CANADA. Department of Labour, Financial Records - Movement of Workers, 1948-1954, 0.6 metre, Volumes 3150-3152.

Records related to: Movement of Workers. Hospitalization and Medical Aid (Immigrants). These records are unbound ledger sheets listing payments made by the Department of Labour for medical treatment of approximately 4,000 immigrants to Canada during 1948-1954. In cooperation with the Department of Citizenship and Immigration and the National Employment Service the Special Services Branch of the Department of Labour participated in the "occupational selection overseas of immigrants who came forward in group movements and the reception and distribution of such immigrants on arrival in Canada, including necessary welfare assistance and hospitalization during their first year in Canada", (Department of Labour Annual Report for the fiscal year ended March 31, 1954, p. 30) the nature of the patient's illness is not given in all cases as these are primarily financial not medical records.

There is no finding aid for this material.

This material is restricted by the 25 year rule.
