

Introduction

Radio station CKOY is located in Ottawa and has a long tradition that goes back to 1924, when it appeared under different call letters (CKCO). In 1968, it was granted an FM license that is operated under the name CKBY-FM. Over the years, CKOY has had no archival policy and practically everything has been lost.

In this collection, there are only two programs that were actually produced and broadcast by CKOY; they are listed on page 2. The bulk of this collection consists of advertisements of local or national origin that were broadcast by the station.

Extent of the collection: 192 documents on
168 tapes & 22 discs.

Approximate duration: 8 h .

Dates: 1950s-1978

N.B. Some photographs have been acquired at the same time as these sound recordings. They have been transferred to the National Photography Collection of the Public Archives of Canada.
