

FINDING AID: 66-20

RECORD GROUP: RG 66 - Canada Ports Corporation

SERIES: A-4 - National Harbours Board, Submissions by Ports to the National Harbours Commission, 1970-1981

VOLUMES: 107 to 114

DESCRIPTION: This accession consists entirely of submissions made to the board by the various ports which fell under its authority. The documentation consists of submission for Board approval forms (WHB-17), which are arranged chronologically by individual port. Subject of the submissions pertain to lease, contracts and agreements and agreements, the construction, repair and maintenance, and extension of labour facilities (such as grain elevators, container terminals, and pier extensions), port organization changes as well as many other administrative and operational matters.

The finding aid is a verified file list indicating volume number, file number, file title, etc. etc.

DATE: February 1990
