

Finding Aid: 76-40

Record Group: 76 (Immigration)

Series: C 4 -- Juvenile Immigration: List of Ships' Manifests Listing Juvenile Immigrant Groups, 1870-1899.

Microfilm Reel Range: Lists selected manifests appearing on reels C-4511 to C-4542 (Quebec, 1865-1899) and Halifax (1880-1899).

Type of Finding Aid: SPECIAL FINDING AID

Description: This is a partial list of ship manifests bearing names of organized child immigrant groups arriving in Canada from Britain through the ports of Quebec (1865-1899) and Halifax (1880-1899). The list was prepared by the National Archives from the Ship Notifications, which are described under FA 76-30.

The 9-page list includes about 180 ships, and is in chronological order by date of ship arrival. Each entry states the nature of the group ("children", "boys", "girls", or name of sponsoring organization), the date and port of departure, the date and port of arrival, the ship name, and the microfilm reel number of the relevant manifest in RG 76, series C 1.

Instructions: The microfilm reel numbers can be used to locate the ships' manifests on the NA self-serve shelves, or borrowed via the interlibrary loan system.

Related Finding Aids: A more complete version of this list for the period 1865-1918 is in preparation; see the coversheet for FA 76-26 for further information.

For other indexes to child immigration, see FAs 76-38 and 76-39.
