

FINDING AID: 23-1

RECORD GROUP: RG 23 - Fisheries and Oceans

SERIES: B-1-b - Central Registry Records, Index a n d
Correspondence Registers

VOLUMES: 1-5

REELS: C-8637, C-8638

DESCRIPTION: These volumes serve as the primary finding aid for the central registry material found in volumes 78-409. The finding aid is a conversion list indicating which reels to use for specific registers. Volumes 1 to 3 are registers of correspondence by name of correspondent; volume 3 by locality and volumes 4 and 5 are registers by subject of correspondence.

Once items of interest have been located in the registers on microfilm, the researcher is directed to finding aid 23-6 to get an appropriate volume and microfilm reel number for the file in question.

A microfilmed version of this finding aid is available in the self-serve area, third floor, Reference and Researcher Services Division.

INSTRUCTIONS: The following information is required to order a reel:
