General note

Accession consists of deck logs created and maintained by Canadian Coast Guard vessels. Vessels use ship logs to record daily activities and include notes relating to position at sea, wind conditions, temperature, ice conditions, general remarks, and other assorted information. This accession includes logs from the following vessels (approximate dates are in parenthesis): Aquariel (1995); Hagdon (1991-1992); Heron (1991-1992); Hawk (1991-1992); Harlequin (1991-1992); Isaac J. Vigneault (1992-1994); J.L. Hart (1998-2004); Hudson (1997-2000); Northern Star VI (1962); and Galway Blayer (1977). Please refer to the finding aid for a detailed listing. These records are currently held in the Atlantic Regional Service Centre.
