u>	<u>Dates</u>
		INSTITUTION, ASSOCIATION AND FOUNDATION SERIES	(cont'd)
3 (cont'd)		Canadian Aeronautics and Space Institute - correspondence; also includes a history of the Canadian Aeronautical Institute (CAI) and CASI, 1954-79	1973-1979
		Consultative Committee, National Museum of Science and Technology - includes report on Museum Policy	1970-1971
		Electronics Industries Association of Canada (EIAC) - responses to Senate Committee on Science Policy Vol. II	n.d., 1972
		Electronics Industries Association of Canada, Industrial Strategy for Canada - drafts of brief on industrial strategy by Dr. J.J. Green. Also includes notes and clippings	1971-1972
		International Council of Aeronautical Sciences (ICAS), file 1 - correspondence, founding meeting, etc.	1956-1958
		ICAS (file 2) - correspondence, meetings and memoranda	1971-1974
		ICAS (file 3) - constitution and related correspondence	1972-1974
		ICAS (file 4) - correspondence	1975
		ICAS (file 5) - opening session, Tenth International Congress, address by J.J. Green, President	Oct. 1976
		ICAS (file 6) - correspondence, memoranda, etc.	1976
4		ICAS (file 7) - correspondence	1977

<u>Vol.</u>	<u>File</u>	<u>File Title</u>	<u>Dates</u>
		INSTITUTION, ASSOCIATION AND FOUNDATION SERIES	(cont'd)
4 (cont'd)	ICAS (file 8) - correspondence		1978
	ICAS (file 9) - Opening session, 11th International Congress, Lisbon, Portugal; address by President Green		1978
	ICAS (file 10) - Co-ordination of International Aerospace Conference		1972-1977
	ICAS (file 11) - correspondence regarding 50th anniversary of 1st air crossing of South Atlantic, Portugal to Brazil (1922); flight by Rear-Admiral Gago Coutinho (navigator) and Captain Sacadura Cabral (pilot)		1972
	ICAS (file 12) - membership queries and life membership		1972-1977
	ICAS (file 13) - meeting in Ottawa; article from <u>Astronautics and Aeronautics</u>		1976
	ICAS (file 14) - meeting in Lisbon; article from <u>Astronautics and Aeronautics</u>		1978
	ICAS (file 15), 5th Congress, London, England - program		1966
	ICAS (file 16), 6th Congress, Munich, Germany - program		1968
	ICAS (file 17), 7th Congress, Rome, Italy - paper given on "The Economy and Sonic Boom of the Sea - Limited SST" by Bo Lundberg from Sweden; also includes program		1970
	ICAS (file 18), 8th Congress, Amsterdam, Holland - program and opening speech		1972

<u>Vol.</u>	<u>File</u>	<u>File Title</u>	<u>Dates</u>

4 (cont'd)		ICAS (file 19), 9th Congress, Haifa, Israel - program	1974
		ICAS (file 20), 10th Congress, Ottawa, Canada - program	1976
		ICAS (file 21), 11th Congress, Lisbon, Portugal	1978
		<u>ICAS: A brief History</u> (file 22), by Dr. J.J. Green	1980
		<p>Note: The International Council of Aeronautical Sciences (ICAS) was organized in 1957 in New York by a group of aeronautical scientific societies in some twenty countries of the world. Dr. Theodore von Karman, a world-renowned aerodynamicist and teacher was responsible for the initial idea and was ICAS 1st Honorary President. The Council provides a forum for discussing common problems in aeronautical science and technology. Dr. Green was a founding member and representative for Canada since 1957 on ICAS. He has served on its Program Committee, Executive board (1964-1972) and as President (1972-1976)</p>	
		<u>Aeronautics - Highway to the Future</u> by J.J. Green	1970
		- background study for the Science Council of Canada	
		Science Council	
		- correspondence, etc., showing reaction to Science Council Report on <u>Aeronautics, Highway to the Future</u> (3cm)	1970-1971
		National Research Council, Associate Committee on Avionics	1973-1978
		- correspondence and minutes	
		Note: This Committee having fulfilled its mandate was disbanded in 1978
