Biographical Sketch

*died 1984*

Rabbi Stern was born in Lithuania, April 24, 1897 and as a lad was brought to the United States. He was educated in the Public Schools of Steubenville, Ohio. He received his B.A. from the University of Cincinnati (1920), his Bachelor of Hebrew Letters Degree from the Hebrew Union College (1919), and his Rabbinical degree from the Hebrew Union College in 1922. Rabbi Stern did post-graduate work at the University of Chicago, 1926. In 1937, he was decorated with the Coronation Medal by King George VI.

The Rabbi has travelled extensively in Europe and the Near East. He visited Palestine three times, The State of Israel twice and the Soviet Union twice. All these travels were made with the purpose of studying political, social and economic conditions.

Rabbi Stern served in the Pulpit of Temple Israel, Uniontown, Pennsylvania (1922-1927) and was then called to his present post as Rabbi of Temple Emanu-El in Westmount, Montreal. Dr. Stern occupies a high and unique place in the Montreal community where he has ministered since 1927 as spiritual leader of Congregation Temple Emanu-El and is best known as "the builder of good-will." With men of all faiths, Dr. Stern has laboured co-operatively in the work of interfaith and improved human relations. Indeed, he is the founder of the Temple Emanu-El Institute on Judaism, which he founded in 1941, has brought into an academic and religious fellowship clergymen of various denominations with the purpose of deepening the spiritual insight of the Canadian community.

At the first World Jewish Congress, Geneva, Switzerland, 1936, Rabbi Stern was elected Secretary during the sessions and at the close, a member of its administrative committee. Rabbi Stern is a member of the following clubs and organizations: Kiwanis, Masonic, B'Nai Brith, Pi Lambda Phi, American Academy of Political and Social Science, Central Conference of American Rabbis, Union of American Hebrew Congregations, Biblical Society of Canada, Dominion Executive Canadian Jewish Congress, Zionist Organization, Royal Empire Society, The Canadian Club. In May 1938, Rabbi Stern was awarded the LL.D., honoris-causa, at a Convocation of McGill University and in May, 1947 received an honorary D.D., from the Hebrew Union College. Awarded Eastern Regional Council B'nai Brith Humanitarian Award, December, 1967.
