

Volumes 11448-11613

RG no	Mikan No.	Volume	title	Scope and Content	Dates
RG30	180425		Records of CN Headquarters	sub-series 1 (11548-11474): Operation and Construction Department activities from the 1920s-1950s.	
RG30				Sub-series 2 (Vols. 11475-11488) CN Mechanical (or Motive Power) Department	
RG30				Sub-series 3: (Volumes 11489-11520): Miscellaneous records on various operations, including budgets and branch lines	
RG30				Subseries 4: (Volumes 11520-11529) Canadian National Railways services in Newfoundland 1949-1960	
RG30				Additional records of interest in other sub-series: 1. original land deeds for areas of St. Anne's Ward (Griffintown) in Montreal, dating from 1825-1912 (Vols. 11598-11600). 2. original share transfers and cancelled bonds for the Montreal and Champlain Railroad, 1850s-1860s (Vol. 11577) 3. cancelled bonds for various railways, including Grand Trunk, St. Clair Tunnel Company, Canadian Northern Railway, Galt and Guelph Railway, and Midland Railway (Vol. 11584), 1850s - 1919. 4. agreements and leases, mostly between Canadian Northern Railway and various individuals and companies (1899-1920) (Vol. 11594-11597).	
RG30	5776177	11448-11474	Operation and Construction Department records		1911-1959
RG30	5776177	11448	Repairs to Masonry, Concrete bridges, underpasses, culverts, cattle passes, and stockyards	Files contain textual and related records for various railway structures (primarily bridges) on the Prairie provinces, Ontario, and Quebec	1928-1958
RG30	5776177	11449-11451	Victoria Bridge records	Files contain textual and related records for the Victoria Bridge in Montreal, including toll rates, capacity traffic, conditions, and bridge plans	1926-1958
RG30	5776177	11451-11452	Quebec Bridge records	Files contain textual and related records for the Quebec Bridge in Quebec City, including bridge plans and repairs	1925-1948

Volumes 11448-11613

FA 30-196

RG no	Mikan No.	Volume	title	Scope and Content	Dates
RG30	5776177	11452	Miscellaneous Quebec bridge records	Files include records for the following bridges: Bout de L'isle, Laurier, Charlemagne, in Montreal and St. Anne's bridge over the Ottawa River on the Cornwall subdivision	1919-1947
RG30	5776177	11453-11454	Miscellaneous bridge records	Files include records relating to the dismantling of bridges (Jasper), the use of abandoned lines for highways, and combining vehicle traffic in places such as Jasper, New Westminster Fraser River Bridge, Halifax Dartmouth Bridge, Rainy River, Grand Narrows Nova Scotia, and St. Charles River bridge at Quebec City, Ottawa's Laurier Bridge, Blue Island Illinois, Campbelton New Brunswick, and Cape Porcupine/Port Hastings and Strait of Canso Bridge	1919-1953
RG30	5776177	11455-11456	Canso Bridge and causeway records	Files include records relating to ape Porcupine/Port Hastings and Strait of Canso Bridge and the Canso Causeway, including records on opening ceremonies	1949-1955
RG30	5776177	11456	Miscellaneous bridge records in Ontario	Volume includes records relating to the bridge between Sarnia and Port Huron, Tantramar River Bridge project, Ottawa bridge over Rideau River, Smiths Falls Swing bridge	1929-1959
RG30	5776177	11457	Miscellaneous bridge records	Volume includes records relating to Montreal Terminals bridges, Chicago bridges, bridge over Saskatchewan river at The Pas, reconstruction of bridge at mile 50.4 on Gladstone subdivision, new highway bridge over Niagara River at Niagara falls, pedestrian suspension bridge at Riviere du Loup, bridge over North Saskatchewan River at Prince Albert, Richlieu River bridge at Beloeil, repairs to Detroit bridges, trestle bridges on the kinghorn and dorion subdivisions (including 29 photos of log jams near bridges)	1911-1955
RG30	5776177	11461	Miscellaneous bridge records	Volume includes records for overhead bridges at: Kingsbury Indiana, Galt, St Catharines, Fergus and Guelph-Eramosa, Ontario and Isle Birgras, Richmond, Quebec, and footbridge at Halifax, NS; also, records for subway at St. Jean Chrysostome, St Flore, Quebec; and reconstruction of subway on Midland Subdivision at Milepost 468	
RG30	5776177	11462	Miscellaneous Bridge records	Volume includes records relating to Granby bridge, Prince George bridge over the Fraser River, Vancouver Marpole bridge over the arm of the Fraser River, International bridge between Fort Erie and Black Rock, report and plans for proposed bridge over the St. John New Brunswick harbour	1945-1957

Volumes 11448-11613

FA 30-196

RG no	Mikan No.	Volume	title	Scope and Content	Dates
RG30	5776177	11463	Miscellaneous Bridge records	Volume includes records relating to the St. Zotique River bridge at Cornwall, fabricated railway bridges, bridge at Fort William crossing the Neebing River, bridge over long lake creek on Maynooth Subdivision, bridge over the Red River on 3 Hills Subdivision (with photos of damage)	1948-1955
RG30	5776177	11464	Miscellaneous Bridge records	Volume includes records relating to Brantford bridge over canal at Greenwich Street, Vancouver's Granville Street Bridge, Sudbury subdivision over Elbow Creek, blueprint for trestle for Otis Elevator in Hamilton, Gararaska River bridge in Port Hope, bridges over Welland Ship Canal, bridge over Rideau Canal at Chaffey's Locks, overhead bridges at Algonquin subdivision, stamford Ontario, Moncton New Brunswick, Prince Albert Sask, Redberry Sask,	1930-1958
RG30	5776177	11465-11469	Miscellaneous Overhead Bridge records	Volume includes files relating to overheard bridges at Leitches Creek in the Sydney Subdivision, Bala Subdivision, Brazeau subdivision, Drumheller Subdivision, Etobicoke township and Brampton Subdivision, Fraser Subdivision, Skeena Subdivision and at Mowat, Port Arthur, Ontario and Rogers Road in Toronto and Roncesvalles Avenue, Lakeshore Road at Sunnyside; Ottawa Mackenzie King bridge; Lulu Island, B.C.; Saginaw, Michigan; and also some records on the construction of sub-ways such as at Portage Avenue in Winnipeg.	1910-1958
RG30	5776177	11470-11473	Miscellaneous Subway records	Volume includes files relating to below grade sub-ways in Halifax and Petit Metis, Quebec and under the Lachine Canal and also Brandon Manitoba at First Street, and the proposed construction of underground subways in Toronto and Scarborough at Wardell Avenue and Woodbine Avenue and Davenport Road, and double track tunnel between Port Huran Michigan and Sarnia Ontario; also some grade separation records and records on the Edsel Ford Expressway in Detroit Michigan	1911-1958
RG30	5776177	11474	Miscellaneous construction records	Volume includes files on subways in Limolou and Mont Joli, Quebec, Saskatoon, Saskatchewan; also, establishment of perishable foods terminal in Montreal; warehousing facilities at various distribution points; operation of warehouses in Sudbury and North Bay; cold storage plant in Bonaventure-Clouston area of Montreal	1922-1957

Volumes 11448-11613

RG no	Mikan No.	Volume	title	Scope and Content	Dates
RG30	5776178	11475-11488	CN Mechanical (or Motive Power) Department locomotive specifications	Specification data for locomotives with original number, sometimes also a renumbered one, covering generally their period of operations, from when they were built until they were retired	1898-1957, 1914-1950 predominant
RG30	5776178	11475	Specification data for locomotives operated by Canadian National Railways	Data is for locomotives 45, 46, 48, 50, 80-88, 90-94, 593, 674, 689, 692, 713, 1009, 1012, 1017-1018, 1119-1164, 1278-1287, 1308-1389	1898-1957
RG30	5776178	11476	Specification data for locomotives operated by Canadian National Railways	Data is for locomotives 1390 to 2363	1910-1957
RG30	5776178	11477	Specification data for locomotives operated by Canadian National Railways	Data is for locomotives 2364-2510	1915-1957
RG30	5776178	11478	Specification data for locomotives operated by Canadian National Railways	Data is for locomotives 2511-2639	1908-1957
RG30	5776178	11479	Specification data for locomotives operated by Canadian National Railways	Data is for locomotives 2640-2766	1906-1956
RG30	5776178	11480	Specification data for locomotives operated by Canadian National Railways	Data is for locomotives 2800-3259	1906-1959
RG30	5776178	11481	Specification data for locomotives operated by Canadian National Railways	Data is for locomotives 3260-3369	1917-1957
RG30	5776178	11482	Specification data for locomotives operated by Canadian National Railways	Data is for locomotives 3370-3474	1913-1957
RG30	5776178	11483	Specification data for locomotives operated by Canadian National Railways	Data is for locomotives 3475-3599	1913-1957
RG30	5776178	11484	Specification data for locomotives operated by Canadian National Railways	Data is for locomotives 3702-3757	1918-1956
RG30	5776178	11485	Specification data for locomotives operated by Canadian National Railways	Data is for locomotives 3801-4332	1916-1955
RG30	5776178	11486	Specification data for locomotives operated by Canadian National Railways	Data is for locomotives 5000-5120	1913-1957
RG30	5776178	11487	Specification data for locomotives operated by Canadian National Railways	Data is for locomotives 5121-5558	1911-1957

Volumes 11448-11613

RG no	Mikan No.	Volume	title	Scope and Content	Dates
RG30	5776178	11488	Specification data for locomotives operated by Canadian National Railways	Data is for locomotives 5560-5609 and 210 and 214	1910-1957
RG30	5776179	11489-11520	Miscellaneous records relating to various operations, including budgets and branch lines		1911-1962
RG30	5776179	11489	Miscellaneous records relating to various operations, including budgets and branch lines	Volume contains files relating to proposed railway from Prince George to Alaska, proposed extension of line to mining region in mining region of Ungava, Pembina Oil Field development near Rocky Mountain House, Bartibog line to Heath Steel Mines, Branch line to Forestburg collieries	1942-1958
RG30	5776179	11489	Miscellaneous records relating to various operations, including budgets and branch lines	Volume contains files relating to branch line to Forestburg collieries, branch line to Rouyn-Noranda, application buy 14 miles of CPR line from Alberta Coal Company. Also Monthly operating budgets March-December 1957 and mini 1958 budget	1951-1958
RG30	5776179	11490-11498	Miscellaneous records relating to various operations, including budgets and branch lines	Monthly and Year operating budgets	1958-1960
RG30	5776179	11498	Miscellaneous records relating to various operations, including budgets and branch lines	Northern Alberta Railways Budget	1955-1957
RG30	5776179	11498-11500	Miscellaneous records relating to various operations, including budgets and branch lines	Capital budgets	1953-1958
RG30	5776179	11500	Miscellaneous records relating to various operations, including budgets and branch lines	Capital budgets, charts	
RG30	5776179	11500-11501	Miscellaneous records relating to various operations, including budgets and branch lines	Central vermont railway centennial, headquarters departmental budgeting, R.C. Vaughan retirement dinner, Quetico Superior International Peace Memorial Forest, financial assistance to railways in emergencies, visits of United Nations Fellows, Dickson F Glass Goodwill Tours, Hudson Bay Railway data with respect to frozen ground	1945-1959
RG30	5776179	11502	Miscellaneous records relating to various operations, including budgets and branch lines	Includes files on list of committees functioning at headquarters ottawa transportation facilities, New Glasgow historical cemetery, standard railway equipment co of chicago, european trips, soldiers reading material, railroad repairing and building facts, signal department organisation and manual	1949-1962

Volumes 11448-11613

FA 30-196

RG no	Mikan No.	Volume	title	Scope and Content	Dates
RG30	5776179	11503	Miscellaneous records relating to various operations, including budgets and branch lines	CNR and GTR Systems Rules and Regulations and circular letters, literature describing new coaches, newspaper clippings, Elliott proposition on shop production, organization charts, CNR reorganization and operating statistics	1937-1962
RG30	5776179	11504	Miscellaneous records relating to various operations, including budgets and branch lines	Includes files on senate committee on railway situation, amalgamation of CNR and CPR telegraphs, reorganization of Atlantic Region subdivision, car department employees transfer from Stratford to London, transfer of divisional HQ from Cochrane to Senneterre, establishment of divisional HQ at Prince George, move of Brockville terminal to new location, extension of limits of Ottawa Terminals	1926-1961
RG30	5776179	11505	Miscellaneous records relating to various operations, including budgets and branch lines	Includes files on Museum Train and old equipment, Montreal Stock Yards Company annual reports	1928-1960
RG30	5776179	11506	Miscellaneous records relating to various operations, including budgets and branch lines	Includes files on International Bridge Company, St. Clair Tunnel operations, National terminals of Canada, Montreal Warehousing Company, Quebec Harbour Commissioners at Wolfe Cove, Quebec	1930-1958
RG30	5776179	11507-11508	Miscellaneous records relating to various operations, including budgets and branch lines	Includes files on purchases of airlines by CPR, Vale Railway, Chicago and Western Indiana railway, Hudson Bay railway operations, reports, income statements, and surveys, Detroit terminal railway, Toledo Terminal Railway	1923-1961
RG30	5776179	11509	Miscellaneous records relating to various operations, including budgets and branch lines	Includes files on Midland Railway of Manitoba, Grand Trunk Western reports, financial statements	1923-1962
RG30	5776179	11510	Miscellaneous records relating to various operations, including budgets and branch lines	Includes Quebec Oriental and Quebec Atlantic and Western Railway general files, operational files and annual reports of the Northern Alberta Railways, Pacific Great Eastern Railway files	1930-1957
RG30	5776179	11511	Miscellaneous records relating to various operations, including budgets and branch lines	Includes files on the operation of the Toronto Terminals Railway and the Detroit and Toledo Shore Line railway	1931-1952
RG30	5776179	11512-11513	Miscellaneous records relating to various operations, including budgets and branch lines	Quebec Railway Light and Power Company operational files (including Montmorency, Murray Bay, and Saguenay)	1911-1961
RG30	5776179	11514-11517	Miscellaneous records relating to various operations, including budgets and branch lines	Includes files on the London and Port Stanley railway, Shawinigan Falls Terminal Railway, Dominion Atlantic Railway (including maps), Barre and Chelsea Railway in Vermont	1911-1961

Volumes 11448-11613

RG no	Mikan No.	Volume	title	Scope and Content	Dates
RG30	5776179	11518	Miscellaneous records relating to various operations, including budgets and branch lines	Includes files on the Central Vermont Railway, Grand Trunk Western, Montreal and James Bay Railway, Esquimalt and Nanaimo railway, Cornwall Street Railway, and files on other American railways	1920-1963
RG30	5776179	11519-11520	Miscellaneous records relating to various operations, including budgets and branch lines	Includes files on the 1955 advertising program (with photographs at Beloeil, Quebec), news articles on the appointment of Donald Gordon, speeches, and various associations such as the CNR Employees War Services Association and Veterans Association, and CNR and Wabash Railway Social Club	1944-1962
RG30	5785882	11520-11529	Canadian National Railways services in Newfoundland	Records relate to the administration and operation of CN's Newfoundland's services	1949-1964
RG30	5785882	11521-11522	Newfoundland Services	Includes files on various associations, such as Staff Service Club, Transportation Club of Toronto, CNR Transcona Apprentices Committee, Railway Express Agency, Vermont State Railroad Association. Also general files on Newfoundland	ca. 1950s
RG30	5785882	11523-11526	Newfoundland Services	Files on Newfoundland operations, including Newfoundland Steamships, St Johns Dry Docks, reorganization of steamship Department, Ports of Call, ferry and rail service	1949-1964
RG30	5785882	11527	Newfoundland Services	Files on various steamships, including SS Brigus, MV Burin, SS Glencoe, SS Kyle; also information about terminals, wharves, property records, airlines and hotels, and job applications	1949-1964
RG30	5785882	11528	Newfoundland Services	Miscellaneous records relating to Newfoundland operations, including no of passengers carried, snow plows, trucking service	1949-1964
RG30	5785882	11529	Newfoundland Services	Records on service to isolated communities in Newfoundland, Fire prevention Newfoundland; Also records on Civil Engineers Act, and financial report from accounting department	1949-1964
RG30	5776179	11530-11538	Miscellaneous records relating to various operations, including international regulations and damages to railway property		1908-1964
RG30	5776179	11530	Miscellaneous Records	Records relating to Sessional committees, such as data, meeting minutes, legislation	

Volumes 11448-11613

FA 30-196

RG no	Mikan No.	Volume	title	Scope and Content	Dates
RG30	5776179	11531	Miscellaneous Records	Includes records relating to national parks (Buffalo and Louisburg), records relating to various policies and procedures for transportation in the United States; Power of Attorney records and and customs records for various Canadian and American locations	1935-1962
RG30	5776179	11532	Miscellaneous Records	Records on immigration regulations, as well as records relating to the ICC appliances, rules and instructions, monthly signal failure report; also female employees equal pay act, and records relating to railway and other legislation in various American states	1937-1961
RG30	5776179	11533	Miscellaneous Records	Records relating to thefts, hijackings, interference with railway equipment including signals in various locations across Canada; also records from the 1920s and 1930s relating to to the International Boundary Commission on St Croix River and Rainy Lake and Upper Boundary Waters	1922-1936; 1951-1964
RG30	5776179	11534--11535	Miscellaneous Records	Records relating to questions from various members of the public about railway operations as well as claims by employees	ca. 1950s
RG30	5776179	11536	Miscellaneous Records	Records relating to property taxes, school taxes, retail sales taxes, some relating to Grand Trunk Western Railway and Central Vermont Railway	1933-1958
RG30	5776179	11537	Miscellaneous Records	Records relating to Fire Protection regulations, primarily relating to steamships but also for Ottawa's Union Station	1908-1958
RG30	5776179	11538	Miscellaneous Records	Records relating to insurance, including war risk, workmen's tools, discharged employees, diesel locomotives, natural disasters, fire, tank cars, passenger equipment. Also records on the fire alarm system at the Point St Charles Coach Yard. Also in this container is a locomotive diagram book, and records on montreal station area fire protection, movement of dead engines, and miniature trains and hospital cars for exhibition purposes.	1927-1960
	5785766	11539-11550	Records relating to locomotive operations including dieselization		1927-1960

Volumes 11448-11613

FA 30-196

RG no	Mikan No.	Volume	title	Scope and Content	Dates
RG30	5785766	11539--11540	Miscellaneous records relating to locomotive operations	Records relating to miscellaneous locomotives including gas and steam turbine, specifications, supersonic flaw detector, atomic powered, diesel switchers, survey of switching power and possible replacement by diesel units and data operation, exchange of locomotives of central vermont railway, proposed lease of steam power, electric switching locomotives under St Clair Tunnel operations, metropolitan railcars, diesel mechanical railcars and trainsets, Argentine State Railways specifications for the diesel mechanical railcars for meter gauge and broad gauge	1927-1960
RG30	5785766	11541	Locomotive Dieselization Records	Records relating to the effects of dieselization, including the Gaspé, CNR Atlantic Region, Grand Trunk Western,	ca. 1950s
RG30	5785766	11542	Locomotive Dieselization Records	Includes records relating to the light construction of front end of diesel and budd cars which result in insufficient protection to occupants of cab in case of accident, also records on hand brakes, fueling and watering facilities for diesels, cost of repairs, silencers, availability of maintenance of diesel power, electrification in France	1951-1960
RG30	5785766	11543-11548	Locomotive Dieselization Records	Records relating to dieselation in various locations of Canada, including closure of Riviere du Loup Shops, Montreal-Chicago Service, Central Vermont Railway, economic studies, snow plow pilot projects	1953-1962
RG30	5785766	11549--11550	Locomotive Dieselization Records	Records relating to the conversion of locomotives from coal to oil, repairs of various parts including headlights, seats, boosters, feed water heaters, stokers, water gas shields, dynamic braking, turbo generators, mechanically operated fire doors, valve pilot	1931-1959
	5785875	11551-11575	Marine Operations Records relating to ferries, steamships, docks, shipyards, and canals		1908-1963
RG30	5785875	11551--11557	Marine Operations records	Records relating to marine operations, including Chambly Canal, Richilieu River, damage caused by steamships swell, opening of port at Quebec, Windsor to Detroit Car ferry. Also records on various docs, including Victoria's Ogden Point docks and Inner Harbour, Dalhousie NB wharf, Levis Wharf, Portland Maine dock, wharves, and elevator, Collingwood Ontario Wharf, Seattle Dock, Prince Rupert Dry Dock and Shipyards, proposed establishment of barge rail service at Prince Rupert (Puget Sound Pulp and Timber Company)	1908-1960

Volumes 11448-11613

FA 30-196

RG no	Mikan No.	Volume	title	Scope and Content	Dates
RG30	5785875	11558	Marine Operations records	Records relating to marine operations, specifically the Grand Haven, Milwaukee, and Muskegon Ferry Terminal Facilities	1926-1963
RG30	5785875	11559-11561	Marine Operations records	Records relating to marine operations, including Chemainus BC ferry slip, Shelburne Nova Scotia wharf, and increased harbour and lighter age facilities at Halifax, Nova Scotia, proposed spur line to lighterage pier at Navy Island. Also includes records relating to use of dry docks at Prince Rupert BC by Canadian Pacific Railway Steamships.	1940-1960
RG30	5785875	11562-11563	Marine Operations records	Records relating to marine operations, including repairs to the North Sydney N.S. wharf facilities, and Detroit Michigan lease of waterfront property near terminal facilities and dock wall and track trestle	1936-1953
RG30	5785875	11564	Marine Operations records	Records relating marine operations at wharves and docks at Prince Edward, Ontario, Nanaimo, BC, Levis, Que, Milwaukee Wisconsin, Ketchikan Alaska, and Halifax sea wall construction from Pier 9 to Fairview	1923-1957
RG30	5785875	11565	Marine Operations Technical drawings	Architectural and Profile Plans relating to marine facilities, including North Sydney Wharf, Portland Maine, Atlantic Gypsum Wharf at Humbermouth, Newfoundland, Imperial Oil lease of dock at Parry Sound, Okanagan Lake car ferry slips, Halifax proposed yard and wharf tracks between piers A and B, Okanagan Lake car ferry slips, Chicago port development, Bridgewater Nova Scotia Wharf, Deseronto Wharf, Georgetown PEI wharf, Jackson's Point, Ontario wharf.	1919-1959
RG30	5785875	11566	Marine Operations Technical drawings	Architectural and Profile Plans relating to marine facilities, including Lachine wharf, Longlac public wharf, Montreal Bickerdecke Pier, Mount Stewart PEI wharf, Penetanguishine wharf, Pictou Landing wharf, Port Daniel East breakwater, Port Dover dock, Quebec Pillan's wharf, Shenacadie N.S wharf, Sydney Barrack Point wharf, St. Alexis de Matapedia wharf's level crossing	1921-1938
RG30	5785875	11567	Marine Operations Technical drawings	Architectural and profile plans relating to marine facilities, St. Angele de Laval wharf, Trois Rivieres wharf, Trepanier wharf, Windsor wharf, Matapedia breakwater, Fort William wharf, Lunenburg wharf, Pictou wharf, Lulu Island Branch and raising of railway grade, North Surrey dredging, Telkwa River Canyon erosion, Detroit and Buffalo area deepening of channels, Fort William and dredging of Kennisiquita River, The tug "International" at Black Rock and International Bridge	1922-1954

Volumes 11448-11613

FA 30-196

RG no	Mikan No.	Volume	title	Scope and Content	Dates
RG30	5785875	11568-11575	Marine Operations Records relating to Steamship and Ferry Services	Includes records for: the ferries Muskegeon to Milwaukee, Lake Michigan Car Ferry, Detroit to Windsor, repairs to ferries Prince Rupert and Prince George, Okanagan Lake Service, Ontario Car Ferry Company, Prince Rupert Dry Dock schedules, repairs to SS Scotia, Prince Edward island, Lulu Island Ferry Slip, repairs to MV Abegweit, PEI rail ferry service including at Cape Tormentine to Borden and purchase of new car ferry and ferry schedule, inaugural ceremonies of SS Prince George, radar equipment on steamships, survey of coast steamship, barge, and ferry services, dry-docking of Newfoundland Steamships, Deck and engine room log books, repair work on ships by North Sydney Marine Railway Ltd, west Indies Vessels installation of refrigerated chambers, CNR Newfoundland dockyards, steamship organization, Report on CN West Indies steamships, Atlantic, Western, Grand Trunk Western, Proposed Sale of Lady Ships, Victoria-Vancouver proposed steamship service, Great Lakes Steamships installation of radio telephone	1924-1958
RG30	5785876	11576-11586	Stocks and Bonds records	Includes: CNR-GTR Victory Loan bonds; GTR Railway Insurance Prudent Society, St Lawrence and Atlantic Railway Share transfers, Montreal and Champlain Railway Stock transfers, Montreal Warehousing Company shares and mortgage bonds, Canadian Northwestern railway stock, Duluth Rainy Lake and Winnipeg Railway bond coupons and bond values, bonds, and stock register dividends, Canadian Northern Railway gold bonds series 1, St. Clair Tunnel bonds, Galt and Guelph railway company receipts for share payments, Midland railway bonds, GTR bonds and unclaimed dividends, GTR car ferry coupons, Georgian Bay and Lake Erie Railway Company cancelled mortgage bonds	1853-1939
RG30	5776179	11586-11587	Miscellaneous reports and publications	Includes analysis of operating results, inspection reports, coal contracts, CNR Magazine Illustrated Travel Parade, US Department of Interior reports	1943-1946
RG30	5776179	11587; 11591	Montreal and Southern Counties Railway records	Includes correspondence, reports, and memos	1920s-1940s
RG30	5776179	11588-11590	Passenger Traffic Department records	Includes records on special parties travelling on trains	1946-1961
RG30	5785877	11592-11597	Agreements and Leases	Includes mostly records relating to correspondence between Canadian Northern Railway or Mackenzie and Mann and various individuals and companies including: Grand Trunk Pacific, Canadian Pacific Railway, mostly in Western Canada	1899-1922

Volumes 11448-11613

FA 30-196
