Textual	16430	1	Research reports and work studies	Contains 18 research reports and work studies. Among others : " Express Freight Manual", " The Highway Services Organisation", "European Passenger Train", " General Survey of Operations - Montreal Wharf", " Construction - Great Slave Lake Railway", " Evaluation of Car Control and Yard Radio"" The CN Automatic Journal Box Oiler", " Report on Company Responsibility fro Adverse Effects on Employees and Communities caused by Company Initiated Changes in Operation", " The Department of Highways Services", "Express Freight Transportation System", " Equipment Requirements for the Movement of Lumber- Mountain Region", " Study of Transit Damage to Automobiles - General Motors of Canada.	1964-1968
Textual	16431	1	Research reports and work studies	Contains 22 research reports and work studies. Among others : " CNR - Passenger Marketing :Transcontinental and Maritimes - Interprovincial Service", " CNR - Data Processing", "Landbridge", " The Use of Competition Brake Shoes on Passenger Cars", " CNR In British Columbia", "Corporate Planning", "Notes on Transportation diversification", "Highway Freight Transportation in 1985", " Railway Freight Transportation in 1985", "The application of Integrated Date Processing to Traffic Projects", "Rapports sur le méthodes d'organisation"	1968-1970
Textual	16432	1	Research reports and work studies	Contains 25 research reports and work studies. Among others : "Transportation of aluminium Coils via Rail", "North American Railroad Diversification into oil and gas production and pipeline Transportation", "The Okanagan Valley Profitability : Fruits and Vegetable Traffic", "Notes diverses sur la charbon à coke de l'Ouest Canadien et son rapport au Canadien National", " Soviet Union Railways -1971", " Report on Organisation Development", " Canadian Coals to Europe", " Survey of Utilities - CPR and CNR", "International Consulting Division of Canadian National : Status and Future Plans of the International Consulting Division"	1970-1972
Textual	16433	1	Research reports and work studies	Contains 26 research reports and work studies. Among others : " Soviet Union Railways : a second Visit -1972", "Caboose Study Project", " Mainland Newfoundland Transportation Study", " Great Lakes Region - Carload Service Center - Implementation", " Fleet Planning Model", " The Super Continental Passenger Train Service", "Protection of the Environment", " Express Services", "Canadian Railway Mission to the People's Republic of China", " Interim 1969 Forecast - Commodity Outlines" " Coset of Capital on Branch Line Road Property"	1972-1982
Textual	16434	1	Research reports and work studies	Contains research 23 reports and work studies related to the development and improvement of various aspects of the the CN's operations	1958-1959
Textual	16435	1	Research reports and work studies	Contains 18 research reports and work studies related to the development and improvement of various aspects of the the CN's operations.	1960-1961
Textual	16436	1	Research reports and work studies	Contains 32 research reports and work studies related to the development and improvement of various aspects of the the CN's operations.	1961
Textual	16437	1	Research reports and work studies	Contains 28 research reports and work studies related to the development and improvement of various aspects of the the CN's operations.	1962
Textual	16438	1	Research reports and work studies	Contains 31 esearch reports and work studies related to the development and improvement of various aspects of the the CN's operations.	1963-1965
Textual	16439	1	Research reports and work studies	Contains 24 esearch reports and work studies related to the development and improvement of various aspects of the the CN's operations.	1965-1966
Textual	16440	1	Research reports and work studies	Contains 32 esearch reports and work studies related to the development and improvement of various aspects of the the CN's operations.	1966
Textual	16441	1	Research reports and work studies	Contains 15 research reports and work studies related to the development and improvement of various aspects of the the CN's operations.	1967
Textual	16442	1	Research reports and work studies	Contains 14 research reports and work studies related to the development and improvement of various aspects of the the CN's operations.	1968-1969
Textual	16443	1	Research reports and work studies	Contains 19 research reports and work studies related to the development and improvement of various aspects of the the CN's operations.	1969-1971
Textual	16444	1	Research reports and work studies	Contains 16 research reports and work studies related to the development and improvement of various aspects of the the CN's operations.	1970-1971
