(Vols. 1-10)

Royal Commission on the Natural Resources of Alberta

Vol. 1

- Correspondence re exhibits
- J. J. Frawley
- General Correspondence
- D. J. Halpin
- G. C. McDonald
- C. P. Plaxton
- M. M. Porter
- J. M. Stewart
- Judge Tweedie

- Judge Dyar

Vol. 2

- Act -- 20-21 George V
- Act -- 21-22 George V
- Copies of Orders-in-Council, P. C. 1588 and P. C. 1653
- Copies of Order-in-Council, P. C. 124
- Extracts from Journals of the Legislative Assembly of Alberta relating to the Transfer of the Natural Resources
- Index to Proceedings
- Pamphlet on Return Re Transfer of Alberta's Natural Resources
- Proceedings of Alberta Resources Commission (Errata)
- Statements of Experience and Qualification of John Allan and N. C. Pitcher
- Annual Report of the Department of the Interior
- Report of the Transfer of Natural Resources of Manitoba
- Report of the Reconveyance of Land to British Columbia
- Memorandum re Brief on behalf of the Dominion
- Report on Natural Resources of Alberta
- Report of Royal Commission on Pulpwood
- Report of Alberta Coal Commission (1925)

ALBERTA RESOURCES COMMISSION

Note: - The letter "A" denotes the exhibits fyled by counsel for the Province of Alberta, and the letter "D" those fyled by counsel for the Dominion.

LIST OF EXHIBITS

VOL. 3

- 1-D Alienations of lands in Alberta, 1905-1930.
- 1-D (1) Statement, supplementary to 1-D, relative to lands retained for federal purposes.
- 1-D (2) Special Grants - An analysis of the total of 544,299 acres shown under 'Special Grants' on page 14 of 1-D.
- 1-D (3) Licenses of Occupation, etc. - Analysis of area (5,966 acres) shown on page 17 of Exhibit 1-D, indicating the purposes for which licenses of occupation and leases on patent form were issued.
- 2-D Land Balance Sheet - showing suggested adjustment of accounts as between the Dominion and the Province of Alberta.
- 3-D Expenditure - Statements relative to expenditure by the Department of the Interior in Alberta, 1905-1930, (see also 227-A, 244-A, 245-A and 248-D).
- 4-D School Lands - Statements showing: -
 - (1) Acreage sold and average price per acre, by years, to 30th September, 1930.
 - (2) Net receipts, by years, to 30th September, 1930.
 - (3) Income paid to the Province and the amount added to the School Lands Fund, by years.
 - (4) Administration costs, by years, from 1905 to 1930.
 - (5) Comparative statements with Manitoba and Saskatchewan: -
 - (a) Prior to 1st Sept. 1905:
 - (b) 1st Sept. 1905, to 30th Sept. 1930.
- 4-D (1) School Lands - Statement of cancelled sales, by years, to 30th September, 1930.

- 4-D (2) School Lands - Correspondence with reference to arrears and cancellations.
- 5-D Report on the administration of the Common School Lands, Ontario.
- 6-D "Western Canadian Farmers' Index" - A graph, with tabular statement attached, indicating the prices of wheat and other commodities, 1914-1933.
- 7-D Copy of article by Hon. J. E. Brownlee, on Alberta's natural resources.
- 8-D Extracts from annual reports of the Department of Agriculture, Alberta, 1910-1913, relative to the activity of the Alberta Government in promoting immigration.
- 9-D A comparison of the statutes and regulations for the administration of public lands (Alberta) as of September 30th, 1930, and as subsequent to that date.
- 10-D Extracts from Hansard and other sources. (Withdrawn and replaced by Exhibit 98-D).
- 11-D National Parks in Alberta - List of parks, including areas, dates of establishment, legislative authority, etc.
- 12-D Acreages held under grazing leases and the revenue received therefrom, 1905 to 1930.
- 13-D Water Administration in Alberta - Descriptive memorandum, including statements of revenue and expenditure.
- 14-D Statements relative to land policies in (a) Nova Scotia, (b) New Brunswick, (c) Quebec, (d) Ontario, and (e) British Columbia.
- 15-D Copy of agreement of August, 1931, between the Dominion and the Province of Alberta, relating to the transfer of records.
- 16-D Synopsis of mining legislation and regulations, as follows:-
- (a) Synopsis of legislation relating to coal.
 - (b) Synopsis of the several coal mining regulations approved by order-in-council.
 - (c) Synopsis of legislation - Mines and minerals.
- 17-D Mining - Memorandum as to dues and royalties waived, and reasons therefor; also covering exchanges or work credits.

- 18-D Mining - Statement on reasons for accumulation of arrears.
- 19-D Mining - Statement on seizure of payments made on account of rental to cover arrears.
- 20-D Extracts from Hansard and other sources, (withdrawn and replaced by Exhibit 98-D).
- 21-D Extracts from Hansard and other sources, (withdrawn and replaced by Exhibit 98-D).
- 22-A Statement showing alienations of lands for federal purposes, covering homesteads, pre-emptions, purchased homesteads, South African volunteer grants, soldier grants, R. N. W. M. P. scrip, military homesteads and free homesteads.
- 23-A Statement of lands in Alberta, other than National Parks and Indian Reserves, retained by Canada.

VOL. 4

- 24-A Statement of revenue from petroleum and natural gas leases, 1911 to 1930.
- 25-A School Lands - Statement of lands sold and cancellations made, to September 30th, 1930.
- 26-A Statement indicating the railways constructed in Manitoba, Saskatchewan, Alberta and British Columbia, for which land subsidies were granted by the Dominion Government. (See also 130-D).
- 27-A Details of Coal Leases - Including cash payments and revenues due, 1907 to 1930.
- 28-A Statement of land sales by railway companies and Hudson's Bay Company, 1893-1930.
- 29-A Graph indicating wheat acreages and yields in Alberta, 1926-1933.
- 30-A Crop share map of Alberta. (Map TRANSFERED)
- 31-A Wheat Yield Map of Western Canada, 1925-26. (Map TRANSFERED)
- 32-A Wheat Yield Map of Western Canada, 1926-27. (MAP TRANSFERED)
- 33-A Wheat Yield Map of Western Canada, 1927-28. (MAP TRANSFERED)
- 34-A Wheat Yield Map of Western Canada, 1928-29. (MAP TRANSFERED)
- 35-A Wheat Yield Map of Western Canada, 1929-30. (MAP TRANSFERED)

- 36-A Wheat Yield Map of Western Canada, 1930. (MAP TRANSFERED)
- 37-A Wheat Yield Map of Western Canada, 1931. (MAP TRANSFERED)
- 38-A Wheat Yield Map of Western Canada, 1932. (MAP TRANSFERED)
- 39-A Wheat Yield Map of Western Canada, 1933. (MAP TRANSFERED)
- 40-A Statement of revenues collected by Department of the Interior, in Alberta, 1905-1930, (see also 61-D).
- 41-A Statements of acreage, yield, production and price per bushel of Alberta wheat, oats, barley, flax and rye, 1906-1930, (see also 80-A).
- 42-A Map indicating the tract purchased by the Canadian North-West Irrigation Company in 1902. (MAP TRANSFERED)
- 43-D Sundry statistical statements relating to all nine Provinces, covering population, subsidies from Dominion, revenue from and expenditure on natural resources, with special statements of Alberta revenues, bonded debt, etc.
- 44-D Statement of Alberta's receipts from the Dominion on resources account, including amounts paid into the School Lands Endowment Fund, payments of School Lands revenue, and land subsidy payments, with capitalization figures.
- 45-D Seed Grain, Fodder and Relief Advances - Statement of account between Alberta and the Dominion.
- 46-A Department of Lands and Mines, Alberta - Statement of revenue and expenditure, October 1, 1930 to March 31, 1934.
- 47-A Destinations of immigrants into Canada, by provinces, 1906-1930.
- 48-A Second Homesteads - Statement of areas granted, cancelled, etc.
- 49-A Military Homesteads - Statement of areas granted, cancelled, etc.
- 50-A Soldier Grants - Statement of areas granted, cancelled, etc.
- 51-A South African Scrip - Statement of areas granted, cancelled, etc.
- 52-A R. N. W. M. P. Scrip - Statement of areas granted, cancelled, etc.
- 53-A Graph, indicating Alberta lumber production, rates of dues, and sales values, 1908-1930, (see also 230-D).

- 54-A Schedule of alienated under-rights in Alberta.
- 55-D Extracts from the report of the Saskatchewan Royal Commission on Immigration and Settlement, 1930.
- 56-D Memorandum on C. P. R. land subsidy (main line).
- 57-D Memorandum on the Manitoba South Western Colonization Railway land subsidy.
- 57-D (1) Plan showing the locations of the reservations made on account of the land subsidy grant of the Manitoba South Western Colonization Railway Company in the Province of Alberta, to which is attached a plan showing locations of lines of this Company's Railway on which the land subsidy was earned. (Supplementing Exhibit 57-D). (MAP TRANSFERED)
- 57-D (2) Statement on Manitoba South Western Colonization Railway Company's land subsidy. (Supplementing 57-D).
- 58-D Memorandum on the Calgary and Edmonton Railway land grant.
- 58-D (1) Plan showing locations of reservations made on account of the C. & E. Railway land subsidy. (Supplementing 58-D). (MAP TRANSFERED)
- 59-D Memorandum on the land subsidy to the Alberta Railway and Irrigation Company and its predecessor companies.
- 59-D (1) Map illustrating the land subsidy of the Alberta Railway and Irrigation Company. (Supplementing 59-D). (MAP TRANSFERED)

VOL. 5

- 60-D Statements of revestments and exchanges on railway land subsidy accounts.
- 61-D Statement of revenue collected from Dominion Lands in Alberta by Department of the Interior, 1905-1930. (See also 40-A and 186-D).
- 62-D Statement of Director of Forestry, Interior Department, re administration of forest resources, 1905-1930.
- 63-A Regulations for the sale, settlement, use and occupation of Dominion Lands in the Province of Manitoba, and the Northwest Territories.
- 64-A Memorandum re mines and minerals, by the Deputy Minister of Lands and Mines, Alberta.
- 65-A Schedule of uncollected royalties on coal mining operations.
- 66-A School Lands - Statement of sales transferred to the Province for administration. (See also 76-A and 99-A).

- 67-A Details of arrears of grazing lease rentals, 1906-1930, (withdrawn and replaced by Exhibit 105-A).
- 68-A Schedule re alienations of oil rights.
- 69-A Pre-emptions - Areas entered for, and areas cancelled.
- 70-A Purchased Homesteads - Areas entered for, and areas cancelled.
- 71-A Homesteads - Areas entered for, and areas cancelled.
- 72-A Railway Lands - Map of Alberta indicating the selection of tracts and the lands selected by various railways. (MAP TRANSFERED)
- 73-A Map indicating the railways built in Alberta before 1905, and the number of homestead entries by years, 1900-1905. (MAP TRANSFERED)
- 74-A Detailed list showing the disposition of odd-numbered sections in Alberta under the Dominion Lands Act, 1906. (See also map exhibits 113-A and 116-A).
- 75-A School Lands - Summary of sales, by years, held from ten to twenty-five years and transferred to the Province heavily in arrears but not cancelled as at March 31, 1934, showing the number of accounts and total amounts outstanding Sept. 30, 1930. (See also 97-A).
- 76-A School Lands - Summary of sales, by years, transferred to and cancelled by the Province prior to March 31, 1934, showing the number of accounts and total amounts outstanding as at Sept. 30, 1930. (See also 66-A and 99-A).
- 77-A School Lands - Schedule of sales cancelled and later resold to the same purchasers.
- 78-A School Lands - Schedule of sales cancelled by the Province between Sept. 30, 1930 and March 31, 1934, (see also 76-A, 161-A).
- 79-A School Lands - Schedule of sales transferred to the Province, not yet cancelled but heavily in arrears at the time of transfer, having been held for from ten to twenty-five years.
- 80-A Statement showing the average annual value per acre to the Alberta farmer of various crops, 1906-1930. (Supplementary to 41-A).
- 81-A Statement of timber materials authorized to be cut from Dominion Lands in Alberta under permit, by years, 1905-1930.

- 82-A Statement of timber materials marketed from Dominion Lands timber berths held under license and permit, by years, 1905-1930.
- 83-A Statement of timber disposed of by the Dominion in Alberta, by years, 1905-1930.
- 84-A School Lands - Detailed schedule showing the disposition of school lands, (see also 25-A).

VOL. 6

- 85-D Statement of expenditure on Canadian National Railways' branch line construction in Alberta, 1923 - 1932.
- 86-D Statement of expenditure on Hudson Bay Railway and Terminals.
- 87-D Brief history of debates and of petitions submitted to Parliament re the building of the Hudson Bay Railway.
- 88-D Statement on Hudson's Bay Company land administration.
- 89-D Statement on C. P. R. Company land administration.
- 90-D Statement on C. N. R. Company land administration.
- 91-D Statement on Manitoba Swamp Lands Commission land administration.
- 92-D Article from Calgary Albertan, May 18, 1926, "The Resources of an Empire", relating to development in Alberta.
- 93-A Letter of Sept. 29, 1934 to J. J. Frawley, K.C., from A. Newman, General Superintendent of Lands, C. P. R., Calgary, containing particulars of certain large land sales, 1903-1906.
- 94-D Graph indicating the relation of the growth of population to the number of homesteads patented in Alberta, 1905-1930.
- 95-D Statement re land sales by various companies, with corrections in the additions, and accompanying correspondence. (See also 28-A).
- 96-A Letter of Oct. 5, 1934, to J. J. Frawley, K.C., from A. Newman, General Superintendent of Lands, C. P. R., Calgary, re certain large land sales in Alberta, 1903-1906, (see, also map 109-A).
- 97-A School Lands - List of typical sales transferred to the Province, held by purchasers for at least ten years prior to the transfer, few payments, if any, having been made since the purchase. (See also 75-A).

- 98-D Extracts from Hansard and other sources, (embodies all material originally submitted in 10-D, 20-D, and 21-D).
- 99-A School Lands - Detailed list of sales still in force as at March 31, 1934, showing amount owing on each sale as at Sept. 30, 1934, (see also 66-A, 76-A and 165-A).
- 100-A School Lands - Statement re crop assignments obtained from purchasers whose accounts were in arrears.
- 101-A School Lands - Statement of number of grazing permits issued on school lands by the Province since the transfer of resources, including also a statement of acreages under permit.
- 102-A Statement re cultivation leases issued by Alberta, 1932-1934.
- 103-A Grazing Lands - Statement showing the number and sizes of grazing leases issued by the Dominion Government for from 10 to 21 years.
- 104-A Statement of revenue received from moneys paid on account of improvements, 1931-1934.
- 105-A Grazing Lands - Statement of rentals on grazing leases, 1905-1930, (replaces Exhibit 67-A).
- 106-A Statement showing amount expended by the Province of Alberta on education, from 1905 to 1930, over and above revenue received from the School Land Fund, for the same period.
- 107-A Information compiled from the records of the Department of Municipal Affairs, Alberta, relative to crop lease returns on Tax Recovery Branch Lands, 1927 to 1930.
- 108-A Settlement Map of Western Canada, 1905, showing disposition of even-numbered sections.
- 109-A Map indicating the locations of certain large sales of railway lands in Alberta, sold before 1905. (See also 96-A). (MAP TRANSFERED)
- 110-A Series of extracts from Hansard re western land values, settlement conditions, etc., in and about 1905.
- 111-A Series of Hansard extracts re Alberta Act of 1905.
- 112-A Special edition of the Western Canada Settlement Map indicating even-numbered sections finally disposed of up to January 1, 1908.
- 113-A Small key map of Alberta showing the method of disposal of the odd sections by townships under the Dominion Lands Act, 1908, (supplementing 74-A).

- 114-A Map of Alberta showing the situation with respect to the alienation of Alberta's resources, as at the time of transfer.
- 115-A Map combining sectional map No. 5, and sectional map No. 6, of the Canadian Pacific Railway Company showing C. P. R. land sales as at March, 1909.
- 116-A Map of Alberta in three sections, showing, by townships the methods of disposal of the odd sections under the Dominion Lands Act, 1908. (See also 74-A).
- 117-A Copy of the Index to Townships Map of Western Canada showing the townships for which plans have been issued, and the boundaries of the pre-emption and purchased homestead area.
- 118-A Series of extracts from letters from the Inspector of Revenue, Department of Lands and Mines, Edmonton, reporting on the trend of land values in Alberta between 1905 and 1908.

VOL. 7

- 119-A Series of Hansard extracts re pre-emption lands.
- 120-D Statement of supplementary revenue derived from the sale of townsite lands to the Grand Trunk Pacific Development Company.
- 121-A Series of seven township plans illustrating the disposal, under the 1908 Act, of lands as free or purchased homesteads, etc., which were completely surrounded by settlement. (MAPS TRANSFERED)
- 122-A Series of Hansard extracts relative to South African volunteer grants.
- 123-A Schedule of grazing leases in Alberta exceeding 25,000 acres each, granted by the Department of the Interior.
- 124-D North West Half Breed Scrip - Memorandum with copies of orders-in-council, etc.
- 124-D (1) North West Half Breed Scrip - Statement showing particulars of scrip issued since September 1st, 1905, and redeemed in Alberta, covering 69,976 acres.
- 124-D (2) Statement and map indicating the territories in Manitoba, Saskatchewan and Alberta affected by the several Indian treaties. (MAP TRANSFERED)
- 125-D Surveys - Statement of cost of surveys in Alberta from 1870 to 1905.
- 126-D Alberta Branch Line Bonds - Statement from Department of Railways and Canals showing provincial guarantees on branch lines taken over by the Dominion in the Province of Alberta.

- 127-D Letter relating to the action taken by the Province of Alberta in connection with arrears on school land sales, bonus allowed, etc.
- 128-D Extract with reference to grazing, from report of Alberta Department of Lands and Mines.
- 129-D Extract with reference to purchased homesteads and pre-emptions, from report of Alberta Department of Lands and Mines.
- 130-D Statement showing railways constructed and land subsidies earned and granted in the Prairie Provinces, paralleling Exhibit 26-A filed by the Province, with copy of Order in Council of 20th May, 1890 (P.C. 863).
- 131-D Memorandum and cognate papers re Canadian Pacific Railway Company (Pipestone Extension) land subsidy.
- 132-D Statement from the Dominion Bureau of Statistics relative to the method of determining the dates on which the population of Alberta will probably reach points at which the higher subsidies become payable.
- 133-D Copy of agreement of January 9th, 1926 between the Dominion and the Province of Alberta on the subject of transfer to the Province of its natural resources, and copies of cognate correspondence.
- 134-D Analysis of "Sales" in Alberta, other than pre-emptions and purchased homesteads.
- 135-A Statement re South African Volunteer Bounty Land Scrip.
- 136-D South African Volunteer Grants - Statement showing the text of the resolution of the Territorial Legislature, 1901, and particulars of enlistments.
- 136-D (1) South African Volunteer Bounty Grants - Statement showing the number of cases in which a cash settlement of \$500 was accepted.
- 137-A Petroleum and Natural Gas - Statement of area under leases as at October 1, 1930, together with subsequent cancellations and leases granted by the Province, and total area under lease as at August 31st, 1931.
- 138-A Petroleum - Statement relative to Turner Valley oil production, (see also 219-A).

- 139-A Statement showing expenditure in Improvement Districts for roads, bridges, and ferries, from local taxation funds, for the period 1905-1930.
- 140-A Statement of expenditures on roads, bridges and ferries by the Province of Alberta, 1905-1930/31.
- 141-A Comparative statement of revenue from School Lands, and from School Grants paid by the Province, 1905-1933/34.
- 142-A Statement of revenue and expenditure, Alberta Department of Lands and Mines, October 1, 1930 - March 31, 1934.
- 143-A Statement showing debenture debt of schools in Alberta as at December 31st, 1933.
- 144-A Grazing - Copy of letter dated 21 September, 1934, relative to grazing leases in the southern part of Alberta and the value of grazing lands.
- 145-A Petroleum - Statement from Canadian Pacific Railway Company respecting petroleum royalty rates.
- 146-A Petroleum - Canadian Pacific Railway Company regulations for the disposal of petroleum rights.
- 147-A Petroleum - Statement from Messrs. Osler, Hammond & Manton Ltd., respecting petroleum royalty rates.
- 148-A Petroleum - Statement from the Hudson's Bay Co. respecting petroleum royalty rates.
- 149-A Petroleum - Form of lease used by the Hudson's Bay Co. in leasing petroleum and natural gas rights.
- 150-A Petroleum - Specimen of lease used by the Calgary & Edmonton Land Co., Limited, in leasing petroleum rights.
- 151-A Petroleum - Statement of bounties paid in Canada on crude petroleum, by fiscal years.
- 152-D Text of the Speech from the Throne, and of a Petition of the Saskatchewan Legislature (1918).
- 153-D Extract from Premier Haultain's proposed Autonomy Bill, 1904.
- 154-D Evidence of Sheriff Howe before the Saskatchewan Resources Commission.

- 155-D Evidence of Frank Russell, Esq., before the Saskatchewan Resources Commission.
- 156-D Act, 14-15 Geo. V., Ch. 48, containing an agreement between the Dominion and the Province of Ontario respecting Indian Reserve lands.
- 157-D Statement respecting the Hudson's Bay Company lands in Alberta.
- 158-A Statement and map of lands granted to South African volunteers, taken up by substitutes or by volunteers themselves, in the Lethbridge and Grand Prairie land districts. (MAP TRANSFERED)
- 159-A Statement of prices realized by the Soldier Settlement Board from lands taken over from leaseholders, from salvage operations, etc.
-
- VOL. 8 160-A School Lands - Analysis of sales cancelled by the Dominion, by years, 1905-1930.
- 161-A School Lands - Summary showing the net sale price, arrears of principal transferred, and arrears of interest transferred, relative to school land sales cancelled by the Province between September 30, 1930 and March 31st, 1934, (see also 76-A).
- 162-A School Lands - Statement of net sales, and analysis of same as at September 30, 1930.
- 163-A School Lands - Statement showing the number of years during which sales were allowed to run before cancellation.
- 164-A School Lands - Analysis of interest charged on school land sales, 1905 to 1930.
- 165-A School Lands - Summary of sales still in force as at March 31, 1934, showing amounts of arrears of interest and principal, (see also 99-A).
- 166-A School Lands - Statement showing payments of principal and interest, on a basis of annual rental per acre, from date of sale to Sept. 30, 1930, (see also Exhibit 76-A).
- 167-A Timber - Statement of the total cut of timber disposed of by the Dominion in Alberta, 1905 to 1930, by different forms of timber alienation, (see also 217-D).
- 168-A Timber - Statement of timber disposed of by the Dominion in Alberta, from cordwood berths, by years, 1905 to 1930.
- 169-A Timber - Statement of timber disposed of by the Dominion in Alberta, from fire-killed berths, 1905 to 1930, by years.

- 170-A Timber - Statement of timber disposed of by the Dominion in Alberta, from licensed timber berths, 1905 to 1930, by years.
- 171-A Timber - Statement of timber disposed of by the Dominion in Alberta, from permit timber berths and portable saw-mill berths, 1905 to 1930, by years.
- 172-A Timber - Statement of fire-killed timber berths disposed of by the Dominion in Alberta, by berth numbers, etc.
- 173-A Timber - Statement of timber material disposed of in Alberta by the Dominion, by fiscal years, 1905 to 1930, under various types of berths.
- 174-A Timber - Statement of ties cut in forest reserves in Alberta, 1912 to 1930.
- 175-A Timber - Statement of all cutting operations on timber sales in forest reserves in Alberta, 1912 to 1930.
- 176-A Timber - Statement of production and of trade prices, for lumber and mill products, Alberta, 1905 - 1930, (see also 217-D).
- 177-A Timber - Report of the Royal Commission on Pulpwood, 1924.
- 178-A Petroleum - List of companies drilling for petroleum and natural gas in Alberta, 1921.
- 179-A Petroleum - Memorandum by Mr. H. H. Rowatt re petroleum and natural gas regulations.
- 180-A Petroleum - Schedule of Turner Valley leases.
- 181-A A trade review relative to the effect of western development upon the development of Canada as a whole, with statistics of provincial expenditures, etc.
- 182-D Statement of expenditure of the federal Department of Public Works, relative to natural resources administration in Alberta, 1905-1930.
- 183-D Comparison of Dominion and Alberta administration with respect to land patents, grazing, mining, and school lands.
- 184-D Statement, with map attached, respecting land valuation by Seed Grain Adjustment Boards. (MAP TRANSFERED)
- 185-D Statement of land subsidies paid to Alberta, by fiscal years, and of capitalized values as of various dates and at different rates of interest.

- 186-D Analysis of the item "Refunds" in the revenue statement filed as Exhibit 61-D.
- 187-A List of wells in process of drilling in Alberta, 1930 - 1934.
- 188-A Comparison of federal and provincial resources administration in Alberta, (see also 233-D).
- 189-A Statement of the estimated areas in Alberta, included in Municipal and Improvement Districts.
- 190-A Statement of farm holdings, by sizes, in the Province of Alberta.
- 191-A Land Alienations - Statement of the alienation of odd-numbered sections, by types of entry, from 1st September 1908, to 30th September 1930.
- 192-A Petroleum - Statement of drilling credits applied as rental on leases issued by the Dominion and by the Province from September 1st, 1930, to October 31st, 1934.
- 193-A Petroleum - Statement showing petroleum and natural gas revenue on leases issued by the Dominion and by the Province, collected by the Province since September 30, 1930.
- 194-A Statement of sales of non-irrigable lands in Alberta by the A. R. & I. Company.
- 195-A Petroleum - Statement of wells drilled in Alberta, including the number of wells and acreage on (a) Crown lands, (b) alienated lands.
- 196-A Petroleum - Statement of wells drilled on and in vicinity of North West Irrigation Company's lands.
- 197-D Statements respecting provincial resources administration 1930-1934, showing cancellations, patents, and entries re homesteads, second homesteads, soldier grants, pre-emptions, purchased homesteads, etc.
- 198-A Photostat plan relative to the method by which applications were made under the Petroleum and Natural Gas regulations of the Department of the Interior.
- 199-A Coal - Statement showing sales of coal rights in Alberta after August 31st, 1905.

- 200-A Coal - Memorandum, with maps attached, on Alberta coal lands, prepared by Dr. J. A. Allan and Professor Pitcher, (see also 229-A).
- 201-A Coal - Graph showing the output of coal from Alberta mines from 1901 to 1910, with projected curve indicating probable future output.
- 202-A Coal - Memorandum dealing with the administration of the coal mining regulations made by the Department of the Interior, particularly as to the conservation of coal.
- 203-A Coal - Motion in the Alberta Legislature regarding the further alienation of coal lands.
- 204-A Timber - Statement relating to license timber berth No. 2072.
- 205-A Petroleum - Statement of Turner Valley well completions on Crown lands.
- 206-A Petroleum - Memorandum re the application of credit in satisfaction of rental of leases remote from the location of the operations.
- 207-A Statement showing the relationship of the subsidy in lieu of lands to the ordinary or income expenditure of the Province of Alberta during the period September 1, 1905 to March 31, 1930.

(MAPS TRANSFERED)

VOL. 9

- 208-A Statement of receipts and payments of the Province of Alberta, September 1, 1905, to December 31, 1910.
- 209-D Statement relative to the issue of scrip, grants or warrants, in respect of military homesteads, military bounty grants and North West Mounted Police grants patented in Alberta 1905-1930, (see also 1-D page 31).
- 210-D Statement by the Director of Forestry, Interior Department, outlining the federal organization for forestry in Alberta, prior to transfer of the natural resources.
- 211-A Schedule of patents issued for minerals with reservation having been made for the payment of royalty.
- 212-A Coal - Statement of total sales and total production of coal in Alberta, 1905-1930.
- 213-A Timber - Statement showing, by years, the lumber produced from cordwood berths, fire-killed berths, permit berths, and licensed berths, from 1905 to 1930.

- 214-A Petroleum - Operations in Turner Valley for which credit was granted between 1925 and 1930.
- 215-A Statement of minerals conveyed by patent in excess of terms of sale.
- 216-A Petroleum - Copy of indenture re the transfer of certain petroleum leases.
- 217-D Timber - Report of the Department of Interior on Exhibits 167 to 176, inclusive.
- 218-A Petroleum - Memorandum on the subject of credits for expenditures incurred under the Petroleum and Natural Gas Regulations.
- 219-A Petroleum - Statement showing naphtha and oil production on Crown lands, and the additional royalty which could have been collected on a 10% basis, from January 1st, 1926 to August 31st, 1934, (recapitulation of 136-A).
- 220-A Timber - Comparative revenue and average price, per thousand feet, on timber manufactured and sold from licensed berths, permit berths, fire-killed berths and cordwood berths from 1st Sept., 1905 to 30th Sept., 1930.
- 221-A Coal - Statement showing certain coal leases badly in arrears as at Sept. 30th, 1930.
- 222-A Coal - Statement showing rentals waived, under the provisions of the coal mining regulations, on leases situated in the Province of Alberta.
- 223-A Petroleum - Operations on alienated lands (excluding Turner Valley area) for which credits were granted between 1925 and 1930.
- 224-A Minerals - Memoranda and correspondence re the land grants, and minerals rights on such lands, in connection with the North West Coal and Navigation Company, and the Alberta Railway and Coal Company.
- 225-A Petroleum - Memoranda re certain petroleum and natural gas leases.
- 226-A Letter and memoranda from Messrs. Oeler, Hammond & Manton, Winnipeg, to M. M. Porter, K.C., re land sales, including Calgary and Edmonton Land Company sales.
- 227-A Timber - Extracts from various publications re forestry, (see also 248-D).
- 228-A Report on lands sold containing bituminous sand deposits. (MAP TRANSFERED)

- 229-A Coal - Map of Alberta indicating the main coal areas and the principal areas of coal land sold, (supplementing Exhibit 200-A).
- 230-D Timber - Report on Exhibit 53-A.
- 231-A Coal - A map showing the disposal of under-rights, and the location of coal mines, in Alberta.
- 232-D Statement of estimated losses and profits of the Soldier Settlement Board with reference to Dominion lands in Alberta.
- 233-D Timber - Statement prepared by the Director of Forestry, Department of the Interior, re Exhibit 188-A.
- 234-A Statement from the Hudson's Bay Company respecting the sale of lands.
- 235-A Statement relative to Indian lands surrendered and sold in Alberta between 1905 and 1930.
- 236-A School Lands - Plans illustrating typical cases of utilisation of school lands without compensation, (grazing areas).
- 237-A School Lands - Statement showing the rent per acre per annum on school lands on the basis of cash actually received, both principal and interest.
- 238-A Statement of railway guarantees, and of losses on the operation and sale of railways, Province of Alberta.
- 239-D Timber - Statement relative to forest fires in Alberta, 1918-1930.
- 240-A Photostat reproduction of Half Breed Scrip.
- 241-A Report of Alberta Coal Commission, 1925.
- 242-A Two maps showing Hudson's Bay Company land for sale and for lease. (MAP TRANSFERED)
- 243-D Comparative summary statement of expenditure from 1905 to 1930, making allowances for deductions as claimed by Alberta and as conceded by Dominion, (see also 3-D and 245-A).
- 244-A Statement of Dominion expenditures as per Exhibit 3-D, eliminating expenditures which would not have been incurred under provincial administration, (see also 3-D, and 247-D).

- 244-A (1) Summary of Dominion expenditures on water resources (Department of the Interior) from 1905 to 1930, after deductions have been made.
- 245-A Estimated expenditure by Alberta as compared with actual expenditures claimed by the Dominion for the period 1905-1930, (see also 3-D).
- 246-A Statement of C.P.R. sales of agricultural land grants.
- 247-D Statement respecting Exhibit 244-A, relating to the statement of Dominion expenditures as per Exhibit 3-D, eliminating expenditures which would not have been incurred under provincial administration.
- 248-D Memorandum re Dominion expenditures on the Rocky Mountains Forest Reserve, dealing in particular with Exhibit 227-A, and in general with points raised by the Province in connection with watershed protection, (see also 3-D and 227-A).
- 249-A Statement of subsidies, in lieu of lands, paid to the Province of Manitoba to September 30th, 1930.
- 250-D Written argument on the question whether the rights of the Dominion in the waters within the Province passed to the Province under the terms of the Alberta Resources Transfer Agreement.
- 250-D (1) Extracts from English decisions on the interpretation of special Acts authorising water companies or Commissioners "to take, use and appropriate" specified streams or other waters.
- ~~251-D Brief on behalf of the Dominion of Canada. (MISSING)~~
- 252-D Memoranda relating to Exhibits 244-A and 245-A. (MAP TRANSFERED)
- 253-D Memorandum by Mr. F. H. Peters, Surveyor General, relative to the claims of the province in regard to surveys as set forth in Exhibit 244-A. (MISSING)
- 254-D Copies of statements prepared by the Departments of Agriculture, Royal Canadian Mounted Police, Indian Affairs and National Revenue, showing the opinions of departmental officers with regard to various parcels of land in Alberta which have been shown in Exhibits 1-D and 1-D (1) as retained for Federal purposes.
- 255-D Material relative to sale of land in Alberta to Alberta Railway and Irrigation Company, formerly Canadian North West Irrigation Company.

Hearings:Vol. 10

- 14 Aug. 1934
- 2, 3, 16 - 19 Oct. 1934
- 21, 23 Nov. 1934
- 4 - 8, 11 Dec. 1934

Note: All hearings were held in Ottawa.
