

FINDING AID: ^B 85-10 (Part 3)

RECORD GROUP: RG 85 Records of the Northern Affairs Program

SERIES: A.1.b. Mineral Assignments, vols. 1964-1972
Part 3 Assignments 8288-12620, vol.
1966.

DESCRIPTION: The finding aid is a list of assignment numbers, date, assignor and assignee, interest or property conveyed, and the relevant file number (if any).

INSTRUCTIONS: This mineral assignment list was prepared by the departmental officials responsible for the system and provides information about all assignments issued, including those not transferred to the National Archives. It is necessary to refer to the Index to Assignments (FA 85-10 part 7) to ascertain whether a particular assignment is held in the series and if so the volume in which it is located.
