CPS Photographs series						
Photo Textual		17	1	Photographs of Canadian Branch, American Phytopathological Society: collected by David Richmond Sands	Photographs document members of the Canadian Branch of the American Phytopathological Society (APS). The photographs depict men posed, seated and standing, inside a greenhouse, wearing three-piece suits. Some of the men smoke cigars. The first photograph depicts 21 men, standing and seated; the second photograph depicts 5 men, standing in a line. Detailed hand-written annotations accompanying the photographs lists each man by name. Stamp on verso of photographs: "Department of Environmental Biology, University of Guelph, Guelph, Ontario, Canada."	1927
Photo		17	2	Work planning meetings held at the Research Station, Agriculture Canada, Vancouver, British Columbia	Photographs document the attendees at two meetings of plant pathologists at the Research Station, Agriculture Canada, 6660 Northwest Marine Drive, Vancouver, British Columbia. Photographs depict the participants in posed group portraits taken outside at the main doors to the Research Station. Titles on photographs read: "Canada Dept. of Agriculture virus work planning meeting" (1966) and "Work planning - virus diseases" (1971). Detailed annotations of the photographs list each person in the images by name. The 1971 meeting included international participants from England and India.	1966, 1971.
Photo		17	3	Photographs of Canadian Phytopathological Society conferences: received from Blair H. MacNeill	Photographs are formal group portraits of people attending the Canadian Phytopathological Society (CPS) conferences held at Wolfville, Nova Scotia (1958), Guelph, Ontario (1960), and Fredericton, New Brunswick (1964). The photographs depict the attendees posed outside at the main entrance to a building. Some of photographs include the names of each person depicted in the image.	1958, 1960, 1964.
Photo Textual		17	4	Photographs of Canadian Phytopathological Society conferences: received from M.W. Cormack	Photographs document Canadian Phytopathological Society (CPS) conferences. File includes black-and-white posed group portraits of attendees at 6 conferences: MacDonald College, Montréal, Québec (1946), Winnipeg, Manitoba (1951), Ottawa, Ontario (1952), Wolfville, Nova Scotia (1958), Banff, Alberta (1963), and an unidentified conference (possibly the CPS conference held at Lethbridge, Alberta, in 1979). Also included in the file is one colour photograph depicting a presentation to the five charter members of the CPS during the fiftieth anniversary conference held at Lethbridge, Alberta (1979). Hand-written annotation on verso of photograph identifies charter members as C.W. Yarwood, I.L. Connors, W.C. Broadfoot, A.W. Henry, and M.W. Cormack.	1946-1952, 1963, [1979].
Photo Textual		17	5	Photographs of Canadian Phytopathological Society conference: received from Waldenar Sackston	Photographs document the Canadian Phytopathological Society (CPS) conference held at Lethbridge, Alberta. The photographs depict speakers at the podium, audience members, registration desk, and people at picnic, luncheon, and other events. The photographs also document the informal ceremony to honour the five charter members of the CPS (C.W. Yarwood, I.L. Connors, W.C. Broadfoot, A.W. Henry, and M.W. Cormack).	1979
Photo		17	6	Photographs of the Canadian Phytopathological Society conference: received from Frank R. Harper	Photographs document Canadian Phytopathological Society (CPS) conferences held at in 1962 (Ottawa, Ontario), 1977 (Guelph, Ontario), and 1965.	1962, 1965, 1977.
Photo Textual		17	7	First raising of the Canadian Flag and other photographs documenting the Research Station, Agriculture Canada, Lethbridge, Alberta	Photographs document the Research Station, Agriculture Canada, Lethbridge, Alberta. The file features a photographic print documenting the first raising of the Canadian Flag at the Research Station on 15 February 1965. The photograph is comprised of five images: the lowering of the Red Ensign; folding the Red Ensign; raising the Canadian flag (two images); and the Canadian flag at full mast. The images depict a number of men and women standing outside on the stairs and along the front of the building. The ceremony is led by three unidentified men. Also attending is a Royal Canadian Mounted Police officer in formal uniform. Also included in the file are posed group portraits of: male and female employees of the Research Station (with hand-written annotations detailing the names of employees); attendees at two unidentified events (Frank Harper and Melville Cormack are in both photographs); and men at the Fruit and Vegetable Training School. The file also includes undated studio portrait and informal photographs of Frank R. Harper and two photographs of a scientist (believed to be F.R. Harper) seated at a microscope.	1952-1977.
Photo		19	2	Photographs of the Canadian Phytopathological Society conference: received from M.W. Cormack	Photographs document the conference of the Canadian Phytopathological Society (CPS) held at Banff, Alberta, in 1991. The file includes eight colour photographs which document the speakers at a symposium conducted during the conference. Hand-written annotations on verso of photographs indicate the speakers were: Dr. James Cook, Dr. H.C. Huang, Dr. M. Tu, Dr. R. Ukthede, Dr. E. Nelson, Dr. D.A. Gaudet, Dr. P. Fleck, and. C. Hiruki. Also included in the file is a informal posed group portrait of the people attending the conference. The people are standing on a lawn; the photograph is taken from above and to the front of the crowd.	1991
