Working records relating to railways [multiple media]							
Scrapbooks relating to Locomotives and Railway Lines [textual record, graphic material, architectural drawing]							
File	Textual Tech. drawing	R15475	1	1	Scrapbook. Locomotives - American	Magazine & newspaper clippings of locomotives, technical drawings, (1) blueprint.	1881-1915.
File	Textual Tech. drawing	R15475	1	2	Scrapbook. Locomotives - American, history	Newspaper clippings including letters to the editor, scrapbooks of locomotive history, drawings, pictures and hand written notes;	1898-1951
File	Textual	R15475	1	3	Scrapbook. Locomotives - American, compound	Title of scrapbook "Four-Cylinder Balanced Compound Tests" incl; notes, pages from Railway Master Mechanic publication, pictures	1907
File	Textual Photo Tech. drawing	R15475	1	4	Scrapbook. Locomotives - British	Newspaper clippings featuring British locomotives, technical drawings, dimensions of engines, (2) blackprints and photographs;	1891-1914
File	Tech. drawing Textual	R15475	1	5	Scrapbook. Locomotives - Canadian, Canadian National & Predecessors	Newspaper clippings, including Schedule, Darby Firebox Crown Sheet; Intercolonial Ry Rebuild 1895 pictures; Intercolonial	1888-1929
File	Textual	R15475	1	6	Scrapbook. Locomotives - Canadian, Canadian Pacific	Scrapbook of Canadian Pacific Railway locomotives, including newspaper clippings, copies of technical drawings & notes.	1891-1911
File	Textual Photo	R15475	1	7	Scrapbook. Locomotives - Canadian, miscellaneous	Scrapbook of clippings and photographs pasted to pages in scrapbook, from the Railway & Locomotive Engineering journal;	1898-1904
File	Textual	R15475	1	8	Scrapbook. Locomotives - Chinese & Russian	Scrapbooks with miscellaneous clippings (from Railway Gazette) on Chinese Imperial Railway locomotive and on USSR railways	1932-1961
File	Tech. drawing Textual	R15475	1	9	Scrapbook. Locomotives - French	Schematics & technical drawings, clippings of French locomotives and French National Railroads (from Railway Gazette, The Engineer	1913-1951
File	Textual	R15475	1	10	Scrapbook. Locomotives - Air brakes	Clippings from a variety of publications (Locomotive Engineering Magazine, Brotherhood of the Locomotive Firemen & Engine's Magazine, Railway Age Magazine, Engine's Magazine) on locomotive air brake systems; and scrapbook entitled "Air Brake"	1884-1953
File	Textual	R15475	1	11	Scrapbook. Locomotives - Design	Newspaper clippings from The Engineering Record. Diagrams on wheels & wheel loads. Info on loco design.	1913
File	Textual	R15475	1	12	Scrapbook. Locomotives - Fuel Combustion. Titled, "Combustion of fuel in relation to Locomotive firing"	Series of articles on locomotive combustion of fuel.	1906
File	Textual	R15475	1	13	Scrapbook. Locomotives - Garrett type	Scrapbook entitled "Garret Locomotives", which includes	1912-1950

File	Tech. drawing	R15475	1	13	Scrapbook. Locomotives - Garrett type	newspaper clippings, magazine pages, advertisements; also some	1912-1936
File	Textual	R15475	1	14	Scrapbook. Locomotives - Inspection Locomotives	Scrapbook entitled "Inspection Locomotives"; includes handwritten notes, illustrations, copies of photographs, newspaper clippings, and description of four cylinder simple locomotive.	1906-1907
File	Textual	R15475	1	15	Scrapbook. Locomotives - Electric	Various newspaper clippings, illustrations, and drawings relating to American electric locomotives	1904
File	Textual	R15475	1	16	Scrapbook. Railways - Canadian	Scrapbook entitled "Clippings", mostly from "Engineering", and the Railroad Gazette" Addition separate clippings of showing the Prince of Wales and Staff in Canada and a Railway Excursion cartoon from the Daily British Whig	1873-1890
File	Textual	R15475	1	17	Scrapbook. Railways - Canadian	Scrapbook has clippings various on Canadian Railways, including Hudson Bay, Algoma Central, and Kettle Valley; also of interest are an Algoma Central Railway Locomotive Data log book and newspaper article that includes a map of Grand Trunk Railway	n.d.
File	Textual	R15475	2	1	Scrapbook. Locomotive design	Includes copies of technical drawings, news clippings, and photographic reproductions of miscellaneous locomotive designs; All clipped items are placed on cardboard backing	1885-1936
File	Textual	R15475	2	2	Scrapbook. Locomotive design - North American	Includes copies of technical drawings, news clippings, and photographic reproductions of North American locomotive designs; All clipped items are placed on cardboard backing	n.d.
File	Textual	R15475	2	3	Scrapbook. Locomotive design & railways	Includes copies of technical drawings, news clippings, and photographic reproductions of North American locomotive designs; All clipped items are placed on cardboard backing	1851-1916
File	Textual	R15475	2	4	Scrapbook. Locomotives - High speed	Includes copies of technical drawings, news clippings, and photographic reproductions relating to locomotive speed records; All clipped items are placed on cardboard backing	1883-1935
File	Textual	R15475	2	5	Scrapbook. Locomotives - Great Britain	Includes copies of technical drawings, news clippings, and photographic reproductions relating to British locomotives; All clipped items are placed on cardboard backing	1830-1894
File	Textual	R15475	2	6	Scrapbook. Engineering data - Ships	Includes newsclippings on ship engineering data.	1873-1909
File	Textual	R15475	2	7	Scrapbook. Ships - Puritan Side Wheeler	Includes magazine/newsclippings about the Puritan Side Wheeler Steamer; All clipped items are placed on cardboard backing	1890-1902

File	Textual	R15475	4	7	Clippings. Locomotives - European	Clippings include: The Brown Boveri Review booklet; Chemin de Fer reviews; Hanomag News booklets; Magazine & newspaper clippings; article entitled "Modern French Steam Locomotive" from Trains magazine; Illustrations of St. Gothard Railway.	1894-1946
File	Textual	R15475	4	8	Scrapbook. Locomotive designs - American, United Kingdom, New Zealand, Australia, Europe & Mexico	Clippings include: American Locomotive Company Illustrations and drawings for Prairie Type locomotives; scrapbook of "American Engineer & Railroad Journal".	1900-1906
File	Textual	R15475	4	9	Clippings. Locomotives - Consolidations (2-8-0) type	Clippings are from Railway Master Mechanic, Railway Age Gazette, Railway Mechanic Engineer, Railroad Administration News.	1906-1921
File	Textual	R15475	4	10	Clippings. Locomotive - Mikado (2-8-2) type	Clippings include: general dimensions for Mikado Type Locomotive for the Atlanta, Birmingham & Atlantic Railroad Company	1909-1923
File	Textual	R15475	4	11	Clippings. Locomotives - Berkshire (2-8-4) type	Magazine page from Railway Mechanical Engineer about Boston & Maine 2-8-4 type freight loco. Article featuring the Erie locomotive.	1924-1928
File	Textual	R15475	4	12	Clippings. Locomotives - Decapod (2-10-2) type	Clippings include: scrapbook of magazine pages from; Railway Mechanical Engineer & Railway Age Gazette; copy of technical drawing of 2-10-2 type locomotive.	1912-1929
File	Textual	R15475	4	13	Clippings. Locomotives - Atlantic (4-4-2) type	Clippings include: magazine pages from American Engineer and Railroad Journal featuring copies of technical drawings of 4-4-2 type of locomotives.	1900-1905
File	Textual	R15475	4	14	Clippings. Locomotives - Pacific (4-6-2) type	Clippings include: pages from The Railway Gazette, Brotherhood of Locomotive Firemen & Enginemen's magazine; a Modified Uniflow drawing; scrapbook of Pacific Type locomotives, specifically Sante Fe.	1904-1935
File	Textual	R15475	4	15	Clippings. Locomotives - Hudson (4-6-4) type	Clippings include: Lord & Lady Baltimore Locomotives from Brotherhood of Locomotive Firemen & Enginemen's Magazine; 4-6-4 Locomotive Types; scrapbook with pages from Railway Mechanical Engineer and Baldwin Locomotives Booklet.	1930-1938

File	Textual	R15475	4	17	Clippings. Locomotives - Northern (4-8-4) type	Clippings include: Article from Brotherhood of Locomotive Firement & Enginemen's Magazine titled "Advice to Young Engineers". Union Pacific 'Heavy Passenger Locomotives'.	1929-1938
File	Textual	R15475	4	18	Clippings. Locomotives - Suburban Tanks	Clippings include: Magazine pages from "Railway Mechanical Engineer" on Boston & Albany suburban locomotives.	1928
File	Textual	R15475	4	19	Clippings. Locomotives - Switchers	Clippings include: Magazine pages from Railway Mechanical Engineer on heavy switchers and 3 cylinder switchers.	1919-1927
File	Textual	R15475	4	20	Clippings. Locomotives - Mallet (Articulated) type	Clippings include: magazine pages from "American Engineer and Railroad Journal", "Railway Gazetter", "Railway Master Mechanic"; images of trainins featuring mallet articulated compound locomotives; copies of technical drawings	1906-1958
File	Textual	R15475	5	1	Clippings. Locomotives - Compound, Tandem	Clippings include: magazine pages from "Railway & Locomotive Engineering" about compound locomotives.	1898-1907
File	Textual	R15475	5	2	Clippings. Locomotives - Condensing	Clippings include: news stories on condensing locomotives; letters to the editor; handwritten letter to the editor by Mr. A Can; test results of high locomotive efficiencies; as well as a North British Locomotive Company, Limited, Glasgow pamphlet of Geared Turbine Condensing Locomotive, "Reid-MacLeod" (Patented) System.	1924-1948
File	Textual	R15475	5	3	Clippings. Locomotives - Four Cylinder	Clippings include: information about four cylinder balanced simple locomotives built for the Chicago, Rock Island & Pacific Railway; bulletin from American Locomotive company. Magazine; clippings from Railway Mechanical Engineer & Engineering.	1909-1931
File	Textual	R15475	5	4	Clippings. Locomotives - High pressure	Clippings include: stories from The Railway Engineer. Also included are The Delaware & Hudson Company High Pressure Locomotive booklet; The Schmidt high-pressure locomotive of The German State Railway Company booklet; copy of a b&w image of 4-6-2-2 compound locomotive.	1925-1953
