

Medical licences, 1818-1841, MG8-B10

Text from original web page.

Court of Quarter Sessions from 1818 to 1841 in Quebec (MG8-B10, volume 1)

These records are typed transcripts of authorizations for licences to practice medicine in the Province of Lower Canada (Quebec). Some are transcripts of "a true copy" dated 1826, 1827, 1831, 1832 or 1837. The applicants lived in the city of Québec. The licences are in English.

The following list provides the names and page numbers, which you will need if you want to order a copy. The records are not on microfilm or online.

For adding these items to Mikan:
