1998-00694-8 (container 1)	Restricted. For access, researchers require the written permission of the National Director of the USWA.

Access conditions (Cont'd) – Conditions de consultation (suite)

SNAP letter, 11 June 1980; Fraser to Stodart, 18 August 1994 and 27 February 1996; Stodart to Fraser, 16 May 1996; Fraser to Stodart, 7 June 1996; accession 1983/0485, access negotiations; accession 1986/0351, DeLottinville to Montgomery, August 1986.

For access apply to: - Pour consultation communiquez avec:

Restricted permanent volumes, equivalent microfilm reels, and restricted accessions: Apply to National Director of USWA for written authorization for access and (if required) photocopying privileges, using special application form for USWA fonds available from staff of the Reference Room or of the Manuscript Division. Address: Lawrence McBrearty, National Director, United Steelworkers of America, 234 Eglinton Avenue East, Suite 700, Toronto, Ontario M4P 1K7

Permanent volumes 131 to 243 (Contract Series): Files less than 20 years old are restricted to researchers with the written authorization of the USWA National Director (see above). Files over 20 years in age in restricted volumes in this series are open; for access to open files in restricted volumes, or for confirmation that a volume is completely open and may be circulated, researchers may apply to the Economic and Public Archives Section, Manuscript Division.

Microfilm reels M-6789 and M-6789A: Pending clarification of the access restrictions, researchers should contact the Economic and Public Archives Section, Manuscript Division, for more information.
