

**FINDING AID:** 43-4

**RECORD GROUP:** RG 43 - Records of the Department of Railways and Canals

**SERIES:** A-II-1 - Railway Branch Records, Registers and Indexes, Journals, 1879-1906

**VOLUMES:** 42-158

**REELS:** T-7351-7364

**DESCRIPTION:** The finding aid consists of a subject list arranged in consecutive order of subject number, and a microfilm conversion list.

**INSTRUCTIONS:** All correspondence either received or sent by the Railways and Canals was registered with a consecutive letter number and organized by subject number, that is, each piece of correspondence relevant to an individual railway company was registered under a subject number where all the correspondence concerning that railway could be found. This finding aid sets out in consecutive order the subject numbers for the railways together within the corresponding volume and page numbers where the documentation is located. The second list supplies the microfilm conversion for the volume numbers.

**DATE:** January 1988
