Box 16

Material Relating to Col. A. Davidson

Land Grant Ledger Sheets (untitled, no dates).

Arranged geographically. Part 1 records land from Township 17, Range 1, East of the Principal Meridian, to Township 25 Range 21, West of the Second Meridian. Part 2 records land from Township 25, Range 21, West of the Second Meridian, to Township 34 Range 10, West of the Third Meridian. It may be land owned by the Saskatchewan Valley and Manitoba Land Company, as a comparison with Schedules A and B (below) is very similar.

List Ledger of Land Sold by T.A. Burrows for Canadian Northern Railway (no dates).

Arranged geographically. From Township 18 Range 1, East of the Principal Meridian to Township 43, Range 16, West of the Second Meridian. Records contract numbers, location of land, and number of acres. Included is some loose correspondence re: Burrows' Sales, 1906/03. It is a good summary document of the geographical extent of the lands sold for the Canadian Northern Railway by T.A. Burrows (Land Commissioner of the Canadian Northern Railway from 1897? to 1903), and can be cross-referenced with WFRC accession W89-117, Ledger Series I3, Land Contract Ledgers, Burrows' Sales (Canadian Northern Railways), 3 vols., which are arranged by contract number, but are very voluminous and unwieldy.

File, Riding Mountain Timber Reserve, Saskatchewan Valley and Manitoba Land Co. Ltd., 1902/11-1906/06.

Correspondence relating to lands in Riding Mountain Timber Reserve, Manitoba sold by the Canadian Northern Railway to the Saskatchewan Valley and Manitoba Land Co. Ltd. Has a dominion survey map of the region with the boundaries of the land in question penned in and highlighted.

Schedule (A) - List of Canadian Northern Railways Land Sold by the Saskatchewan Valley and Manitoba Land Co. Ltd. Between First Principal Meridian and Second Meridian Inclusive. (no dates).

Records contract number, location of land, and number of acres. It is a good summary document of the geographical extent of Canadian Northern Railways land sold by the Saskatchewan Valley and Manitoba Land Co. Ltd., and can be cross-referenced with WFRC accession W89-117, Ledger Series H6, Townsite Land Contract Transfer Ledgers (Canadian Northern Town Properties Ltd./Saskatchewan Valley and Manitoba Land Co.), which are arranged by contract number, but are very voluminous and unwieldy.

CN Shipment --- Box Content Description

Schedule (B) - List of Canadian Northern Railways Land Sold by the Saskatchewan Valley and Manitoba Land Co. Ltd. Between Second Meridian and Third Inclusive. (no dates).

Records contract number, location of land, and number of acres. It is a good summary document of the geographical extent of Canadian Northern Railways land sold by the Saskatchewan Valley and Manitoba Land Co. Ltd., and can be cross-referenced with WFRC accession W89-117, Ledger Series H6, Townsite Land Contract Transfer Ledgers (Canadian Northern Town Properties Ltd./Saskatchewan Valley and Manitoba Land Co.), which are arranged by contract number, but are very voluminous and unwieldy.

Memorandum of Duck Mountain Order-In-Council, 1907/06/29.

Includes: List "C" - lands to be granted to the Canadian Northern Railway Co. in exchange for lands in lists "A" and "B" (Surplus lands in Manitoba and Northwestern Railway Land Grant Reserve). List "D" - lands to be granted to the Canadian Northern Railway Co. in exchange for lands in lists "A" and "B" (Lands in Block North Of Swift Current). There is also an additional copy of lists "C" and "D."

Statement of Sales Made By The Saskatchewan Valley and Manitoba Land Co., Account Canadian Northern Railway Co., Up To 1906/01/31. Arranged numerically by contract number. Financial account, records contract number, location of land, acres, price per acre, consideration (\$), down payment. From Contract 1-4299.

Memorandum No.3 - Land Grant Reserve, Qu'Appelle, Long Lake and Saskatchewan Railroad and Steamboat Co. (1907/01/29)

Includes: List "A" - Land Selected by the Canadian Northern Railway from Qu'Appelle, Long Lake and Saskatchewan Railroad and Steamboat Co.'s Land Grant Reserve after December 31, 1905.

List of Application for Patents (No company, no dates); Arranged geographically, from Township 24, Range 27 West of the Second Meridian to Township 34, Range 9 West of the Third Meridian (all lands located in Saskatchewan).

Descriptions of CN Records Transferred To WFRC From Montréal

Title: Construction Record Ledger Books

Provenance: MacKenzie, Mann & Co. Ltd./ Canadian Northern Pacific Railway Co., Engineering Department

Dates: 1908-1923

Arrangement: Numerical by book number. (Each book has a table of contents, which is reproduced in the accompanying box content list).

Physical: Cloth and cardboard cover, post-bound ledgers, 14⁵/₈"l x 9"h x 3"w, Books 3-24, 27-33 (30 vols.).

Range: Box 3,4,5,6,7,8,9,10,18

Description: These ledger books contain a wide variety of financial accounting information concerning the construction of various rail lines and facilities of the Canadian Northern Pacific Railway in British Columbia, owned by MacKenzie, Mann & Co. Ltd. The accounting information is organized either according to the type of construction (ie, grading, water stations) or rail lines (Yellowhead Pass, Vancouver Island). Note that there is a section in Book 12 (Box 5) dealing with the James Bay Railway, another MacKenzie, Mann & Co. Ltd. project.

Descriptions of CN Records Transferred To WFRC From Montréal

Title: Appropriation Record Ledger Books

Provenance: Canadian Northern Railway Co.

Dates: 1903-1915

Arrangement: Numerical by book number (chronological, with each appropriation sequentially numbered.)

Physical: Leather cover, stitch-bound ledgers, 14³/₈"l x 9"h x 2.5"w

Range: Box 1,2,3

Description: These ledger books contain budgetary accounting information concerning the appropriation of funds by the Canadian Northern Railway Co. for specified railway capital expenditures. The appropriation entry for each capital expenditure in a particular year is identified, numbered, the amount budgetted for the capital expenditure is indicated in the top left margin, and then an itemized list of actual costs are given. In some cases the labor and material costs are totalled, and the sum is either listed as an over-expenditure or under-expenditure based on the original appropriation.

Range: Box 1,2
