Administrative Services Branch  
House of Commons, 1930-1931  
Parliamentary Files, 1930 - Nos. 118591-118610 and 119265-119282  
Old Post Office Reel No. 136  
National Archives Reel No. T-8970

The files on this reel do not correspond to a card series. The following description includes the complete series of file numbers and titles, and constitutes a finding aid.

Contents

- 118591 Has the Post Office Department been advised of the bravery of Robert Atkinson of Glace Bay, Nova Scotia re: care of mails at risk of life? If so, what steps have been taken for recognizing such bravery?
- 118592 Amount of expenditure by the Government re: the purchase of airplanes for postal service in 1929. Amount of revenue derived from such services in the same year, expenditure, etc.
- 118593 Tenders received for contract for rural mail delivery, Rural Route 2, Carp, Ontario. Names of those submitting tenders and amounts of tenders. Successful tenders and names of his bondsmen.
- 118594 Number of postmasters dismissed by the Postmaster General during 1929. Names and addresses of postmasters so dismissed. Reasons for dismissal.
- 118595 Number of employees in each department of the Government, inside service, with salaries for years 1926 and 1929.
- 118596 Copies of letters, telegrams, etc. re: position of Postmaster at Pakesley, Ontario.
- 118597 Copies of letters, telegrams, reports, etc. re: position of Postmaster at Restoule, Ontario.
- 118598 Copy of all contracts for air mail service entered into or in force during 1929.
- 118599 Weight of mail over each air mail route in Canada during 1929. Also, total cost, amount of revenue, etc. New air mail routes, if any, under consideration.
- 118600 Has the Postal Department received petition from merchants of Moncton, New Brunswick requesting us to increase daily collection and distribution of mail on St. George St. to three times daily service? Has a survey been made? If so, when will service begin?

- 118601 How many post offices built by the Government in Canada during 1927, 1928, 1929, etc? Revenues of these offices during these years, cost of building and site in each case. Site purchased for post office in Campbellford, Ontario. If so, price of same. Revenues from this post office for 1927, 1928, 1929. Rural routes operating out of this office. Total amount of mail handled in said post office during 1927, 1928, 1929.
- 118602 Recommendations for appointment of postmasters made by Civil Service Commission in 1929. Number acted on and accepted by the Postmaster General, number rejected, number still under consideration. Names and addresses of rejected parties. Also, reason for rejection. How many returned soldiers appointed and how many rejected?
- 118603 Days, if any, during December, 1929 and January and February, 1930 regular mail service to and from Pelee Island to mainland has been interrupted. Cause of break in service. Could not delays have been avoided? Will the Department take immediate steps to ensure regular service for the present month?
- 118604 Post office buildings erected or being erected in Province of Saskatchewan, giving location, and total costs of each in cities, towns, etc. Total revenue in each of points where post office buildings have been erected during each of past three years for which returns are available. Yearly remuneration paid to postmasters in each point where post offices have been or are being built. Yearly allowance to postmaster for promises prior to erection of building.
- 118605 Total business done in post office at Kindersley, Saskatchewan in each of past three years for which returns available. Yearly remuneration paid to postmaster, Kindersley. Yearly rental allowance paid for Kindersley office.
- 118606 List of all mail carriers and contractors, rural or otherwise in employ of Post Office Department in Counties of Queen's and Lunenburg, Nova Scotia, their respective routes, dates of expiry of contracts and rates of remuneration.
- 118607 New mail routs in 1929. If so, locations and number of boxes on each of routes so established. Applications for new rural mail routes refaced in 1929, etc. Extensions to existing rural mail routes in 1929. If so, on what routes and number of mail boxes added. Extensions to existing rural mail routes refused in 1929. Where refused, location of each and cause for refusal.

- 118608 Copy of letters, telegrams, reports, tenders, contracts and other documents in connection with erection of new post office building in Niagara Falls, Ontario.
- 118609 Days during December, January and February, 1929-1930 regular mail service to Pictou Island interrupted. Cause of interruption, etc. Is Postal Department satisfied with Pictou Island mail carrier? If not, will the Department take immediate action to ensure a regular postal service to and from the Island?
- 118610 Date Pictou Island cable connection last got out of commission, cause, etc. Have representations been made to the Postal authorities re: failure of cable communication with Pictou Island? When will communication be re-established? Has Postmaster General considered air mail service to Island during winter months?
- 119265 Has post office at Dalesville, Quebec been closed? If so, reason and when it will be re-opened. Remuneration postmaster received there for 1929. Date post office originally established.
- 119266 Reports, recommendations, letters, etc., re: promotion of J.H. Russell to Assistant Postmaster at Cornwall, including ratings by Civil Service Commission of J.H. Russell, L.G. Tyo, C.V. Tobin and C.R. Farhinger, and dates of admission to postal service at Cornwall or elsewhere.
- 119267 Amount of rent allowances for post offices of Okotoka, High River, Turner Valley, Cayley, Nanton, Starely, Claresholm, Granum, Macleod, Pincher Creek, Bellevue, Blairmore, Coleman.
- 119268 Copy of all letters, tenders, reports, etc. relating to all contracts in force for year 1929, in respect to air mail service.
- 119269 Amount of revenue collected by Department of National Revenue through Collector of Customs at Port of Moose Jaw, Saskatchewan. Revenue received through Post Office at Moose Jaw. Salaries paid to Collector of Customs at Moose Jaw. Also, Postmaster. Salary paid to Chief Clerk in each of these services at Moose Jaw.
- 119270 Total number of passengers carried by each of contractors for air mail service during year 1929. Amount due to or received by each contractor for passengers in same year. Weight of volume of freight or packages carried and amount due for such service.

- 119271 Lumber bought from M.N. Cummings, Westboro, Ontario by any department of the Government during 1927, 1928, 1929. If so, quantity and prices. How much by tender and how much otherwise. Were any other materials purchased from said person by Government Department? If so, cost, etc.
- 19272 Revenue from post office of Biggar, Saskatchewan for the past three years. Salary paid to Biggar Postmaster for the same period. Rental of building housing said post office for the past three years.
- 119273 Total number of rural mail routes in Alberta and respective locations. Mileage covered by rural mail courier in each route. Amount paid to each carrier on such route.
- 119274 Does the Postmaster General make recommendations to the Department of Public Works as to where and when post offices should be built? Amount of revenue required to entitle a locality to a new post office, etc. Where has the Postmaster General during 1927, 1928, 1929 asked the Department of Public Works to construct postoffices? Request refused? Where and on what grounds?
- 119275 List of all mail carriers and contractors, rural or otherwise, in employ of the Post Office Department in the County of Cumberland, Nova Scotia, respective routes, dates of expiry of contracts and rate of remuneration.
- 119277 Copy of all letters, reports, memoranda, petitions and correspondence on files of the Department re: request for a change in the Postmastership at Longworth, B.C.
- 119278 Have any contracts other than those included in and referred to in Ref. No. 21 (Sessional Paper No. 123) been entered into for air mail service for 1930 or subsequent years? Services provided for by such contracts, cost of such services for 1930.
- 119279 Who is mail carrier on route between Cariboo Island, Pictou County, Nova Scotia and Waterside on mainland? Was contract for route advertised? When does service begin? Amount paid for service to courier.
- 119280 Air mail contracts awarded by the Post Office Department.
- 119281 Has contract for mail between Isle-aux-Grues and Montmagny been definitely awarded to the lowest tenderer? Amount of lowest tender. To whom contract awarded. Contract price and when does contract expire?

119282 Estimated total revenue of the Post Office Department for the last fiscal year. Also, estimated total expenditure and estimated deficit of the Post Office Department for the last fiscal year.
