- 4467 Canadian Registration Markings to Foreign Owners, c.1951-1960

These cards contain a list of Canadian aircraft registration marks held by people who were citizens of countries other than Canada. Information on the cards includes name of owner, Canadian address, type of aircraft, citizenship of owner, and, in some cases, the date they assumed the owner of the aircraft.

Change of Category index cards, 1952-1957

These cards contain a list of aircraft registration marks for those aircraft whose purpose changed from private to commercial or (vice versa).

- 4468 Blanket Flight Permits
(These cards provide references to files in the 5258 file block [Air Traffic - Operations - Companies, Flying Clubs & Schools] arranged by company or club name.)

Aircraft Cross Reference cards indicating name of aircraft and corresponding make and model of aircraft (eg. Piper "Cub Special" = PA 11-90).

Cards indicating Certificate of Airworthiness for Export granted to planes built in Canada which were sold to foreign owners and therefore never entered on the Canadian Civil Aircraft Register. These cards are arranged by certificate number. In addition, the cards usually note the destination of the aircraft. These cards relate to primarily, but not exclusively, to DHC-2, DHC-3 and DHC-4 aircraft.

Certificates of Airworthiness for Export #430 to #778
