To this Bill the Clerk of the Senate, by His Excellency's command, did thereupon say:—

"In His Majesty's name, His Excellency the Governor General thanks His Loyal Subjects, accepts their benevolence, and assents to this Bill."

After which His Excellency the Governor General was pleased to close the SECOND SESSION of the THIRTEENTH PARLIAMENT OF THE DOMINION OF CANADA, with the following Speech:—

Honourable Gentlemen of the Senate:

Gentlemen of the House of Commons:

The Peace Conference at Paris is approaching the conclusion of its labours which have already resulted in the acceptance by Germany of the Treaty signed at Versailles on the 28th June last. Terms of Peace have been presented to the Plenipotentiaries of Austria and are in course of preparation for presentation to the representatives of the other nations with which we have been at war. Authentic copies of all these Treaties will be received by my advisers in due course, after which they will be presented to both Houses of Parliament at a session specially convened for the purpose.

The status of the British Dominions at the Peace Conference was adequately recognized in the place accorded to their representatives in its proceedings. The Peace Conference was attended by the Prime Minister and others of my advisers; and the Treaty of Peace with Germany was signed by two Canadian Plenipotentiaries to whom, in accordance with recent developments in constitutional relations, powers necessary for that purpose were issued by His Majesty upon the recommendation of my advisers.

The effects of the terrible and disastrous conflict in which the world has been involved during the past five years are manifest in the disturbance of normal conditions and in the widespread unrest which have been so marked in many countries. While our own Dominion has not been wholly free from those tendencies, we are fortunate in finding them less serious than in many other countries. It is hoped that the final conclusion of Peace will do much to quiet unrest and to lead the people of the world once more into the path of orderly pursuit and peaceful purposes.

Having regard to the necessity of avoiding industrial disturbance and with a view to ensuring more stable relations and a better understanding between employers and employed, my advisers intend to summon in the early future a representative conference for friendly and intimate discussion of such questions, and for the consideration of the report of the Industrial Relations Commission and of the proposals therein set forth.

Almost the entire Canadian Expeditionary Force has now returned to our shores and the task of demobilization has proceeded with much greater expedition than was at first believed to be possible. The work of assisting the returned men in vocational training and in settling upon the land has made rapid advances, and it is believed that in this respect Canada stands second to no country in the world.

The volume of legislation enacted at the present session has been both comprehensive and important. The measures respecting Soldiers' Settlement, Pensions, Combines and Monopolies, Technical Education, Construction and Improvement of Highways, and Public Health are especially noteworthy. Equally important are the Bankruptcy Act, the measure authorizing the establishment of an Air Board for the control of aeronautics and the Act providing for the operation of the Canadian National Railways. I trust that these and other important measures which you have considered and approved will be attended with marked advantage to the public interest.

Gentlemen of the House of Commons:

In the name of His Majesty I thank you for the liberal provision you have made for the needs of the public service and for demobilization and other necessary purposes connected with the war.

Honourable Gentlemen of the Senate:

Gentlemen of the House of Commons:

From the terrible struggle in which our country has borne so notable a part, Canada emerges with the proud consciousness that in fulfilling her duty to civilization and humanity she has taken a high place among the world's nations. The burdens imposed by her effort in the war are serious but not overwhelming. Indeed,

they are insignificant compared with her enormous and varied resources. Endowed with a vast heritage, we face the future with just confidence, firm in our determination to upbuild within our borders a great and prosperous nation.

THE SPEAKER of the Senate then said:

It is HIS EXCELLENCY THE GOVERNOR GENERAL'S will and pleasure, that this Parliament be prorogued until Saturday, the 16th day of August next, to be here holden, and this Parliament is accordingly prorogued until the 16th day of August next.

ORDERS IN COUNCIL.

[36/1239]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 16th day of June, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS the Minister of the Interior reports that application has been made by the Ruthenian Greek Catholic Episcopal Corporation for a grant for church purposes of two acres of land comprised in the S.W. $\frac{1}{4}$ of Section 6, Township 30, Range 2, west of the Second Meridian, in the Province of Saskatchewan;

And whereas the land in question is available according to the records of the Department of the Interior, and the Minister is of the opinion that the application should receive favourable consideration,—

Therefore, His Excellency the Governor General in Council, under the provisions of section 76 of The Dominion Lands Act, is pleased to set apart and appropriate the said land for church purposes and to authorize a grant thereof to the Ruthenian Greek Catholic Episcopal Corporation for the said purposes.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[1969]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday the 12th day of May, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a Report, dated 30th April, 1919, from the Minister of the Interior stating as follows:—

In the month of March, 1907, Rufus Henry Pope, President of the The West View Ranch Company, Ltd., of Carbon, Alberta, and his associates were permitted to purchase, under the provisions of the coal mining regulations then in force, at the rate of \$10 an acre, the surface and under rights of the north half of Section 17, and all of Sections 20, 21, 28, 30, 31, 32 and 33, in Township 29, Range 22 west of the 4th initial Meridian, containing a total area of 4,800 acres, which lands formed a portion of a grazing ranch leased to that company.

Payment was made of the sum of \$9,585 on account of the purchase price of the rights applied for, and the rights secured by this payment were duly transferred to Mr. Pope, the president of the said Company. In April, 1911, the above amount of \$9,585 was applied to the payment in full of the under rights only of Section 20, the south half of Section 30 and the west half of the west half of legal subdivision 4 of Section 21, in the said Township and Range, containing an area of 970 acres, and the right to purchase the balance of the area applied for was cancelled.

On the 31st May, 1912, the right so cancelled was revived, and although no additional payments on account of the purchase price of the rights in question have in the meantime been received, the applicant still claims the privilege of exercising that right, and evidence to the satisfaction of the Minister of the Interior has been furnished to show that, relying upon the revival of the right to purchase this land, very considerable expenditures have been incurred, not only in improvements and cultivation of the land itself but in the erection of buildings and in the purchase of farm equipment.

An examination of the lands affected was made by Inspector Cloakey, and it would appear from the information obtained that to absolutely cancel the right to purchase any portion of the lands affected by the revived right would be to do a great injustice to the company, in view of the large expenditure incurred in the improvement of such lands.

After a very thorough consideration of the representations which have been made, and the circumstances disclosed in the Inspector's Report, the Minister submits that, as full advantage has not been taken of the revival of the right to purchase by reason of failure to pay the additional amounts necessary, and in view of the conditions now prevailing and the need of land for soldiers' settlement, full recognition of such revived right should not now be granted, but that consideration might be given to the right to purchase that portion of the tract which has been improved and cultivated, upon which buildings have been erected, and in connection with which large expenditures have been incurred in the purchase of farm equipment.

The minister, therefore, recommends that full settlement of the claim advanced by the president of the above company be made upon the following conditions:—

1. That John Henry Pope of The West View Ranch Company, Limited, be permitted to acquire such portion of the lands in question as have been improved, namely:

All section 20.....	640 acres.
All section 19.....	604.9 "
That part of the S.W. $\frac{1}{4}$ lying north	
of the river of section 17.....	32.8 "
W. $\frac{1}{2}$ of section 21.....	320 "
in lieu of S. $\frac{1}{2}$ of section 30,	

all in Township 29, Range 22 west of the 4th Meridian, in the Province of Alberta, containing approximately 1,597.7 acres, out of an area of 4,800 acres included in the revived right, together with such of the available under rights as might be acquired under the provisions

of the coal mining regulations under which the sale was originally made;

2. The purchase price to be that originally agreed upon, namely: \$10 an acre, with interest calculated at the rate of five per cent per annum from the 15th of March, 1907, the date of the original sale, to the date upon which this sale may be approved;

3. The purchaser to receive credit of account of the purchase of the sum of \$9,585 already received, and payment to be made of at least one-fifth of the balance of the purchase price within thirty days from the date upon which the sale may be approved, the remainder to be payable in five equal annual instalments, with interest calculated at the rate of six per cent per annum;

4. The balance of the 4,800 acres, included in the revived right, which were withdrawn from the grazing lease to admit of the original sale being carried out, to be re-included in such lease upon the condition that the lessees will execute in favour of the Crown a quit claim deed of such undisposed of balance to be utilized, as to the whole or any part thereof, for purposes of soldiers' settlement;

5. That in lieu of the under rights of Section 19, Township 29, Range 22, west of the 4th initial Meridian, which have already been disposed of, Rufus Henry Pope be permitted to retain the under rights of the south half of Section 30 in the same Township and Range, acquired by purchase in the year 1907;

6. That John Henry Pope, a member of the company, and a returned soldier, execute a release to the Crown of his right to entry for lands under the "Soldiers' Settlement Act";

7. That the claim of Ives Pope, another member of the company, to exercise the right of pre-emption on the south east quarter of Section 19, Township 29, Range 22, west of the 4th Meridian, or on any other lands, be not recognized.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

51-4

[37/1239]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 16th day of June, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council, on the recommendation of the Minister of the Interior, advise, that the residence requirements of The Dominion Lands Act be dispensed with in connection with Mrs. Matilda Kent Tryon's homestead entry for the northeast quarter of Section 18, Township 28, Range 26, west of the 2nd Meridian, under the authority of subsection 2 of section 20 of the Act so that free patent may be issued to Mrs. Tryon upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

From the papers submitted to the Board it appears that Mrs. Tryon was granted homestead entry for the said land on the 13th January, 1914; that the report of the Homestead Inspector of the 24th April, 1919, credits the entrant with having erected a house worth \$100.00, with having performed cultivation duties during four years, and with having a total area of thirty-five acres broken; that according to a medical certificate furnished by T. F. S. Hutchison, M.D., Mrs. Tryon met with an accident on or about the 6th September, 1915, as the result of which her left hip joint was dislocated and broken; that she has not at any time since her accident been able to engage in rugged homestead duties and in the opinion of Dr. Hutchison she will never be able to engage in any work that will require her to move from place to place and that it would be impossible for her to do the duties ordinarily required of a homestead entrant.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 18th day of June, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS the Minister of the Interior reports that there has been a great increase in motor traffic in some of the Dominion Parks, and that on this account it is desirable to revise the regulations relating to such traffic,—

Therefore his Excellency the Governor General in Council is pleased to order and it is hereby ordered that the Order in Council of the 19th June, 1915, establishing regulations governing the use of motor vehicles within the Rocky Mountains Park as extended by the Order in Council of the 16th September, 1915, and amended by the Order in Council of the 7th April, 1916, be rescinded and that, pursuant to the Dominion Forest Reserve and Parks Act, the regulations to govern the use of motor vehicles in the Dominion Parks hereto attached be approved; provided that the restrictions in these regulations regarding licenses and number plates shall not apply in any parks where, owing to exceptional conditions and the limited road mileage available for motor traffic, the Minister of the Interior considers such provisions should not be enforced.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

Monday, the 23rd day of June, 1919.

PRESENT:

THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports as follows:—

Representations have been made to the Department of the Interior that discoveries of mineral in place have been made in remote portions of the Northwest Territories of Canada, very difficult of access, and that, owing to transportation and climatic conditions and the shortness of the season, it was not possible for the discoverers to so extend their prospecting operations by drilling and other methods as to determine beyond doubt that the locations staked and recorded included the richest ore comprised in the discovery, so that others, profiting by their expenditure and enterprise, might acquire contiguous locations containing richer ore, and so deprive them of the full reward to which they as original discoverers are entitled;

It would appear to be in the public interest that the discovery and development of minerals of economic value in remote portions of the Northwest Territories should, as far as possible, be encouraged, and some assistance should be given to meet the transportation and climatic obstacles with which the establishment of a large mining industry in that part of the country must be confronted,

Therefore the Deputy Governor General in Council is pleased to amend and doth hereby amend the regulations for the disposal of quartz mining claims on Dominion lands, approved by Order in Council of 25th May, 1917, by adding the following provision to section 47 of the said regulations:

"In case mineral in place of economic value is discovered on Dominion lands in the North West Territories of Canada, and claims comprising such discovery

have been recorded, developed and surveyed under the provisions of these regulations, and in case evidence is furnished to the satisfaction of the Minister that the recorded owner of such claims is prepared to incur large additional expenditures in further prospecting and development work with a view to further discoveries and the ultimate establishment of a large mining industry; the Minister may, with the approval of the Governor General in Council, upon application and upon proof of the applicant's financial ability and intention to make the required expenditures, reserve for such period and upon such terms and conditions as the remoteness of the region may appear to warrant, the available mining rights administered under these regulations within such area surrounding the claims already acquired by the applicant as may be considered necessary to permit of legitimate prospecting operations being continued, and commensurate to the expenditures incurred and contemplated. The person on whose behalf such a reservation may be made may be required by notification to release from time to time such portions of the reservation as the Minister may deem it advisable in the public interest should be released, and the portions so released shall immediately be withdrawn from the reservation and shall become subject to all the provisions of the regulations. The mining recorder for the district shall, while such reservation remains in force, refuse to record any mineral claim within the limits of the reservation, except to the applicant or to any person who produces evidence to show that he is a financial associate of such applicant in the establishment of the mining industry contemplated."

PRESENT:

THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports that certain lands have been withdrawn from forest reserve and are set apart for disposal under the Soldier Settlement Act, and that it is deemed by the Minister and by the Soldier Settlement Board expedient to dispose of same by soldier grant entry only, excluding the ordinary privileges of homestead entry, and reserving in connection with each soldier entry an adjoining parcel of eighty acres which will be sold or otherwise disposed of to the entrants on such terms and conditions subject to his completing the conditions of his entry, as the Board, with the approval of Council, may hereafter determine;

And whereas it is provided by Section nine of the Soldier Settlement Dominion Land Regulations established by the Order in Council of the 14th of May, 1918, that in the event of land being required for some specific purpose in connection with soldier settlement the Board may set apart the same for such disposal as may be deemed proper, and it is desirable to more specifically define the powers of the Board in this connection:

Therefore the Deputy Governor General in Council is pleased to order that the following shall be and the same is hereby added to section 16 of the Soldier Settlement Land Regulations, established by the Order in Council of the 14th of May, 1918, namely:—

"Provided, however, that the Board may for the purpose of preserving any specific parcel of land for soldier entry only, withhold such land from homestead entry by settlers or others and dispose of the same by soldier entry only, and the Board may, in connection with any such parcel reserve any parcel adjoining or otherwise for sale or other disposition as the Board with the approval of the Governor in Council may at any time determine."

Monday, the 23rd day of June, 1919.

PRESENT:

THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports as follows:—

On the 6th day of July, 1916, an Order in Council was passed authorizing a grant to the Greater Winnipeg Water District, a public corporation incorporated under Chapter 22 of the Statutes of the Legislature of the Province of Manitoba passed in the year 1913, of the lands required for the right of way for a pipe line, and the proper drainage of the soil on each side of the pipe line, as well as to provide for a second pipe line, should it be found necessary in the future, for the purposes of supplying the City of Winnipeg and contiguous communities with an adequate supply of pure water from a point on Shoal Lake to the said City of Winnipeg, a distance of about one hundred (100) miles.

The District has applied for a grant of an additional area in the north-west quarter of Section 33, Township 7, Range 14, east of the Principal Meridian, required for the purposes above mentioned. The area applied for was formerly included in the homestead entry of Mike Kaczuk, but was subsequently assigned to the District by his wife as administratrix of the estate, and she was granted an equivalent area in the south-west quarter of the same section.

Therefore the Deputy Governor General in Council is pleased to make and doth hereby make a free grant of the land hereinafter described, which is available for such purposes, to the said Greater Winnipeg Water District, subject to the proviso that in the event of its not being used for the purposes for which the grant is made, the said land shall revert to the Crown.

Description.

All that portion of the north-west quarter of Section 33, in Township 7, Range 14, east of the Principal Meridian, which is shown coloured red on a plan recorded in the Department of the Interior under No. 26,537 and registered in the Winnipeg Land Titles Office under No. 2,495, containing by admeasurement one and sixty-nine hundredths (1.69) acres, more or less.

RODOLPHE BOUDREAU,

1-4 Clerk of the Privy Council.

[1254]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 18th day of June, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior Reports as follows:—

By section 9 of the Soldier Settlement Land Regulations, approved on the 14th of May, 1918, it is provided:—

"9. In the event of any parcel of land reserved under the Act being required for some specific purpose in connection with soldier settlement, the Board may withhold such parcel of land from general disposition under soldier entry, whether before or after such parcel has been made available for entry, and set apart the same for such disposal as may be deemed proper."

The main purpose of the Board in recommending this provision was to facilitate parcels being set apart for special groups of settlers who desired to send representatives to examine into localities, more particularly those removed from railways, and if found suitable to have the parcels reserved for special disposal to them, either before or after such lands were surveyed and made available to entry, until definite arrangements are made for entries by the members of the group;

A party of proposed settlers has carried on investigation in the Peace River Block and located lands suitable for their purposes, and a further special investigation has been made by their representatives and representatives of the Soldier Settlement Board, and the lands applied for have been specially set apart by the Board for disposal to them under the authority of said section 9;

Some doubt has arisen as to whether the regulations clearly empower this special action, more particularly in the case of unsurveyed lands, and it is desired to more clearly define the powers of the Board in this respect,—

Therefore His Excellency the Governor General in Council, under the authority of the Soldier Settlement Act, is pleased to order that section 15 of the Land Regulations of the Soldier Settlement Board approved by Order in Council of the 14th May, 1918, shall be and the same is hereby amended by adding the following thereto:—"Notwithstanding anything contained in these regulations, entries for lands specially set apart by the board under section 9 hereof, for disposal to the members of a party of settlers who with the approval of the board have located suitable Dominion Lands, shall be granted only to the settlers for whom they were specially reserved, on such notice to such settlers as the board deems expedient; provided however, that in the event of application for entry not being made within a period of time satisfactory to the board, the special reservation shall be terminated."

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 1st day of July, 1919.

PRESENT:

THE DEPUTY GOVERNOR GENERAL
IN COUNCIL.

WHEREAS the Minister of the Interior reports as follows:—

On the grounds of settlement prior to date of survey, application was made by Mr. Christel Bankhead for homestead entry for the northwest quarter of section 29, Township 27, Range 2, west of the 6th Meridian, and by Mr. Press B. Bankhead for the northeast quarter section 29, Township 77, Range 2, west of the 6th Meridian;

Under Sub-section 1 of Section 39 of the Dominion Lands Act, Sections 11 and 29 in every surveyed township in Manitoba, Saskatchewan and Alberta are set apart as School Lands and are withdrawn from the operation of the provisions of the Act which relate to entry for homestead, purchased homestead, pre-emption or sale;

Provision is, however, made that any person who is proved to the satisfaction of the Minister to have *bona fide* settled and made improvements upon any such section before the commencement of the survey thereof may be granted entry for a homestead for the land so occupied by him, not in excess of a quarter section, but an area of available land equal to that which may be entered for as a homestead, shall be set apart as school land and notice thereof shall be published in *The Canada Gazette*;

The Department of the Interior is now in receipt of satisfactory evidence that Messrs. Christel Bankhead and Press B. Bankhead are entitled to homestead entry for the above mentioned half-section, and a report has been filed by Homestead Inspector Newton making a selection of the West half of Section 32, Township 77, Range 2, West of the 6th Meridian, to compensate the School Lands Endowment Fund for the relinquishment of the North half of Section 29 above mentioned.

Therefore, The Deputy Governor General in Council, is pleased to order and it is hereby ordered that the North half of Section 29, Township 77, Range 2, West of the 6th Meridian be made available for homestead entry and that the West half of Section 32, Township 77, Range 2, West of the 6th Meridian be set aside as School Lands in lieu thereof.

RODOLPHE BOUDREAU,

2-4

Clerk of the Privy Council.

[1326]

HIS EXCELLENCY THE GOVERNOR GENERAL

Friday, the 27th day of June, 1919.

PRESENT:

THE DEPUTY GOVERNOR GENERAL IN
COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 18th June, 1919, from the Minister of the Interior submitting as follows:—

Authority has been given under the provisions of the Irrigation Act, chapter 61 (Revised Statute of Canada, 1906), to the Canada Land and Irrigation Company, Limited, to construct a system of work in accordance with plans filed in the Department of the Interior, for the irrigation, by water diverted from Bow River, of a tract of 448,407 acres, which was sold to the company, subject to the irrigation of twenty-five per cent thereof.

The said works include a reservoir known as Lake McGregor, comprising an area of 14,345.95 acres, where, by utilizing a natural depression and by constructing dams and controlling works, storage capacity for 360,000 acre-feet of water has been provided.

This storage is necessary in order to conserve as much as possible of the flood waters of Bow river which would otherwise be wasted, and is also essential because of the length of the company's canal between the intake and the irrigable tract. An important consideration is that the utilization of this storage will render possible the irrigation of a considerable area of privately owned land between the reservoir and the westerly limit of the company's lands.

The land comprised in the Lake McGregor reservoir site was, at the time the plans of the company's irrigation scheme were approved, only partially vacant and available for reservoir purposes. The land not so available has since been acquired by the Government either by purchase or exchange and all the area covered by the reservoir site is now the property of His Majesty.

Under the provisions of sections 28 and 29 of the Irrigation Act, the company has the right to expropriate land required for its works, including reservoir sites, but as, in the opinion of the Minister of the Interior it is desirable that the ownership of the Lake McGregor site shall remain vested in the Crown, the company has agreed to lease the land required.

The regulations prescribed by the Minister of the Interior pursuant to the authority vested in him by Section 54 of the Irrigation Act, regarding the leasing of Dominion land for reservoir purposes, fix the rental at twenty-five cents per acre per annum, but, as a very small proportion of the land within the site is fit even for grazing purposes, and as it would be practically impossible to distinguish between the more and less valuable lands, it is considered that a rental of fifteen cents per acre per annum for the whole site would be a reasonable charge.

Notwithstanding that the site has been at the company's disposal for several years, the company has not (due very largely to financial stringency caused by the war) been able to make use of it until the present year. Under these conditions it is submitted that it would be undesirable to antedate the lease to the time when the site became first available for use by the company, and that a reasonable compromise would be made by fixing the date as January 1st, 1918.

The Minister, therefore, recommends that, under the provisions of section 54 of the Irrigation Act, the lands in the Lake McGregor reservoir site, comprising 14,345.95 acres, more or less, be leased to the Canada Land and Irrigation Company, Limited, at an annual rental of fifteen cents per acre, and that he be authorized to execute, on behalf of His Majesty, a lease therefor in the form attached hereto, and that the said lease shall date from the 1st day of January, 1918.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

Reservoir lease.

This indenture made in quadruplicate this 1st day of January, in the year of Our Lord one thousand nine hundred and eighteen.

And that any notice affecting the tenancy hereunder which the lessor may desire to serve upon the lessee shall be sufficiently served on the lessee if left addressed to him on the demised premises or posted to him addressed to his last known address, or if left at the said address, notice sent by post shall be deemed to be given at the time when in due course of post it would be delivered at the address to which it is sent.

5. That no waiver on behalf of His Majesty, His Successors or Assigns, of any such non-payment or breach shall take place or be binding up on Him or Them, unless the same be expressed in writing, under the hand of the Minister; and any waiver so expressed shall extend only to the particular non-payment or breach so waived, and shall not limit or affect His or

Their rights with respect to any other or future non-payment or breach.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 8th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS the Minister of Militia and Defence reports that by Order in Council dated 21st December, 1918, (P.C. 3165) provisions were made for the granting of a War Service Gratuity to certain members of the Naval and Land Forces of Canada. By Section 7 of the said Order in Council, it was provided as follows:—

"If any officer, warrant officer or man, before he and his dependents have received any part or the whole of the gratuity to which they have become entitled under these regulations, is notified as having joined and has been in receipt of pay from any Canadian naval or land force other than that from which he is retired or discharged, the gratuity or the part thereof which at the time remains unpaid, shall not be paid, but such officer, warrant officer or man and his dependents, upon his subsequent retirement or discharge, shall, if then otherwise eligible to receive the gratuity, be entitled to receive the same or the part thereof which has not theretofore been paid, by reference either to the pay and allowances of which they were in receipt or to the pay and allowances of which they are in receipt at the time of such subsequent retirement or discharge whichever were the higher, and he shall, for the purpose of determining the amount of the gratuity by reference to the length and character of his service, be entitled to count his service in both forces."

That by Order in Council dated the 10th January, 1919 (P.C. 29), authority was granted for the reconstitution of the permanent force of the active militia of Canada.

That under the provisions of P.C. 3165, section 7, officers, non-commissioned officers and men who are discharged from the Canadian Expeditionary Force and are engaged or enlisted in the reconstituted permanent force, are dis-entitled to the war service gratuity, because they are in receipt of pay from a Canadian land force, other than that from which they have retired or been discharged.

That it is desirable that provisions be made that the gratuity be payable to Officers, warrant officers and men who may become members of the permanent force or permanent staff upon their transfer to, appointment to, or engagement in the permanent staff or permanent force as reconstituted.

Therefore His Excellency the Governor General in Council is pleased to order and it is hereby ordered that the Order in Council of the 21st December, 1918, (P.C. 3165), shall be and the same is hereby amended by the addition thereto of the following section:—

"For the purpose of these regulations, appointment on the establishment of the permanent staff or the permanent force as reconstituted under Orders in Council (P.C. 29), dated 10th January, 1919, and (P.C. 1569) dated the 22nd June, 1918, shall be equivalent to retirement, and engagement in the reconstituted permanent force shall be equivalent to discharge. Upon completion of demobilization, the gratuity shall be payable to officers, warrant officers and men who are then in the service and who, if they were retired or discharged on completion of demobilization, would be eligible to receive the gratuity. In cases where the gratuity is payable by virtue of this section, payment of the gratuity shall not be withheld by virtue of section 7 above.

Provided that if any officer, warrant officer or man is appointed to or engaged in any naval or land force, after the 11th November 1918, no gratuity shall be paid for service during such appointment or engagement."

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council, on the recommendation of the Minister of the Interior, advise that authority be granted to sell to the Canadian Northern Railway Company, 3.39 acres in the south-east quarter of Section 11, Township 18, Range 1, and 3.66 acres in the north-west quarter of Section 29, Township 25, Range 1, west of the Principal Meridian, for railway right of way purposes, at \$10.00 per acre.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 12th day of June, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 2nd June, 1919, from the Minister of the Interior submitting,—with reference to the Order in Council of the 20th January, 1919, authorizing the issuance of a permit to the Canadian Pacific Railway Company to remove from certain lands in Township 24, Range 4, west of the 3rd Meridian in the Elbow Forest Reserve, a quantity of earth required for filling in a large trestle on the railway right of way in the vicinity, royalty for which privilege is fixed at the rate of one cent per cubic yard of material removed,—that the rate thus fixed is considered to be excessive in view of the nature of the material removed, and the purpose for which it is required; and further, that it has been found impracticable to determine the quantity of material so removed,—

The Minister, therefore, recommends that the said Order in Council of the 20th January, 1919, be so amended as to provide that the compensation to be paid by the company for the privilege referred to be calculated on the basis of the superficial area used, at the rate of \$10 per acre.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 16th day of June, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report from the Minister of the Interior, submitting that the Department of the Interior, acting on the report that certain squatters had located on portions of the N $\frac{1}{2}$ of Section 22, Township 4, Range 9, east of the first Meridian, near the Canadian Northern Railway station of Sandilands, has had a subdivision survey made of said portions in such way as to cover the claimants improvements; that this subdivision has been surveyed under the instructions of the Surveyor General of Dominion Lands and the plan thereof has been registered in the Winnipeg Land Titles Office.

The Minister therefore recommends that he be authorized to dispose of the lots in the said subdivision at the valuation placed thereon by an officer of the Department of the Interior, namely, \$30.00, on the following terms: that those who have already paid \$15.00 before survey (as proof of good faith) be allowed to pay the balance of the purchase price at date of

65113-2

sale or that this sum be considered as first payment and the remainder be paid in three equal consecutive annual instalments; that those who have paid nothing be allowed to pay the whole of the purchase price at the date of sale or that \$15.00 be paid at that date and the balance in three equal consecutive annual instalments, in both cases the rate of interest to be 6 per cent per annum on principal and 7 per cent on all arrears.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 25th day of June, 1919.

PRESENT:

THE DEPUTY GOVERNOR GENERAL IN
COUNCIL.

WHEREAS the Minister of Marine and Fisheries reports that he has had under consideration the attached by-laws respecting loading and handling of explosives in harbours, which have been recommended by the Royal Commission appointed to investigate pilotage matters and explosive regulations.

The authorities of the ports of Quebec, Three Rivers, Halifax, Pictou, St. John and Toronto, have expressed their willingness to accept the proposed by-laws.

The ports of Montreal and Vancouver will deal with this subject by local by-laws passed under the charters of the respective Harbour Commissions.

The Department of Justice states that there is no legal objection to these by-laws being approved.

Therefore the Deputy Governor General in Council, under the provisions of section 854 of the Canada Shipping Act, chapter 113 of the Revised Statutes of Canada, 1906, is pleased to approve and doth hereby approve the by-laws, hereto attached, respecting the loading and handling of explosives in public harbours.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

BY-LAWS RESPECTING LOADING AND
HANDLING EXPLOSIVES IN
HARBOURS.

1. These Regulations shall apply to all public harbours to which the provisions of Part XII of the Canada Shipping Act apply, and to all other public harbours in so far as the same are not inconsistent with regulations already or hereinafter made applicable.

2. In these regulations, unless the context otherwise requires,

(a) the expression "port warden" shall mean the port warden or deputy port warden;

(b) the expression "Harbour Master" shall mean the harbour master or deputy harbour master;

(c) the expression "ship" shall mean every description of vessel used in sea navigation, whether propelled by oars or otherwise;

(d) the expression "boat" shall mean every vessel not being a ship, which is used in navigation of any inland water or harbour, whether propelled by oars or otherwise;

(e) the expression "vessel" shall include a ship or boat;

(f) the expression "ship's ammunition" shall mean any gun powder, shells, rockets or other explosives necessary for the vessel's safety and defence;

(h) The expression "loading berth" shall mean the area set aside for the purpose of loading or discharging explosives in any harbour.

3. The harbour master shall designate a suitable area in the harbour to be used as a loading berth.

4. The following regulations shall be observed in the employment of every vessel carrying explosives:—

(a) The space or spaces in any vessel in which it is intended to carry explosives must, before loading is

commenced, be properly prepared as a magazine, in which all iron must be covered with wood or other material or substance, provided the same is not liable, through coming in contact with water or otherwise, to cause spontaneous combustion or ignition.

(b) No explosives shall be carried on any vessel unless they are completely covered with tarpauline or other suitable material to prevent the communication of fire.

(c) No vessel carrying explosives shall have any matches on board other than safety matches for use on the vessel, and such safety matches shall be kept in a safe place apart from the explosives.

(d) No baggage shall be carried in the hold of any vessel containing explosives.

(e) All vessels carrying explosives shall be fitted with lightning conductors at the main mast and an additional conductor, if specially ordered by the Port Warden. The foregoing provision shall not apply to barges or bateaux not propelled by steam or other motive power.

In the stowing of explosives every precaution shall be taken by means of partitions or otherwise to protect the same from contact with any article or substance which is liable to cause fire or an explosion.

(f) The hatches of any vessel having explosives on board shall be kept closed except during the loading or unloading of the same, and when so closed shall be covered with tarpaulins securely battened.

(g) All electric light wires must be disconnected in the holds containing explosives before the loading of explosives shall be commenced, and the same shall remain disconnected until such explosives are unloaded from such hold or holds.

(h) It shall be the duty of port wardens to examine vessels which carry explosives and see that these regulations are obeyed. In the absence of a port warden it shall be the duty of the harbour master to examine vessels which carry explosives.

5. The following regulations shall be observed in connection with the loading, unloading and handling of explosives in any harbour in Canada:

(a) No explosives shall be loaded from or discharged at any freight shed, quay, jetty, wharf or other place within a harbour other than the loading berth.

(b) No vessel having any explosives on board shall tie up or lie alongside of any quay, wharf, jetty or other place, other than at the loading berth in any harbour in Canada, and in so far as is practicable she shall remain at such loading berth only during the time necessary for the actual loading or unloading of explosives.

(c) No explosives shall be loaded on, discharged from or handled upon any vessel, except under the supervision of a competent officer of such vessel specially charged with such work.

(d) No explosives shall be loaded, unloaded or handled except between sunrise and sunset.

(e) No person engaged in the loading, unloading or handling of explosives shall wear boots or shoes with iron of any kind exposed.

(f) No person engaged in loading, unloading or handling explosives shall carry about his person any fuses, matches, or other combustibles, and he shall not, while so engaged, smoke any tobacco or other substances.

(g) Spark arrestors shall be placed on the top of funnels and smoke stacks while explosives are being loaded or unloaded, or while the ship's hatches are uncovered.

(h) No person under the influence of liquor shall be allowed on board any vessel during the time that explosives are being loaded or unloaded, unless such person is under restraint.

(i) Any explosive which may escape from the package in which it is contained, or be spilt, shall immediately be rendered harmless.

(j) No fires or lights shall be allowed at or near the place, or on any vessel, where explosives are being loaded, unloaded or handled, other than those which may be authorized by the harbour master.

(k) A pudding fender or cushion properly stuffed with oakum covered with leather or canvas, shall be used for shipping or landing every explosive on, either in the hold of any vessel or upon any warehouse, wharf or other place.

(l) Whenever any explosives are to be loaded on or discharged from any vessel, the hold so far as may be practicable, and the gangways and decks of such vessel shall be carefully cleaned and swept.

(m) While the loading, unloading or conveyance of explosives is going on, all persons engaged in such loading, unloading or conveyance shall observe all due precautions for the prevention of accidents by fire or explosion and for preventing unauthorized persons having access to the explosives so being loaded, unloaded or conveyed, and shall abstain from any act whatsoever which tends to cause fire or explosion, and is not reasonably necessary for the purpose of the loading, unloading or conveyance of such explosives, and for preventing any other person from committing any such act, and any such other person who, after being warned, commits any such act, shall be deemed to commit a breach of this by-law.

(n) It shall be the duty of the owner and master to see that the provisions of these regulations are observed.

6. The following regulations shall be observed by vessels carrying explosives navigating within harbours.

THE Committee of the Privy Council have had before them a report from the Minister of the Interior, submitting that under the provisions of section 10 of The Dominion Lands Act, a person who has bona fide settled and made improvements on agricultural land before the survey thereof and is in occupation of and ordinarily resident on the land at the time of survey, shall, if he is eligible under the said Act to make entry for a homestead, have a prior right to obtain entry for the land so settled on, provided that this right is exercised within six months after a notice in writing that the land is open for entry, has been given by the local agent to the said person; that John Buchanan, of Peace River Crossing, Alberta, being entitled under the provisions of the said Section 10 of the Dominion Lands Act to prior right to obtain homestead entry for the southeast quarter of Section 23, Township 83, Range 21, West of the 5th Meridian, was unable to exercise his right to homestead entry on account of the surveyed lands in this township not having been made available for settlement; that the said John Buchanan enlisted in the Canadian Expeditionary Force on the 12th July, 1915, and has been officially reported as having died in France on the 4th December, 1918, of lobar pneumonia and for the said reason was unable to exercise his right of entry for the said land to which he was entitled under the provisions of the said Section 10 of the Dominion Lands Act.

The Minister, therefore, recommends that the said John Buchanan, now deceased, be given the status of an entrant for a homestead with respect to the aforementioned southeast quarter of Section 23, Township 83, Range 21, west of the 5th Meridian, in order that his estate may obtain letters patent for the said land under the provisions of the Orders in Council of the 8th May, 1915, P.C. 1042, and the 20th September, 1915, P.C. 1250, which provide for the immediate issue of letters patent for the homestead in the case where an entrant has died on active military service in defence of the British Empire as a result of illness therefrom.

The Committee concur in the foregoing recommendation and submit the same for approval.

APPLICATIONS TO PARLIAMENT.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As revised and brought in force 22nd March, 1916.

Every applicant for a bill of divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in

Quebec, Manitoba, Saskatchewan, Alberta, British Columbia, or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but, otherwise, shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known, or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for a bill of divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage the names in full of the parties thereto, their ages and occupations, when, where, and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of, the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

- (a) The respondent's residence at the time of sending such notice.
- (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
- (c) The name and address of the solicitor, if any, acting for the respondent.
- (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

"Au nom des Communes je présente à Votre Excellence le Bill suivant :—

que je prie humblement Votre Excellence de sanctionner."

A ce bill la sanction royale a été donnée par le greffier du Sénat, par ordre de Son Excellence dans les termes suivants :—

"Au nom de Sa Majesté, Son Excellence le Gouverneur général remercie ses loyaux sujets, accepte leur bienveillance et sanctionne ce bill."

Après quoi il a plu à Son Excellence le Gouverneur général de clore la DEUXIÈME SESSION DU TREIZIÈME PARLEMENT par le discours suivant :—

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

La Conférence de la Paix à Paris touche au terme de ses travaux, qui ont déjà eu pour résultat l'acceptation par l'Allemagne du Traité signé à Versailles le 28 juin dernier. Les termes de la paix ont été présentés aux plénipotentiaires de l'Autriche et sont encore à l'étude avant d'être soumis aux représentants des autres nations avec lesquelles nous avons été en guerre.

Mes Ministres recevront des copies authentiques de ces traités, en temps et lieu, elles seront ensuite présentées aux deux Chambres du Parlement, à une session convoquée spécialement à cette fin.

Le *status* des Dominions de l'Empire britannique à la Conférence de la Paix a été dûment reconnu par le rang assigné à leurs représentants aux délibérations. Le Premier Ministre et autres de mes Conseillers ont pris part à la Conférence de la Paix; deux plénipotentiaires canadiens ont signé le traité de paix avec l'Allemagne; et conformément aux récents développements dans les relations constitutionnelles, les pouvoirs nécessaires à cet effet leur ont été octroyés par Sa Majesté, sur la recommandation de mes Conseillers.

Les suites terribles et désastreuses du conflit mondial, durant les cinq dernières années, se manifestent aujourd'hui par le bouleversement des conditions normales et le sentiment d'inquiétude si évident en plusieurs pays.

Bien que notre Dominion n'ait pas entièrement échappé à ces tendances, nous sommes heureux de constater qu'elles sont moins sérieuses ici que dans beaucoup d'autres pays. Espérons que la ratification de la Paix contribuera beaucoup à calmer le malaise actuel et à remettre les nations dans la voie des travaux réguliers et paisibles.

En vue d'éviter toute perturbation industrielle, et pour assurer des relations plus durables et une meilleure entente entre les patrons et les employés, mes Conseillers se proposent de convoquer prochainement une réunion de représentants pour discuter ces questions amicalement et étudier le rapport de la Commission sur les relations industrielles et les recommandations qui y sont faites.

Le corps expéditionnaire canadien est presque entièrement de retour au pays et la tâche de la démobilisation s'est effectuée plus rapidement qu'on ne l'avait d'abord cru possible. L'œuvre de l'assistance aux soldats de retour en ce qui regarde leur éducation professionnelle, et à leur établissement sur des fermes avance rapidement, et on croit que sur ce point le Canada ne le cède en rien aux autres pays.

La législation mise en vigueur pendant la présente session est à la fois très étendue et très importante. La législation concernant le Rétablissement des Soldats, les Pensions, les Coalitions et Monopoles, l'Éducation technique, la Construction et l'Amélioration des Grandes Routes et la Santé publique est spécialement digne de remarque. Sont également importantes la Loi de Faillite, la mesure autorisant la création chargée du contrôle de l'Aviation et la loi pourvoyant à l'exploitation des Chemins de fer de l'État. J'ai confiance que ces mesures et autres également importantes que vous avez mises à l'étude et qui ont reçu votre approbation seront à l'avantage de l'intérêt public.

Messieurs de la Chambre des Communes :

Je vous remercie, au nom de Sa Majesté, des généreux subsides que vous avez votés pour les fins du service public, et pour la démobilisation et autres objets nécessaires relatifs à la guerre.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

De la terrible lutte à laquelle notre pays a pris une part si remarquable, le Canada sort avec l'orgueilleuse satisfaction qu'en remplissant son devoir pour la civilisation et pour l'humanité, il a pris une position

importante parmi les nations. Les obligations que nous impose la guerre sont sérieuses, mais non au-dessus de nos forces. De fait, elles sont insignifiantes si on les compare à nos énormes ressources de toutes sortes. Favorisés d'un héritage immense, nous envisageons l'avenir avec une confiance justifiée, bien résolus à voir s'élever sur nos bords une nation grande et prospère.

L'ORATEUR du Sénat alors dit :

C'est le plaisir de SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL, que ce Parlement soit prorogé jusqu'à samedi, le 16e jour d'août prochain pour être tenu en ce lieu, et ce parlement est, en conséquence, prorogé jusqu'à samedi, le 16me jour d'août prochain.

Lundi, le 16e jour de juin 1919.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENE-
RAL EN CONSEIL.

A la recommandation du ministre de l'Intérieur le
comité du Conseil privé propose qu'on exempte
des obligations de résidence prescrites par la *Loi des
terres fédérales*, madame Matilda Kent Tryon, en ce
qui concerne son inscription de homestead pour le
quart nord-est de la section 18, township 48, rang 26
à l'ouest du 2e méridien, en vertu du paragraphe 2 de
l'article 20 de la loi, pour que patente gratuite dudit
terrain soit délivrée à Madame Tryon sur preuve
fournie de la manière ordinaire que les autres condi-
tions de la loi ont été remplies.

Il appert, d'après les pièces soumises au comité, que
madame Tryon a obtenu l'inscription de homestead
dudit terrain le 13 janvier 1914, que le rapport de
l'inspecteur de homestead daté le 24 avril 1919, déclare
que l'inscrite y a érigé une maison évaluée à \$100.00,
y a rempli ses obligations de culture pendant quatre
ans et fait trente-cinq acres de défoncement. D'après
un certificat médical du docteur T. F. S. Hutchison,
madame Tryon a subi un accident le ou vers le six
septembre 1915, alors qu'elle eut la hanche gauche dis-
loquée et brisée, que depuis cet accident elle ne s'est
livrée à aucun des rudes travaux de homestead et,
d'après le docteur Hutchison, il lui sera toujours im-
possible de se livrer à un travail nécessitant son dé-
placement et de remplir les obligations requises d'un
inscrit pour un homestead.

Greffier du Conseil privé.

Lieutenant gouverneur en conseil de la province de
Manitoba pour le transfert à la province du chemin ar-
penté traversant le township 29, rang 8, à l'ouest du
méridien principal, pour les fins d'un chemin public ;

Et attendu que sont décrits comme suit les terrains

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 2 juin 1919, représentant au sujet de l'arrêté en conseil du 20 janvier 1919, autorisant l'octroi d'un permis à la Compagnie de chemin de fer Pacifique Canadien d'enlever de certains terrains dans le township 24, rang 4, à l'ouest du 3e méridien, Réserve forestière "Elbow", une quantité de terre requise pour le remblai d'un viaduc sur le passage de ce chemin de fer dans cette localité, pour quel dit privilège est fixé un droit de un cent par verge cube de terre ainsi enlevée—que le droit fixé est considéré excessif vu la nature du matériel ainsi enlevé et sa destination, et que de plus il a été trouvé impossible de mesurer la quantité de matériel ainsi enlevé.

Le Ministre, par conséquent, recommande que ledit arrêté en conseil du 20 janvier 1919 soit modifié de manière à ce que le prix à être payée par la compagnie pour ledit privilège soit calculé d'après la superficie du terrain d'où la terre est enlevée au taux de \$10.00 l'acre.

Le comité agréé cette recommandation et la soumet pour approbation.

Et attendu que le terrain en question est disponible d'après les archives du département de l'Intérieur et que le ministre est d'avis que cette demande soit accordée,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 75 de la *Loi des terres fédérales*, de mettre en réserve et d'affecter ledit terrain aux fins d'une église et d'en autoriser la concession à la Corporation épiscopale ruthène catholique grecque pour lesdites fins.

PRÉSENT :

LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que le ministre de l'Intérieur fait rapport comme suit :—

Le 6e jour de juillet 1916 a été passé un arrêté en conseil autorisant la concession au Greater Winnipeg Water District, constitué en corporation publique sous le régime du chapitre 22 des statuts de la législature de la province du Manitoba, promulgués en l'année 1913, les terrains nécessaires pour le passage d'un système de conduites d'eau et pour permettre le drainage des terres de chaque côté dudit système, ainsi que pour le passage d'un second système de conduites, s'il devient nécessaire plus tard, dans le but de fournir à la ville de Winnipeg et aux localités voisines un approvisionnement suffisant d'eau pure, à partir d'un point sur le lac Shoal jusqu'à la ville de Winnipeg, une distance d'environ 100 milles.

Le district a demandé la concession d'une superficie additionnelle dans le quart nord-ouest de la section 33, township 7, rang 14, à l'est du méridien principal, nécessaire au dites fins. Le terrain demandé était autrefois compris dans l'inscription de homestead de Mike Kaczuk, mais a été subséquemment transféré au district par sa femme, administratrice de ses biens, qui a obtenu une concession équivalente en étendue dans le quart sud-ouest de la même section.

Par conséquent, il plaît au suppléant du Gouverneur général en conseil, d'accorder par les présentes au Greater Winnipeg Water District la concession gratuite du terrain ci-après décrit, subordonnement à la condition qu'au cas où lesdits terrains serviraient à d'autres fins que les fins ci-haut mentionnées, redeviendront la propriété de la Couronne.

Description.

Toute cette partie du quart nord-ouest de la section 33, township 7, rang 14, à l'est du méridien principal, colorée rouge sur un plan déposé au département de l'Intérieur sous le numéro 26537, ainsi qu'au bureau des titres des terres à Winnipeg sous le numéro 2495, et contenant une acre et soixante-neuf centièmes (1.69) plus ou moins.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que le ministre de l'Intérieur fait rapport que certains terrains ont été soustraits à l'application de la *Loi des réserves forestières* et mis en réserve pour qu'il en soit disposé sous l'empire de la *Loi d'établissement des soldats* et que le Ministre et la Commission d'établissement des soldats jugent opportun de disposer desdits terrains en en limitant la concession aux soldats seulement, abolissant le privilège d'inscription ordinaire de homestead, et mettant en réserve, en rapport avec chaque inscription de soldat, une étendue contiguë de quatre-vingts acres qui sera vendue ou autrement cédée à l'inscrit à telles conditions, outre les obligations prescrites dans son inscription, que peut à l'avenir imposer la Commission avec l'assentiment du Conseil.

Et attendu qu'il est prescrit à l'article 9 des règlements d'établissement des soldats sur les terres fédérales, établis par arrêté en conseil du 14 mai 1918, que dans le cas où du terrain serait requis pour des fins spécifiques en rapport avec l'établissement des soldats la Commission peut mettre ces terrains en réserve pour toutes fins qui seront jugées nécessaires, et il est dési-

nable de définir plus minutieusement les pouvoirs de la Commission à cet effet.

Par conséquent, il plaît au suppléant du Gouverneur général en conseil, de décréter que le paragraphe qui suit est par les présentes ajouté à l'article 16 des Règlements d'établissement des soldats sur les terres fédérales établis par arrêté en conseil du 14 mai 1918, savoir :—

"Toutefois, la Commission, dans le but d'affecter un terrain particulier exclusivement aux inscriptions de soldats, peut soustraire ce terrain à l'inscription par des colons ou autres et en disposer pour les soldats seulement, et elle peut également réserver toute superficie contiguë ou non à tout tel terrain pour en disposer par vente ou de toute autre manière que la Commission, avec l'approbation du Gouverneur en conseil, peut de temps à autre prescrire."

Lundi, le 23e jour de juin 1919.

PRÉSENT :

LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL
EN CONSEIL.

ATTENDU que le ministre de l'Intérieur fait rapport comme suit :

Il a été représenté au département de l'Intérieur que des découvertes de minéraux ont été faites dans certaines régions éloignées et difficiles d'accès des Territoires du Nord-Ouest du Canada et que, vu les conditions climatiques, les difficultés de transport et la brièveté de la saison il a été impossible aux découvreurs d'y prospecter par le forage ou autres méthodes au point d'établir à l'évidence que les emplacements jalonnés et enregistrés contenaient le minerai le plus riche de la découverte, alors que profitant de leurs dépenses et prenant avantage de leur entreprise d'autres pourraient obtenir la concession de terrains miniers contenant du minerai plus riche, les privant ainsi du profit légitime auquel ils ont droit à titre de découvreurs.

Il semble être d'intérêt public d'encourager autant que possible la découverte de minerai et le développement de mines d'une valeur économique dans les régions reculées des Territoires du Nord-Ouest et d'aider à surmonter les obstacles qu'offrent les conditions climatiques et les difficultés de transport à l'établissement d'une grande industrie minière dans cette partie du pays.

Par conséquent, il plaît au suppléant du Gouverneur général en conseil de modifier par les présentes les règlements régissant la concession des claims de quartz sur les terres fédérales (règlements approuvés par un arrêté en conseil du 25 mai 1917) en ajoutant la disposition suivante à l'article 47 desdits règlements :

"Lorsque du minerai en gîtes de valeur économique est découvert dans des terres fédérales dans les Territoires du Nord-Ouest du Canada et que des claims comprenant ces découvertes ont été enregistrés, développés et arpentés conformément aux dispositions des présents règlements, et lorsqu'il est établi à la satisfaction du Ministre que le propriétaire de tels claims enregistrés est prêt à s'imposer de fortes dépenses additionnelles dans la poursuite des travaux de recherche et de développement en vue de nouvelles découvertes et de l'établissement ultérieur d'une importante industrie minière, le Ministère peut réserver, avec l'approbation du Gouverneur général en conseil, lorsqu'un requérant en fait la demande et prouve qu'il dispose d'un capital suffisant pour la réalisation de son projet et à l'intention de faire les dépenses nécessaires, pour telle période et à telles conditions que l'éloignement de la région semble justifier, les droits miniers disponibles sous le régime des présents règlements sur telle étendue contiguë aux claims déjà acquis par le requérant qui peut être jugé nécessaire pour la poursuite des recherches légitimes, en proportion des frais encourus et des dépenses projetées. De la personne pour laquelle telle

65113—5½

réserve est faite il peut être exigé par un avis à cet effet qu'elle rétrocede de temps à autre telle partie de la réserve que le Ministre juge opportun dans l'intérêt public, et les terrains ainsi rétrocedés seront immédiatement soustraits de la réserve et redeviendront sujets à toutes les dispositions des règlements. Le recordier minier du district, tant que cette réserve sera en vigueur, refusera d'enregistrer tout claim minier dans les limites de la réserve sauf en faveur du requérant ou de tout autre qui prouve qu'il est un associé financier de tel requérant dans l'établissement de telle industrie minière projetée.

Mercredi, le 18e jour de juin 1919.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL
EN CONSEIL.

ATTENDU que le Ministre de l'Intérieur fait rapport comme suit :—

L'article 9 des Règlements d'établissement des soldats approuvés le 14 mai 1918, prescrit :—

"Dans le cas d'un terrain mis en réserve en vertu de la loi et qui est requis pour une fin déterminée en rapport avec l'établissement des soldats la Commission peut soustraire tel terrain à l'application des dispositions générales régissant les inscriptions de soldats, avant ou après leur mise en disponibilité pour inscription, et le remettre en réserve pour telles fins que jugé nécessaire."

Le but principal de la Commission en recommandant l'adoption de cette disposition était de faciliter la mise en réserve de terrains destinés à des groupes spéciaux de colons désireux d'envoyer des représentants inspecter les localités, surtout celles qui sont éloignées des chemins de fer, et si le rapport de ces représentants était satisfaisant, de réserver ces terrains pour en disposer d'une manière spéciale en faveur de ces colons avant ou après l'arpentage et la mise en disponibilité pour inscription de ces terrains jusqu'à ce que les membres du groupe aient définitivement décidé de s'inscrire.

Un groupe de colons en perspective ont fait une reconnaissance du bloc de la rivière La Paix et ont arrêté leur choix sur des terrains convenables ; de plus un examen spécial de ces terrains a été fait par le représentant de ces colons et des représentants de la Commission d'établissement des soldats et les terrains choisis ont été spécialement mis en réserve par la Commission pour en disposer en faveur de ces colons sous le régime dudit article 9.

Que les règlements donnent le pouvoir d'en agir ainsi a été mis en doute, particulièrement dans le cas des terres non arpentées, et il importe de définir plus clairement les pouvoirs de la Commission sous ce rapport.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, sous l'empire de la *Loi d'établissement des soldats*, de décréter que l'article 15 des règlements de la Commission d'établissement des soldats, approuvés par un arrêté en conseil du 14 mai 1918, soit par les présentes modifié en y ajoutant ce qui suit : "Nonobstant toutes dispositions des présents règlements, les inscriptions pour les terrains spécialement mis en réserve par la Commission en vertu de l'article 9 des présentes afin qu'il en soit disposé en faveur des membres d'un groupe de colons qui, avec l'approbation de la Commission, ont choisi des terres fédérales convenables, ne seront accordées qu'aux colons pour lesquels ces terrains ont été spécialement réservés et sur tel avis à ces colons que la Commission peut juger à propos ; toutefois, dans le cas où une demande d'inscription n'est pas faite dans un délai satisfaisant pour la Commission, la réserve spéciale est annulée."

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur représentant que le département, sur la foi d'un rapport que certains squatters s'étaient établis sur certaines parties de la moitié nord de la section 22, township 4, rang 9, à l'est du 1er méridien, près de la gare de Sandilands du chemin de fer Canadien-Nord, a fait subdiviser les lits terrains par arpentage de façon à inclure les améliorations des réclamants. Cette subdivision a été faite d'après les instructions de l'Arpenteur général des terres fédérales et le plan en a été enregistré au bureau des titres des terres à Winnipeg.

Le ministre, par conséquent, recommande qu'on l'autorise à disposer des lots de ladite subdivision à un prix fixé par un fonctionnaire du ministère de l'Intérieur, soit \$30.00, et aux conditions suivantes, savoir : qu'il soit permis à ceux qui ont déjà versé \$15 (comme preuve de bonne foi) de payer la balance du prix d'achat à la date de la vente, ou que cette somme soit comptée comme premier versement et que la balance soit payable en trois versements annuels consécutifs. Qu'il soit permis à ceux qui n'ont encore rien payé de verser le total du prix d'achat à la date de la vente ou de payer \$15 à la date de la vente et la balance en trois versements annuels consécutifs égaux, avec intérêt dans les deux cas au taux de six pour cent par an sur le capital, et sept pour cent sur tout arrérage.

Le comité agréé cette recommandation et la soumet pour approbation.

PRÉSENT :

LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que le Ministre de l'Intérieur fait rapport comme suit :

M. Christel Bankhead a demandé l'inscription de homestead pour le quart nord-ouest de la section 29, township 77, rang 2, à l'ouest du 6e méridien, et M. Press B. Bankhead pour le quart nord-est de la section 29, township 77, rang 2, à l'ouest du 6e méridien, basant leur demande sur le fait qu'ils s'étaient établis sur le terrain avant la date de l'arpentage.

En vertu du paragraphe 1 de l'article 39 de la *Loi des terres fédérales*, les sections 11 et 29 de tous les townships arpentés de Manitoba, Saskatchewan et Alberta sont mis en réserve à titre de terres des écoles et sont soustraites à l'application des dispositions de la loi concernant les inscriptions de homestead, préemption ou vente.

Il est cependant stipulé que toute personne qui prouve à la satisfaction du Ministre qu'elle s'est établie de bonne foi et a fait des améliorations sur toute telle section avant le commencement de l'arpentage de cette section, peut obtenir une inscription de homestead pour ce terrain ainsi occupé, n'excédant pas un quart de section, mais une superficie de terrain disponible égale au terrain qui peut être obtenu à titre de homestead sera mise en réserve comme terrain des écoles et avis en sera publié dans la *Gazette du Canada*.

Le Département de l'Intérieur a reçu la preuve satisfaisante que Messieurs Christel Bankhead et Press B. Bankhead ont droit à des inscriptions de homestead pour ladite demi-section, et l'Inspecteur de homestead Newton a fait rapport qu'il a choisi la moitié ouest de la section 32, township 77, rang 2, à l'ouest du 6e méridien, pour indemniser le Fonds des terres des écoles pour la cession de la moitié nord de la dite section 29.

Par conséquent, il plaît au suppléant du Gouverneur général en conseil de décréter par les présentes que la moitié nord de la section 29, township 77, rang 2, à l'ouest du 6e méridien, soit rendue disponible pour inscription de homestead et que la moitié ouest de la section 32, township 77, rang 2, à l'ouest du 6e méridien, soit mis en réserve comme terres des écoles.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que le ministre de la Milice et de la Défense fait rapport qu'un arrêté en conseil du 21 décembre 1918 (C.P. 3165), prescrit qu'une gratification de service sera accordée à certains membres des forces navales et militaires du Canada. L'article 7 dudit arrêté en conseil prescrit ce qui suit :

"7. Si un officier, sous-officier ou soldat, avant que lui ou ses dépendants aient reçu une partie de la gratification ou toute la gratification à laquelle ils ont droit sous le régime des présents règlements, est enregistré comme enrôlé et a reçu la solde d'un corps naval ou militaire canadien autre que celui dont il est retraits ou a été congédié, la gratification ou la partie de la gratification qui reste alors impayée ne sera pas payée, mais cet officier, sous-officier ou soldat et ses dépendants, lors de sa retraite ou de son congé subséquent, s'il est autrement qualifié pour recevoir la gratification, aura droit de la recevoir ou d'en recevoir la partie qui n'a pas encore été payée, par rapport soit à la solde et aux allocations qu'ils recevaient ou à la solde et aux allocations qu'ils reçoivent lors de telle retraite ou de tel congé subséquent, et de celles-là les plus élevées ; et pour déterminer le montant de la gratification par rapport à la durée et le caractère de son service il aura droit de compter son service dans les deux corps."

Par un arrêté en conseil daté le 10 janvier 1919, (C.P. 29) l'autorisation a été accordée de reconstituer l'effectif permanent de la milice active du Canada.

Sous le régime des dispositions de l'arrêté en conseil 3165, article 7, les officiers, sous-officiers et soldats congédiés du corps expéditionnaire canadien et qui s'engagent ou s'enrôlent dans le corps permanent reconstitué, n'ont plus droit à la gratification de service, parce qu'ils reçoivent une solde d'un corps militaire canadien autre que celui dont ils ont démissionné ou ont été congédiés.

Il est opportun qu'il soit prescrit que la gratification soit payable aux officiers, sous-officiers et soldats qui deviendront membres du corps ou état-major permanent lors de leur transfert, nomination ou enrôlement dans un état-major ou corps permanent ainsi reconstitués.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil de décréter par les présentes que l'arrêté en conseil du 21 décembre 1918 (C.P. 3165) soit par les présentes modifié en y ajoutant le paragraphe suivant :

"Pour les fins des présents règlements, la nomination à l'effectif de l'état-major permanent ou de la force permanente ainsi que reconstitués sous le régime des arrêtés en conseil n° 29, daté le 10 janvier 1919 et n° 1569 daté le 22 juin 1918, sera équivalente à la retraite, et l'engagement dans la force permanente reconstituée sera équivalent au congé. Lorsque la démobilisation sera terminée la gratification sera payable aux officiers, sous-officiers et soldats qui seront alors dans le service et qui, s'ils étaient mis à la retraite lors de la démobilisation, aura droit à la gratification. Dans les cas où la gratification est payable en vertu du présent article le paiement n'en sera pas retenu sous l'empire de l'article 7 ci-dessus.

"Toutefois, si un officier, sous-officier ou soldat est nommé ou engagé dans une force navale ou militaire après le 11 novembre 1918, aucune gratification de service ne lui sera payée au cours de la durée de sa nomination ou de son engagement."

DEMANDES AU PARLEMENT.

SÉNAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDURE DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors

dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre, si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée «partie défenderesse».

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

- (1) La résidence du pétitionnaire à l'époque de la signification.
- (2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.
- (3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.
- (4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat, aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse, et donner dans cet avis au greffier du Sénat:

- (a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.
- (b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.
- (c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.
- (d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat, doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

A. E. BLOUNT,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré dans la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal, —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone, —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants devront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements

qui s'y relie, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de prolonger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs), d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit dans la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé n'est prise en considération par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes, mentionner en même temps et de la même manière les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toutes personnes qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 60 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:

- p(a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill, pour chaque suspension..... \$ 100 00
- (b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième..... 100 00
- (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... 200 00
- (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000..... 100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subéquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter à quelque date que ce soit le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire, imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS

91. Toutes demandes, quelles qu'elles soient, adressées au parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; ledit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie dudit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation desdits travaux, et aussi au secrétaire de la province dans laquelle lesdits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important, comme suit:

A) Lorsque la demande sera faite pour un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal:—Dans la principale cité ou ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés.

2. Une compagnie de télégraphe ou de téléphone:—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers:—Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommis; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques:—Dans la *Gazette du Canada* seulement.

B) Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements desdits chemins de fer ou canal:—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télé-

graphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie:—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées «Avis de bill privé».

D) Tout pareil avis sera transmis par la poste, par lettre enregistrée, de manière à parvenir au secrétaire de la province et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi, et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails; et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

W. B. NORTHRUP,
Greffier de la Chambre des Communes.
