III Land Patents Branch

9. Register of Delivery of Patents, 1873-1910.

(Aperture cards book numbers 203-229)

Registers, numbered 1 to 27, which are an alphabetical index to patentees giving name, address, land description, date of notification, acres*, nature of grant*, date of delivery of patent, date of receipt and number, to whom delivered and file number given in the remarks from 1882. The registers from book 203 to 208 are entitled "Register of issue of patents" but should be "Register of delivery of patents".

*Given for books 203 to 208 only.

There were 27 of these registers. They were microfilmed and only numbers 2 to 5 were kept by the Department, (RG 15, Volumes 1925-1928, the others have been destroyed.
