

R	Volume	Drawing no.	LAC item no.	Title	Map scale	Extent	Date of Creation note	Dates
R184	6128	S.1021-HIST-139	8	General arrangement - standard steamer carrying 9300 tons on 25' 6" draft		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval	1941-05-14
R184	6131	S.1021-HIST-100		Canadian-type ships - general arrangement - decks		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval	1943-12-14
R184	6131	S.1021-HIST-101		Canadian-type ships - general arrangement - profiles		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval	1943-12-01
R184	6130	S.1021-HIST-107		10,000 ton Canadian-type vessels - proposed arrangement and extension to engineers' deckhouse		1 technical drawing	Date taken from the approval stamp.	1947-04-10
R184	6130	S.1021-HIST-108		10,000 ton Canadian-type vessels - proposed arrangement of P.O.'s deckhouse accommodation		1 technical drawing	Date taken from the approval stamp.	1947-04-10
R184	6130	S.1021-HIST-109		10,000 ton Canadian-type vessels - proposed arrangement of after deckhouse to accommodate part of crew		1 technical drawing	Date taken from the approval stamp.	1947-04-10
R184	6130	S.1021-HIST-110		10,000 ton Canadian-type vessels - proposed re-arrangement of starboard side cabins in saloon deckhouse		1 technical drawing	Date taken from the approval stamp.	1947-04-10
R184	6130	S.1021-HIST-111		10,000 ton Canadian-type vessels - proposed position of carpenter's shop		1 technical drawing	Date taken from the approval stamp.	1947-04-10
R184	6130	S.1021-HIST-112		10,000 ton Canadian-type vessels - proposed crew accommodation - second deck aft		1 technical drawing	Date taken from the approval stamp.	1947-04-10
R184	6130	S.1021-HIST-113		Victory and Canadian-type ships - removal of D.E.M.S. cabins in no. 5 tween decks		1 technical drawing	Date taken from the approval stamp.	1945-10-02
R184	6131	S.1021-HIST-123		10,000 tons Canadian-type ship - general pumping arrangement		1 technical drawing	Date taken from the title block on the drawing.	1943-12-06
R184	6131	S.1021-HIST-124		Canadian-type ships - lifeboat stowage		1 technical drawing	Date taken from the title block on the drawing.	1944-03-06
R184	6130	S.1021-HIST-125	7	Canadian-type ships - rigging plan		1 technical drawing	Date taken from the title block on the drawing.	1943-11-19
R184	6130	S.1021-HIST-140		9300 tons standard vessel - fire extinguishing arrangement		1 technical drawing	Date taken from the title block on the drawing.	1941-06-03
R184	6131	S.1021-HIST-142		Ships 144 to 148, 9300-ton cargo vessels - boat stowage arrangement		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1942-01-22
R184	6131	S.1021-HIST-144		9300 ton standard vessel - accommodation plan		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1941-05-14
R184	6132	WTS.23001-100		Armament maintenance ships - general arrangement - inboard profile, boat deck, upper deck, second, third and fourth decks, and tank top		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1944-07-13
R184	6132	WTS.23001-101		Armament maintenance ships - general arrangement - upper deck and superstructure - hull 236		1 technical drawing	Date estimated by those of the other, similar drawings.	[ca. 1944]
R184	6132	WTS.23001-102		Armament maintenance ships - general arrangement - upper deck, boat and bridge deck - H.M.S. Portland Bill		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1945-10-31
R184	6132	WTS.23001-103		Armament maintenance ships - general arrangement of second, third and fourth decks - H.M.S. Portland Bill, hull 236, as-fitted		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1945-09-07
R184	6132	WTS.23001-104		Armament maintenance ships - general arrangement - inboard profile and tank top - H.M.S. Portland Bill		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1945-08-28
R184	6132	WTS.23001-105		L.C. maintenance ships - general arrangement - boat, upper and second deck - S.S. Fife Ness, hull 235 only		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1945-12-04
R184	6132	WTS.23002-100		L.C. maintenance ships - general arrangement - third and fourth decks - H.M.S. Girdle Ness, vessel 233; H.M.S. Fife Ness, vessel 235		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1945-05-10
R184	6132	WTS.23002-101		L.C. maintenance ships - general arrangement of boat decks, upper deck and second deck - H.M.S. Girdle Ness		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1945-04-23
R184	6132	WTS.23002-102		L.C. maintenance ships - general arrangement - inboard profile and tank top - H.M.S. Fife Ness, hull 235		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1945-06-05
R184	6132	WTS.23002-103		Escort maintenance ships - general arrangement of boat decks, upper deck and second deck - hulls 222, 223, 224, and 226		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1944-05-03
R184	6132	WTS.23002-104		Escort maintenance ships - general arrangement of third and fourth decks - hulls 222, 223, 224, and 226		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1944-05-08
R184	6132	WTS.23002-105		Escort maintenance ships - general arrangement - inboard profile and tank top - hulls 222, 223, 224, and 226		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1944-05-12
R184	6132	WTS.23002-106		Escort maintenance ships - general arrangement - inboard profile and tank top - H.M.S. Hartland Point, H.M.S. Dodman Point, H.M.S. Beachy Head		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1944-12-07
R184	6132	WTS.23002-108		Maintenance ships - machinery arrangement		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1945-01-12
R184	6132	WTS.23002-109		Maintenance ships - machinery arrangement - HMS Dodman Point, Spurn Point, Portland Bill, Duncansby Head, Girdle Ness and Fife Ness		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1945-01-12
R184	6132	WTS.23002-110		L.S.T. maintenance vessels - general arrangement of boat decks, upper deck, second deck - As-fitted H.M.S. Spurn Point, hull 237		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1945-12-20
R184	6132	WTS.23002-111		Escort maintenance ships - general arrangement of third and fourth decks - H.M.S. ships Hartland Point, Dodman Point, Spurn Point and Beachy Head		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1944-11-27
R184	6131	WTS.23003-100		Naval stores issuing ships - machinery arrangement in engine room		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1944-12-12
R184	6128	WTS.23003-101		Naval stores issuing ships - general arrangement - second, third and fourth decks and tank top		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1945-07-26
R184	6128	WTS.23003-102		Naval stores issuing ships - general arrangement - inboard profile, upper deck and boat deck		1 technical drawing	Date taken from the title block on the drawing.	1945-07-26
R184	6128	WTS.23004-100		Capacity plan for North Sands Ships - 10,000 ton standard cargo vessel		1 technical drawing	Date taken from the title block on the drawing.	1944-06-27
R184	6128	WTS.23004-101		Capacity plan - hull no. 536 (10,000 ton North Sands Type)		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1942

R184	6128	WTS.23004-102		Capacity plan - 10,000 ton standard vessel - vessels 130-163 incl. (S.S. Forts: La Reine, Pine, Pitt, Lac la Ronge, Ellice, McLoughlin, Good Hope, Fraser, George, Qu'Appelle, Churchill and St. James)		1 technical drawing	Date taken from the title block on the drawing.	1941-12-05
R184	6128	WTS.23004-106		10,000 ton cargo vessels - general arrangement - profiles (inboard and outboard) - ships 10029 to 10033 incl.		1 technical drawing	Date taken from the title block on the drawing.	1943-11-01
R184	6128	WTS.23004-107		Standard steamer carrying 10,000 tons on 27' 0" draft - general arrangement		1 technical drawing	Date taken from the title block on the drawing.	1942-03-18
R184	6128	WTS.23004-108		Standard steamer carrying 9300 tons on 25' 6" draft - general arrangement		1 technical drawing	Date taken from the title block on the drawing.	1941-05-14
R184	6128	WTS.23004-109		Standard 9300 ton steamer engines - ship arrangement		1 technical drawing	Date taken from the title block on the drawing.	1941-06-12
R184	6128	WTS.23004-110		E.S.T. 5854 - Profile - Class 100A1 Lloyd's with freeboard corresponding to a draft 18" more than that of C.S.S. vessel		1 technical drawing	Date estimate based on that of the other similar drawings.	[ca. 1943]
R184	6128	WTS.23005-100		Victory ships - Tanker conversion outline - general arrangement - Sheet 1		1 technical drawing	Date taken from the title block on the drawing.	1943-04-01
R184	6128	WTS.23005-101		Victory ships - Tanker conversion outline - general arrangement - Sheet 2		1 technical drawing	Date taken from the title block on the drawing.	1943-04-01
R184	6129	WTS.23006-100		Type "B" Coaster (Steam) - general arrangement		1 technical drawing	Date taken from the title block on the drawing.	1944-12-27
R184	6131	WTS.23006-104		Type "B" Coaster (Steam) - general arrangement - machinery in engine room		1 technical drawing	Date taken from the title block on the drawing.	1945-05-12
R184	6131	WTS.23007-100	9	4700 ton cargo vessel - general arrangement		1 technical drawing	Date taken from the title block on the drawing.	1943-07-24
R184	6131	WTS.23007-101	10	4700 ton cargo vessel - general arrangement - profile		1 technical drawing	Date taken from the title block on the drawing.	1943-08-25
R184	6129	WTS.23007-102		4700 ton cargo vessel - capacity plan		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1944
R184	6129	WTS.23007-104		4700 ton cargo ships - arrangement of engine room and stokehold floors		1 technical drawing	Date taken from the title block on the drawing.	1944-03-23
R184	6128	WTS.23008-100	2	4700 ton cargo vessel - Dominion-type - general arrangement		1 technical drawing	Date taken from the title block on the drawing.	1944-11-20
R184	6131	WTS.23008-101		4700 ton cargo vessel - Dominion-type - general arrangement		1 technical drawing	Date taken from the title block on the drawing.	1944-04-22
R184	6131	WTS.23008-102	1	4700 ton cargo vessel - Dominion-type - general arrangement - profile		1 technical drawing	Date taken from the title block on the drawing.	1944-04-22
R184	6129	WTS.23008-104		4700 ton Dominion-type ships - capacity, trim and stability		1 technical drawing	Date estimate based on that of the other similar drawings.	[ca. 1944]
R184	6131	WTS.23008-106	3	Machinery arrangement - 4700 ton cargo ships - revised		1 technical drawing	Date taken from the title block on the drawing.	1941-02-13
R184	6131	WTS.23009-100	6	Canadian-type ships - general arrangement - decks		1 technical drawing	Date taken from the title block on the drawing.	1944-08-30
R184	6128	WTS.23009-101	5	Canadian-type ships - general arrangement profiles - inboard and outboard profiles		1 technical drawing	Date taken from the title block on the drawing.	1943-12-01
R184	6129	WTS.23009-103		10,000 ton Canadian-type ships - capacity, trim and stability		1 technical drawing	Date taken from the title block on the drawing.	1944-09-05
R184	6131	WTS.23009-104	4	Canadian-type ship - machinery arrangement in engine room		1 technical drawing	Date taken from the title block on the drawing or, where that date is missing, from the approval stamps.	1944
R184	6131	WTS.23010-100	11	10,000 ton Victory Ships - general arrangement plan		1 technical drawing	Date taken from the title block on the drawing.	July 1943
R184	6131	WTS.23010-101	12	10,000 ton Victory Ships - general arrangement - inboard profile and tank top		1 technical drawing	Date taken from the title block on the drawing.	July 1943
R184	6129	WTS.23011-102		Type "C" Coaster (steam modified) - capacity plan		1 technical drawing	Date taken from the title block on the drawing.	1946-05-15
R184	6128	WTS.23011-103		General arrangement - C-Type Coasters		1 technical drawing	Date taken from the title block on the drawing.	1944-10-07
R184	6128	WTS.23011-104		General arrangement - C-Type Coasters		1 technical drawing	Date taken from the title block on the drawing.	1944-11-24
R184	6128	WTS.23011-105		General arrangement - C-Type Coasters		1 technical drawing	Date taken from the title block on the drawing.	1945-04-27
R184	6129	WTS.23011-108		Type "C" Coaster - diesel engine and steam auxiliaries - general arrangement - profile and upper deck		1 technical drawing	Date taken from the title block on the drawing.	1946-01-07
R184	6129	WTS.23011-109		Type "C" Coaster (diesel) - general arrangement - 2nd deck and boat deck		1 technical drawing	Date taken from the title block on the drawing.	1945-09-24
R184	6129	WTS.23011-110		Type "C" Coasters (diesel) - capacity plan		1 technical drawing	Date estimate based on that of the other similar drawings.	[ca. 1945]
R184	6131	WTS.23011-111		Type "C" Coasters (Atlas) - machinery arrangement		1 technical drawing	Date taken from the title block on the drawing.	1946-01-24
R184	6131	WTS.23011-113		Type "C" Coaster (Enterprise) - engine room arrangement		1 technical drawing	Date taken from the title block on the drawing.	1946-01-11
R184	6132	Hull no. 144		S.S. Abegweit - outboard profile		1 technical drawing	Date taken from the title block on the drawing.	1947
R184	6132	Hull no. 144		S.S. Abegweit - general arrangement - mezzanine deck		1 technical drawing	Date taken from the title block on the drawing.	1947
R184	6132	Hull no. 144		S.S. Abegweit - general arrangement - automobile deck		1 technical drawing	Date taken from the title block on the drawing.	1947
R184	6132	Hull no. 144		S.S. Abegweit - general arrangement - boat deck		1 technical drawing	Date taken from the title block on the drawing.	1947
R184	6132	Hull no. 144		S.S. Abegweit - general arrangement - main deck		1 technical drawing	Date taken from the title block on the drawing.	1947
R184	6132	Hull no. 144		S.S. Abegweit - capacity plan		1 technical drawing	Date taken from the title block on the drawing.	1947
R184	6132	Hull no. 144		S.S. Abegweit - general arrangement - flats, holds and watertight subdivision		1 technical drawing	Date taken from the title block on the drawing.	1947
R184	6132	Hull no. 144		S.S. Abegweit - arrangement of voice pipes		1 technical drawing	Date taken from the title block on the drawing.	1947
R184	6132	Hull no. 144		S.S. Abegweit - machinery arrangement in engine rooms		1 technical drawing	Date taken from the title block on the drawing.	1947
R184	6132	Hull no. 144		S.S. Abegweit - machinery arrangement - sections		1 technical drawing	Date taken from the title block on the drawing.	1947
R184	6133			Wartime Shipping Ltd. Montreal - list of ships by name		textual file	Date taken from file contents	1942-1945
R184	6133			Wartime ships lists [former and new names]		textual file	Date estimated from the subject and the rest of the material with this file.	[ca. 1944]
R184	6133			Park Steamship Co. Ltd. Montreal - list of wartime ships		textual file	Date taken from file contents	1947
R184	6133			Ships' routes [by province]		42 index cards	Date estimated from the subject and the rest of the material with this file.	[ca. 1944]
R184	6133			Wartime Shipping [ships by type: Park, Canadian, Dominion, Escort, Northsand, etc.]		145 index cards	Date estimated by subject matter.	[ca. 1944]
R184	6133			Wartime Shipping; Change-of-name, Types of vessels designate, depots-builder		500 index cards	Date taken from the index cards	1942 - 1946

R184	6134		Northwest coast of America - Cape Flattery to Dixon Entrance [annotated]		1 map	Date of annotation	[ca. 1943]
R184	6134		British Columbia - Turn Pt. to Sand Heads, sheet 3450	1 : 82,753	1 map	Date taken from the map	1964-06-26
R184	6134		Transportation facilities - Northwest Canada	50 miles to 1 inch	1 map	Date taken from the map	October 1945
R184	6134		Preliminary map - Cabonga reservoir - Montcalm, Gatineau and Pontiac counties, Quebec [Cabonga towing channels]	1 inch to 2 miles	1 map	Date taken from the map	1942
R184	6134		Ten Mile Map of Newfoundland	1 : 633,6000	1 map	Date taken from the map	1941
R184	6134		[Portion of a map showing the coast of British Columbia, with shipping routes added by hand]		1 map	Date estimated from the subject and the rest of the material with this file.	[between 1940 and 1960]
R184	6134		British Columbia - Howe Sound - sheet 3586 [2 copies, each annotated with distance and routes between ports]	1 : 84,278	2 maps	Date taken from the map	1946-11-15
