(1985-86/674)

Northern Development Study

Box 1

Folder No.:

1. Northern Development - Previous Council Positions.
2. Problems - General.
3. "Alberta's Priorities and World Needs" by Maurice T. Strong.
4. "In Defence of Accountability" - paper prepared for Committee by A.R. Thompson, University of B.C.
5. Federal and Provincial Matters - Press Clippings.
6. Articles by J. Helliwell, University of B.C. "A New Approach to Price Setting for Regulated Pipelines"; "National Energy Board's 1974-75 Natural Gas Supply Hearings"; "Costs of Benefits of Self-Sufficiency in Oil and Gas".
7. International Law of the Sea - press clippings.
8. Regulatory Process - Legislation - Land Use Legislations - Articles and press clippings.
9. Problems Faced in Alaska - articles and press clippings.
10. "Problems of Optimal Management of Arctic Oil and Gas" by Milton Moore, University of B.C.
11. Science Council Recommendations Concerning Northern Development - 1967-1975 - excerpts from S.C. Red Reports and Background Studies.
12. Report prepared for the Council of N.W.T. on proposal entitled "Nunavut" made by the Inuit Tapirisat of Canada to the Government of Canada, February 1976.
13. Northern Natural Gas Pipeline - proposal of Foothills Pipelines Ltd. - press clippings.
14. Environment Study - press clippings.
15. Alaska - Canada - U.S. - pipeline - Alternative Routes - press clippings.
16. Native Training Programs.
17. MacKenzie Valley Pipelines Inquiry - (Berger Commission)
18. List of Government Reports and Studies Related to Matters before the MacKenzie Valley Pipeline Inquiry
19. Berger Commission - Preliminary material.
20. Berger Commission - Index to Summaries
21. Berger Inquiry - various articles and press clippings.
22. MacKenzie Valley Pipeline Inquiry - Summary of Proceedings - Index Nos. 46 to 96A.

Box 2

23. MacKenzie Valley Pipeline Inquiry - Summary of Proceedings - Index Nos. 2 to 15.

24. MacKenzie Valley Pipeline Inquiry - Summary of Proceedings - Index Nos. 16 to 45.
25. MacKenzie Valley Pipeline Inquiry - Miscellaneous Material.
26. MacKenzie Valley Pipeline Inquiry - Committee Hearings - Vols. 24 to 54.
27. MacKenzie Valley Pipeline Inquiry - Proceedings at Inquiry - Volumes 1 to 3.
28. "Public Participation" by Patricia Bonner prepared for Council Committee at Seminar on Public Participation and The Regulatory Process.
"Citizen Participation in Alberta Resource Policy Making" by R.R. Rickwood, University of Lethbridge.
29. Petro-Canada - articles and press clippings on.
30. Churchill Hydro Project - press clippings.
31. Native People and Land Claims - press clippings.
32. Inuit Tapivisat of Canada - articles and press clippings.
33. Land Claims - articles and press clippings.
34. Discussion Paper on Guidelines for Scientists in the North - articles and press clippings.
35. "Environmental Cause/Effect Phenomina Relating to Technological Development in the Canadian Arctic" by N.R.C. Associate Committee on Scientific Criteria for Environmental Control.
36. "Northern Programs of Environmental Canada" by Northern Program Advisory Group - Environment Canada - August 1972.
37. Environmental Guidelines - Proposed MacKenzie Delta Gas Development.
38. Environmental Impact Assessment - various articles on.
39. Environmental Concerns - various articles and press clippings.
40. Mercury Problems - articles on.
41. "The Conserver Society and Environmental Damage" by M.J. Dunbar.

Box 3

42. "A Trip North" by G. Gallon, Canadian Scientific Pollution and Environmental Control Society.
43. Social Indicators for the Evaluation of Governmental Policies for Northern Development.
44. "The Socio-Economic Impact of the Pointed Mountain Gas Field" by M. Sratt, D.I.A.N.D.
45. Conseil Consultatif des Recherches Amerindiennes au Quebec - submission.
46. Various reports on Health Conditions in the North.
47. Articles:
"Differential need Satisfactions of Mini Workes in Northern Canada" by J.H. Cram, McGill University.
"The High Labour Turnover in the Canadian Mining Industry" by A.E. Moss.
48. Various Articles on Socio-Economic changes in the North.
49. Various articles and clippings on Education in the North.
50. "An Outline of the Impacts the Anvil Mining Development had upon the Indian people of Ross River" by R. Sharp.

51. "The Affect of Education on Earnings in the MacKenzie District of Northern Canada" by Chun-Yan Kuo - D.I.A.N.
52. "The Involvement of the Federal Government of Canada in Northern Social Research" 1973-75 by Katherine Vodden.
53. "Attitudes Toward Technology Assessment" - A response to the Council's Discussion paper on Northern Development by G.S.H. Lack, University of Alberta.
54. "Canada's 'Unemployable' Northerners: Square Pegs in Round Holes in the System to be created for the International Transfer of Energy by Pipleines from Northern Canada to the U.S." by L.D. Ssuchi, University of Nebraska-Lincoln.
55. Materials Engineering in the Arctic: articles and press clippings.
56. Transportation Activities in the North: articles and press clippings.
57. Northern Roads - articles and press clippings.
58. Oil Clean-up - articles and press clippings.
59. "Arctic Sanitary Engineering Bibliography" by G.W. Heinke, University of Toronto.
60. "Interdisciplinary Study of Telecommunications" - Queen's University.
61. "The Application of Dynamic Modelling to the Study of Telecommunications Development in Canada" - Queen's University.
62. "Communications Study - Man in the North" - Arctic Institute of North America.

Box 4

63. Department of Communications - Northern Pilot Project - First year Evaluation Report.
64. "Film, Videotape and Community Development in Newfoundland" by M. Guité on. University of Montreal.
65. Preliminary Report on the Adoption of Television by Native Communities in the Canadian North - A comparative study.
66. "Comminterphone - Ranking Inlet" - Institute for Northern Studies.
67. Panarctic Oils Ltd. - articles and press clippings.
68. Polar Gas Project - articles and press clippings.
69. Arctic Islands - Bearfort Sea - articles and press clippings.
70. Strathcoma Sound Project - articles.
71. Strathcoma Sound - Training and Employment
72. "Notes on a trip to Strathcoma, Arctic Bay and Pond Inlet" by Christiane Dodge, September 1974.
73. Strathcoma Sound - chronology of events - Communications arising from Federal Government and M.R.I.
74. Strathcoma Sound - General Information.
75. "A Summary of Possible Environmental Effects of Disposing Mine Tailings into Strathcoma Sound, Baffin Island" by Hatfield Consulting Ltd.
76. Baffin Island Iron Mine - articles and press clippings.
77. "Report on Feasibility and Cost Estimate on Baffinland Iron Mines Ltd." Hudson Bay Mining and Smelting Co.
78. MacKenzie Gas Pipeline - U.S. Views
79. MacKenzie Valley Pipeline - articles and press clippings.
80. Pipleines - Environmental Research.

108. The Native People - articles and press clippings.
109. One Nation Concept - articles and press clippings.
110. Native Issues - articles and press clippings.
- "A Strategy for the Socio-Economic Development of Indian People", I.A.N.D., July 1976.
111. Technology Transfer and Third World - articles and press clippings.
112. "The Role of Canadian Control of Technology in Northern Development", by Hedlin Menzies, April 1976.
113. Demography - General
 - a) Thematic Maps of 1971 Census Data" - Statistics Canada.
 - b) Map of 1971 census - Statistics Canada.
 - c) "Northern Population Workshops" - Arctic Institute of North America.
 - d) "Population Projections of the Northwest Territories to 1981" - Indian and Northern Affairs.
114. Oil and Gas Activities - 1969-1972, various articles and books by Indian and Northern Affairs.
115. Exploration Highlights - 1970-1971, Indian Affairs and Northern Development.
116. "Exploration Highlights, Oil and Gas North of 60, 1972-73", Indian and Northern Affairs.
117. Oil and Gas Exploration Highlights - 1974, articles and press clippings.
118. Oil and Gas Outlook 1975 - press clippings.
119. Oil and Gas Exports - press clippings.
120. Oil and Gas Supply -
 - a) "Canadian Oil Supply and Requirements", National Energy Board, September 1975.
 - b) "The Relationship of Oil Companies and Foreign Governments" - Federal Energy Administration, Washington.
 - c) "The Macroeconomic Effects of an Arctic Gas Pipeline on the Canadian Economy", University of Toronto.
121. Energy Resources - articles and press clippings.

Box 7

122. Mines and Minerals - articles and press clippings.
123. Mining Legislation - papers and articles.
124. Mines and Mineral Activities - papers by Indian and Northern Affairs.
125. Biological and Renewable Resources-Yields - articles and papers.
126. Northern Statistics and Census.
127. "Economic Evaluation of Indian and Metis Employment at The Cominco Mines at Pine Point, N.W.T.", by P. Deprez, University of Alberta.

- 128. Employment and Manpower - N.W.T. - articles.
- 129. Northern Business Letter - articles.
- 130. Federal Government Expenditures - N.W.T.
- 131. Economic Aspects, N.W.T. - articles and press clippings.
- 132. Publications by D.R.E.E.
 - a) "Western Northlands - Economic Circumstances and Opportunities".
 - b) "Western Region - Economic Circumstances and Opportunities".
 - c) "Regional Development Programs".
 - d) "Regional Development Programs by Province".
- 133. Canadian Northern Development Policy - articles and documents.
- 134. Oil and Gas Pricing - articles and press clippings.
- 135. "The Resources of the Canadian Arctic", by J. Convey.
- 136. Northern Canadian in the 70's - articles and policy statements.
- 137. Self-Government and Public Participation - articles and policy statements.
- 138. "Political Development in the N.W.T.", by C. Hylton, August 1975.

Box 8

- 139. Political Development - Canadian Northern Territories - articles.
- 140. "The Development of Power in the Yukon".
- 141. "Incentive Programs North of 60".
- 142. Sweden Documentation - reports and articles.
- 143. U.S.S.R. Documentation - reports and articles.
- 144. U.K. Documentation - reports and press clippings.
- 145. U.S. Documentation - correspondence and articles.
- 146. Finland Documentation - correspondence and articles.
- 147. Greenland Documentation - correspondence and reports.
- 148. Iceland Documentation - correspondence and reports.
- 149. Norway Documentation - correspondence and reports.
- 150. "History and Canadian Definitions of the Word "North", by L.E. Hamelin.

Box 9

Political Economy - Filed by Provinces

Manitoba

- 151. Correspondence
- 152. Leaf Rapids, Manitoba
- 153. Documentation - D.R.E.E.
- 154. Press Clippings and articles
- 155. Manitoba - Documentation

Saskatchewan

- 156. Documentation regarding Churchill River Project.
- 157. Documentation - D.R.E.E.
- 158. Documentation - Department of Northern Saskatchewan.
- 159. Documentation - Forestry Development.
- 160. Documentation regarding Iron ore development.
- 161. Documentation - General Throne speeches, Budget speeches, etc.
- 162. Press clippings and articles.
- 163. Documentation re Department of Mineral Resources.
- 164. Correspondence.
- 165. Documentation re Uranium Development.

Ontario

- 166. Correspondence.
