

RG	Volume	Title/Titre	Dates
22	543	Chronological File - Office of the Deputy Minister, Department of Indian and Northern Affairs - Senior Science Advisor, Keith R. Greenaway, including: [Advisory Committee on Science Policy, Northern Research Training and Grants Program, Canada Year Book, Siberia]	1975/01-1975/02
22	543	Chronological File - Office of the Deputy Minister, Department of Indian and Northern Affairs - Senior Science Advisor, Keith R. Greenaway, including: [National Social Science Council, Oceanography and Naval Research, Renewable Energy and Resources, A.C.N.D., draft - Canada Year Book, Boat for Inuvik Laboratory]	1975/03-1975/04
22	544	Chronological File - Office of the Deputy Minister, Department of Indian and Northern Affairs - Senior Science Advisor, Keith R. Greenaway, including: [Surveillance - Mackenzie Valley Pipeline, Ice Covered Waters Capability and Research, Biting Flies]	1975/05-1975/06
22	544	Chronological File - Office of the Deputy Minister, Department of Indian and Northern Affairs - Senior Science Advisor, Keith R. Greenaway, including: [Guidelines for Northern Science, Computerization Study, N.R.C. Exchange Program - Japan, Beaufort Sea [Oil] Project]	1975/07-1975/08
22	544	Chronological File - Office of the Deputy Minister, Department of Indian and Northern Affairs - Senior Science Advisor, Keith R. Greenaway [Canada - U.S.S.R. and Yugoslavia Science Exchange, Futures Studies, Senate Special Committee on Science Policy, Nominations 1976 Massey Medal, Interdepartmental Committee on the Environment]	1975/09-1975/10
22	544	Chronological File - Office of the Deputy Minister, Department of Indian and Northern Affairs - Senior Science Advisor, Keith R. Greenaway [Control of Biting Flies, U.N.E.C.O., Remote Sensing Airborne Infrared Luminescence Tests, U.S.A.F., Massey Medal Nominations, Exchange with the Soviet Union]	1975/11-1975/12

RG	Volume	Title/Titre	Dates
22	544	Chronological File - Office of the Deputy Minister, Department of Indian and Northern Affairs - Senior Science Advisor, Keith R. Greenaway, including: [Greenlandic Fishing Grounds - Oil Exploration, Ice Covered Waters Capability, Control of Biting Flies, Interdepartmental Committee on the Environment]	1976/01-1976/02
22	544	Chronological Files - Office of the Deputy Minister, Department of Indian and Northern Affairs - Senior Science Advisor, Keith R. Greenaway, including: [Surveillance Satellite Task Force, NOVA Science Series - film on seals hunters, Research Grants, Greenland, Study of Federal Expenditures, Northern Science Projects]	1976/03-1976/04
22	544	Chronological Files - Office of the Deputy Minister, Department of Indian and Northern Affairs - Senior Science Advisor, Keith R. Greenaway [Relations with Northern and Arctic Powers - Canadian Foreign Policy, Royal Society of Canada, Research Training Grants, Article - Northern Research , U.S.S.R., Northern Demographic Workshop]	1976/05-1976/06
22	544	Chronological Files - Office of the Deputy Minister, Department of Indian and Northern Affairs - Senior Science Advisor, Keith R. Greenaway [Inuit complaints - pipeline Canada-U.S. and Canada Soviet exchanges, Man and the Biosphere Program, Directory Service, Social Scientists in Canada, etc.]	1976/07-1976/08
22	544	Chronological Files - Office of the Deputy Minister, Department of Indian and Northern Affairs - Senior Science Advisor, Keith R. Greenaway [Nansen Drift Station, Oil pipeline - Environmental Damage Studies, Canada - Soviet Exchanges]	1976/09-1976/10
22	544	Chronological Files - Office of the Deputy Minister, Department of Indian and Northern Affairs - Senior Science Advisor, Keith R. Greenaway [Arctic Gas - Sea movement, Massey Medal, Remote Sensing]	1976/11-1976/12

RG	Volume	Title/Titre	Dates
22	544	Chronological Files - Office of the Deputy Minister, Department of Indian and Northern Affairs - Senior Science Advisor, Keith R. Greenaway [Arctic Science and Technology Information System (ASTIS), Marine Shipment - Gas and Oil, Senate Special Committee on Science Policy]	1977/01-1977/02
22	544	Chronological Files - Office of the Deputy Minister, Department of Indian and Northern Affairs - Senior Science Advisor, Keith R. Greenaway [Arctic Energy and Marine Transport]	1977/03-1977/04
22	544	Chronological Files - Office of the Deputy Minister, Department of Indian and Northern Affairs - Senior Science Advisor, Keith R. Greenaway [Soviet propaganda controversy - David W. Fisher of the International Institute for Applied Systems Analysis, Cluster as "Canadas representative" South Africa and Greenland contacts - Priorities in the North]	1977/05-1977/06
22	547	Correspondence of G. W. Rowley - Letters sent, draft reports and memoranda in his new position as Northern Scientific Advisor, concerning: [Soviet workers, Canadian Arctic Expedition, Hovercraft, The Yukon Territory, Arctic Bibliography, Harold Pfeiffer - sculptor, Northern Community Design, Coppermine copper, Eskimo History, Historic Sites]	1968/01-1968/12
22	547	Correspondence of G. W. Rowley - Letters sent, draft reports and memoranda in his new position as Northern Scientific Advisor, concerning: [Arctic navigation, Isolated Workers, Massey Medal, Tundra Conference, Russia - contracts, Arctic Institute, Northern Research Needs, Eskimo Literature]	1969/01-1969/12
22	547	Correspondence of G. W. Rowley - Letters sent, draft reports and memoranda in his new position as Northern Scientific Advisor, concerning: [Indian and Eskimo Education, Mutual interests U.K., Canada and Russia, Tookoolito - Eskimo woman and Queen Victoria, Cabinet Committee on Science and Technology, Bird Sanctuary, U.S.S.R.: Solid Gas, D.E.W. Line deactivation, Arctic Scientific Problems]	1970/01-1970/12

RG	Volume	Title/Titre	Dates
22	547	Correspondence of G. W. Rowley - Letters sent, draft reports and memoranda in his new position as Northern Scientific Advisor, concerning: [Rowley' description of duties, Russian contracts, Circumpolar Conference, Address on Eskimo History and Administration, Arctic Island Sovereignty, etc.]	1971/01-1971/12
22	547	Correspondence of G. W. Rowley - Letters sent, draft reports and memoranda in his new position as Northern Scientific Advisor - concerning: [Northwest Territories Economic Development, Remote Sensing, Eskimo arts, Can. - U.S. Marine Science, Atmosphere Study, Igloodik Laboratory, Housing, Arctic Institute, U.S. Skyhook research, Scientists and Explorers Ordinance, Renewable Resources, Polar Research, Underwater Archeology, etc.	1972/01-1972/12
22	547	Correspondence of G. W. Rowley - Letters sent, draft reports and memoranda in his new position as Northern Scientific Advisor - concerning: [Biting flies, Beaufort Sea Conference, Soviet contracts, Eastern Arctic Research Laboratory, Ecology Study - Man in the Arctic, Igloodik Research Laboratory	1973/01-1973/12
22	547	Correspondence of G. W. Rowley - Letters sent, draft reports and memoranda in his new position as Northern Scientific Advisor - concerning: [Social Development - money vs. goods which will be useful, Northern Reindeer, Ocean Policy - Arctic Excellence (oil drilling), Recruitment of Northern Natives, Remote Sensing, death of Bernhard Hantzsch in 1911 during Northern exploration, etc.]	1974/01-1974/08
22	547	Correspondence of G. W. Rowley - Letters sent, draft reports and memoranda in his new position as Northern Scientific Advisor - concerning: [Whalebone Carvings, Research Facilities - Igloodik and Inuvik, Archeological Survey and Rescue, Water pollution, etc.]	1974/09-1974/10

RG	Volume	Title/Titre	Dates
22	548	Correspondence of G. W. Rowley - Letters sent, draft reports and memoranda in his new position as Northern Scientific Advisor - concerning: [The Native Community and The Visiting Scientist, Canada/U.K. Arctic Research, DIAND and Northern Research, Talk to Ashbury College - 12 November, 1974, etc.]	1974/11-1974/12
22	548	Scientific Guidelines and Priorities for Northern Canada [Copies - reports, memoranda and proceedings]	1970
22	548	Scientific Guidelines and Priorities for Northern Canada [Copies - reports, memoranda and proceedings]	1971
22	548	Scientific Guidelines and Priorities for Northern Canada [Copies - reports, memoranda and proceedings]	1972
22	548	Scientific Guidelines and Priorities for Northern Canada [Copies - reports, memoranda and proceedings]	1973
22	548	Scientific Guidelines and Priorities for Northern Canada [Copies - reports, memoranda and proceedings]	1974
22	548	Scientific Guidelines and Priorities for Northern Canada [Copies - reports, memoranda and proceedings]	1975
22	548	Scientific Guidelines and Priorities for Northern Canada [Copies - reports, memoranda and proceedings]	1976
