WHEREAS the Minister of the Interior reports that he has received from the Department of Justice a request that a certain parcel of land in the Nisbet Forest Reserve be made available for the use of the Saskatchewan Penitentiary, for the purpose of removing sand and gravel therefrom by means of convict labour;

And whereas provision is made in the Dominion Forest Reserves and Parks Act for the granting of the right to remove sand and gravel from forest reserves, and the granting of such right in the present instance will not interfere with the purposes for which the forest reserve was established,—

WHEREAS the Minister of the Interior reports that in accordance with the agreement between the Province of British Columbia and the Dominion respecting the construction of the highway known as the Banff-Windermere road, the Province of British Columbia has transferred to the Dominion for Dominion Park purposes a tract of land ten miles in width along the said Banff-Windermere highway, and it is desired that this area together with a portion of the lands in the railway belt along the said highway be established a Dominion Park,—

Therefore, His Excellency the Administrator in Council, on the recommendation of the Minister of the Interior and pursuant to the provisions of the Dominion Forest Reserves and Parks Act, is pleased to order and doth hereby order and direct that the land as hereinafter described be, by proclamation, designated a Dominion Park to be and to be known as Kootenay Park:

All and singular that certain parcel or tract of land in the Province of British Columbia in the Dominion of Canada situate lying and being between the easterly limit of the Golden-Windermere highway and the boundary line between the Provinces of British Columbia and Alberta, and extending between two lines parallel to and five miles perpendicularly distant from the centre line of the portion of the Banff-Windermere highway, as shown on the six plans of said highway on record in the Dominion Parks Branch of the Department of the Interior as numbers 63-3, 63-4, 63-6, 63-9, 63-10, 63-11,

Wednesday, the 21st day of April, 1920.

PRESENT:

HIS EXCELLENCY THE ADMINISTRATOR
IN COUNCIL.

WHEREAS the Minister of the Interior reports that it is considered advisable to readjust the boundaries of the Yoho Park, so as to include a small area to the north of the Park at present a part of the Yoho Forest Reserve, the location of this area and the nature of its physical features making it more suitable for the purpose of a Park than for a Forest Reserve, and it is also desirable to exclude from the southern part of the Park a small area which owing to its location and the timber thereon would make a valuable addition to the Yoho Forest Reserve,—

Therefore, His Excellency the Administrator in Council, on the recommendation of the Minister of the Interior, and pursuant to the provisions of the Dominion Forest Reserves and Parks Act, is pleased to order and doth hereby order and direct that the portion of the Order in Council of the 8th June, 1911, establishing the Yoho Park, be rescinded and that the land as hereinafter described be, by proclamation, designated a Dominion Park to be and to be known as the Yoho Park:

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Thursday, the 22nd day of April, 1920.

PRESENT:

HIS EXCELLENCY THE ADMINISTRATOR
IN COUNCIL.

WHEREAS the Minister of the Interior reports as follows:

An application was made by the Chairman of the Board of Highway Commissioners for the Province of Saskatchewan on the 17th May, 1915, to obtain title to a strip of land twenty feet in width in section 20, township 16, range 19, west of the 3rd meridian, said strip of land lying parallel to and immediately adjoining the north boundary of the said section 20, and containing 2.42 acres, more or less, for the purpose of providing access to Standing Rock School House, and as the same would be purely for local use, the twenty-foot strip would be sufficient;

It was stated that the laws of the Province did not permit of the Province making a survey of a roadway less than sixty-six feet in width, but it was thought that possibly the Department of the Interior would be willing to reserve this roadway in the grants from the Crown covering the remaining portion of this half-section;

The matter of the reservation of this roadway has been under consideration, and it was decided that there was no objection to a reservation of the land referred to herein being made in favour of the Province of Saskatchewan for the purpose of a roadway.—

Therefore, His Excellency the Administrator in Council, on the recommendation of the Minister of the Interior, is pleased to reserve and doth hereby reserve a strip of land twenty feet in width in section 20, township 16, range 19, west of the 3rd meridian, lying parallel to and immediately adjoining the north boundary of this section for the Province of Saskatchewan for the purpose of a roadway for such period as the land may be required by the aforesaid Province for that purpose.

3.85 acres of the south east quarter of section seven.

Township 24, range 10, west of principal meridian 5.03 acres of the south east quarter of section fourteen as shown coloured in pink on a plan of the said roadway signed by George A. The Minister therefore recommends that the said lands comprising an aggregate area of 54.56 acres be transferred to the Province of Manitoba for road purposes.

The Board concur in the above recommendation and submit the same for favourable consideration.

And whereas it is of the greatest importance to the interest of stock owners and to the preservation of a profitable market for western cattle that active steps for the eradication of mange should be continued;

And whereas after careful enquiry and due consideration it has been decided that the first dipping should commence June 24th and the second dipping is not less than ten nor more than fifteen days thereafter,—

The expenses of and incidental to such collection, detention and dipping shall be borne by the owners of the animals, and, if advanced by the inspector or other authorized person, shall be collectible from the owner thereof without prejudice to the recovery of any penalty for the infringement of these regulations.

The amount charged for the treatment of stray cattle, or of cattle whose owners neglect or refuse to comply with the above orders, so far as they refer to treatment, shall in no case exceed twenty-five cents per animal for each dipping; provided that when it is necessary to collect such animals and to hold them for the second dipping, an additional sum of one dollar per animal may be collected.

The Special Cattle Mange Order for Alberta and Saskatchewan, authorized by Order in Council dated June 8, 1911, and amended December 1, 1913, October 3, 1914, April 6, 1916, March 22, 1919, May 16, 1919, September 6, 1919, October 22, 1919 and November 3, 1919, is hereby cancelled, and His Excellency in Council is also pleased in virtue of the provisions of chapter 75, of the Revised Statutes of Canada, 1906, to order that the annexed regulations relating to mange in cattle in the above portions of the Provinces of Alberta and Saskatchewan, shall be and the same are hereby established.

INTERIOR:—

The Board had under consideration a memorandum from the Honourable the Minister of the Interior reporting that application has been made by the Rural Municipality of Mantario No. 202, Saskatchewan, for a grant for cemetery purposes of two acres of land comprised in the N.W. ¼ of section 28, township 26, range 27, west of the third meridian.

The Minister is of the opinion that the application should receive favourable consideration and the land in question being available according to the records of the Department of the Interior, recommends that under the provisions of section 70 of the Dominion Lands Act, a grant thereof be authorized to the Rural Municipality of Mantario No. 202 for the said purposes.

The Board concur in the above recommendation and submit the same for favourable consideration.

RODOLPHE BOUDREAU,

45-4

Clerk of the Privy Council.

[895]

AT THE GOVERNMENT HOUSE AT OTTAWA,

Monday, the 26th day of April, 1920.

PRESENT:

HIS EXCELLENCY THE ADMINISTRATOR IN COUNCIL.

WHEREAS section 16 of the Coal Mining Regulations, established by Order in Council, dated the 20th of April, 1910, provides as follows:—

"If the application is granted, the locator shall be notified in writing and he shall be given a period of thirty days from the date of the receipt of his application within which to pay to the Agent of Dominion Lands the full amount of the rental for the first year of the term of the lease, at the rate of one dollar (\$1) per acre, and upon the receipt of such rental the lease shall be issued and shall bear date from the day upon which the application was granted. If the rental is not paid within the time specified, the application shall absolutely lapse, and the rights applied for shall become available for other disposition."

And whereas the Minister of the Interior reports that representations have been made to the Department of the Interior that the meaning of the above provision has in some cases been misunderstood,—

Therefore, as it would appear to be advisable, in the public interest, to place beyond doubt the meaning which it is intended to convey, His Excellency the Administrator in Council, on the recommendation of the Minister of the Interior, is pleased to order that section 16 of the Coal Mining Regulations, established by Order in Council of 20th April, 1910, above quoted, be and the same is hereby rescinded, and the following is hereby substituted therefor:—

"The applicant for a lease of coal mining rights shall be given a period of thirty days

from the date of the receipt of his application within which to pay to the Agent of Dominion Lands for the district the full amount of the rental for the first year of the term of the lease at the rate of one dollar an acre. If the rental is not received within the time specified, the application shall absolutely lapse, and the rights applied for shall again become available for other disposition in the discretion of the Minister. The lease, if issued, shall bear date the day upon which the application was granted."

And whereas section 19 of the above mentioned Coal Mining Regulations provides for the furnishing of sworn returns of operations and for the payment of royalty on the merchantable output of the mine;

And whereas difficulty has in some cases been experienced in obtaining from coal mining operators the returns provided for,—

Therefore, His Excellency the Administrator in Council, on the recommendation of the Minister of the Interior, is further pleased to order that the said section 19 of the Coal Mining Regulations be and the same is hereby amended by adding the following provision thereto:—

"In the event of it being found necessary, after the operator of the mine has been requested three times in writing to forward any overdue return, to send a mining inspector or other officer to secure the same, the Minister may charge and may collect from the recorded owner of the location so in default, the expenses incurred in connection with securing such return, and failure to make payment of the expenses so incurred shall render the lease subject to immediate cancellation."

And whereas the Minister of the Interior further reports that the lessee of a coal mining location, acquired under the regulations, may, as a matter of convenience or expediency, establish his entry or shaft, instal his surface machinery and equipment, and construct his mine buildings at or in close proximity to one of the boundaries of his location, and that serious damage might result from the removal of the coal from the adjoining location up to the boundary at or near which such improvements have been placed,—

Therefore, in order to prevent such damage, and to guard against the danger which might arise from the accumulation of water or the occurrence of fire in a mine, His Excellency the Administrator in Council, on the recommendation of the Minister of the Interior, is further pleased to order that the following provision be and the same is hereby added to section 12 of the above mentioned Coal Mining Regulations:—

"The lessee, however, shall not mine or excavate any coal within sixty feet from the boundary lines of the location which may be leased to him, and the rights and privileges granted under the lease shall not extend to the mining of any coal which lies within sixty feet from the said boundary lines, nor shall the lessee make or suffer to be made any opening underground into any adjoining lands through the said barrier of sixty feet, which it is intended shall remain as a protection from water accumulating and from fire occurring in the mine which may be opened on the location, or in mines adjacent thereto, as well as for the prevention of subsidence."

ATTENDU que les droits de pêche à la ligne à main et à la ligne traînante dans les provinces d'Alberta et de Saskatchewan ont été portés de un à deux dollars par le Gouverneur général en conseil à la recommandation du ministre du Service Naval;

Et attendu, qu'en vue de protéger les pêcheries des réserves forestières fédérales, il est opportun que les règlements régissant ces pêcheries en ce qui concerne les droits d'un permis soient conformes aux règlements de pêche qui s'appliquent aux eaux autres que les eaux des réserves forestières,—

Par conséquent, il plaît à Son Excellence l'Administrateur en conseil, à la recommandation du ministre de l'Intérieur, de modifier par les présentes le paragraphe "C" de l'article 78 des règlements des réserves forestières fédérales en en retranchant les mots "un dollar" et en y substituant les mots "deux dollars".

ATTENDU que le ministre de l'Intérieur fait rapport que le département de la Justice lui a demandé qu'une certaine étendue de terrain dans la réserve forestière de Nisbet soit mise à la disposition du pénitencier de Saskatchewan pour en faire enlever du sable et du gravier par les forêts;

Et attendu que la *Loi des réserves forestières et des parcs fédéraux* permet l'octroi de concessions pour l'enlèvement du sable et du gravier des réserves forestières et que dans le présent cas l'octroi d'une telle concession ne sera pas préjudiciable aux fins pour lesquelles les réserves forestières ont été établies,—

Par conséquent, il plaît à Son Excellence l'Administrateur en conseil de décréter par les présentes ce qui suit:

Le terrain susmentionné, savoir: toute cette partie de la moitié ouest de la section 1, s'étendant à l'est de la rivière Saskatchewan et au sud de la ligne de chemin de fer National Canadien dans le township 49, rang 1, à l'ouest du 3e méridien, comprenant approximativement 120 acres, est par les présentes mis en réserve et mis en disponibilité pour l'usage exclusif du pénitencier de Saskatchewan, pour l'enlèvement du sable et du gravier et pour l'érection de toutes constructions nécessaires à ce travail.

Tel usage dudit terrain sera subordonné à l'observation des règlements régissant les réserves forestières fédérales, et le droit par les présentes conféré se continuera pour une période de vingt et un ans de la date des présentes, pourvu que le terrain serve aux fins ci-dessus mentionnées, à moins qu'avant l'expiration de telle période n'aient été satisfaits les besoins du pénitencier en ce qui concerne ledit droit.

Toute cette partie ou étendue de terrain dans la province de la Colombie Britannique, dans le Dominion du Canada, située entre la borne est du chemin Golden-Windermere et la ligne inter-provinciale entre la Colombie Britannique et l'Alberta et s'étendant entre deux lignes distantes de cinq milles perpendiculairement de la ligne de centre et parallèles à ladite ligne de centre de cette partie du chemin Banff-Windermere, indiquée sur les six plans dudit chemin déposés à la Division des parcs fédéraux du département de l'Intérieur sous les numéros 63-3, 63-4, 63-5, 63-9, 63-10, 63-11 respectivement, ainsi que la superficie de terrain située entre ce dernier terrain et la limite sud du parc Yoho qui est borné au nord par la ligne interprovinciale entre la Colombie Britannique et l'Alberta et à l'ouest par la hauteur des terres divisant les eaux qui se déversent dans la rivière Vermilion et celles qui coulent dans la rivière Beaverfoot, ce terrain comprenant approximativement 587 milles carrés.

SON EXCELLENCE L'ADMINISTRATEUR
EN CONSEIL.

ATTENDU que le ministre de l'Intérieur fait rapport qu'il est opportun de rajuster les bornes du parc Yoho de manière à y inclure une petite superficie de terrain située au nord du parc et qui forme actuellement partie de la réserve forestière dudit parc. La situation de ce terrain et la nature de ses accidents géographiques la rendent plus propre aux fins d'un parc qu'à celles d'une réserve forestière. Il est aussi désirable de détacher de la partie sud du parc une petite étendue de terrain qui serait une précieuse addition à la réserve forestière de Yoho à cause de sa situation et du bois qui y croît,—

Par conséquent, il plaît à Son Excellence l'Administrateur en conseil, à la recommandation du ministre de l'Intérieur et conformément aux dispositions de la *Loi des réserves forestières et des parcs fédéraux*, de décréter et d'ordonner par les présentes que la partie de l'arrêté en conseil daté le 8 juin 1911, établissant le parc Yoho, soit rescindée et que le terrain ci-après décrit soit, par proclamation, constitué en parc fédéral sous le nom de Parc Yoho:

Toute cette partie ou étendue de terrain située dans la province de la Colombie Britannique, Dominion du Canada, et plus minutieusement décrite comme suit:— Commencant à l'intersection de la borne entre les provinces de la Colombie Britannique et d'Alberta avec la borne nord de la zone des chemins de fer; de là en suivant la borne nord de ladite zone des chemins de fer jusqu'à son intersection avec la borne est du township 31, rang 20, à l'ouest du 5e méridien; de là vers le sud en suivant la borne est du rang 20, jusqu'à l'angle nord-est du township 25; de là vers l'est en suivant la borne sud du township 25, rang 19, à l'ouest du 5e méridien, jusqu'à son intersection avec la rive gauche de la rivière Beaverfoot; de là vers le sud, en suivant la rive gauche de la rivière Beaverfoot jusqu'à son intersection avec une ligne distante de dix milles perpendiculairement de la ligne principale du chemin de fer Pacifique Canadien et parallèle à

cette ligne; de là vers le nord-est en suivant ladite ligne jusqu'à son intersection avec la borne inter-provinciale entre la Colombie Britannique et l'Alberta; de là en suivant ladite borne inter-provinciale jusqu'au point de départ, le tout contenant approximativement 476 milles carrés.

A la Commission a été soumis un mémoire de l'honorable ministre de l'Intérieur faisant rapport de ce qui suit:

En vertu des dispositions de l'article 13, chapitre 99, Statuts révisés du Canada, 1906, Son Honneur le lieutenant-gouverneur en conseil de la province de Manitoba a demandé que soit transféré à la province le chemin arpenté traversant les townships 23 et 24, rang 9, ainsi que le township 24, rang 10, à l'ouest du méridien principal, pour les fins d'un chemin public.

Les terrains compris dans cette réserve de chemin, qui traverse les quarts de section non concédés et disponibles pour cette fin, sont décrits comme suit:

EXTRAIT certifié des minutes d'une réunion de la Commission du Trésor, tenue le 17^e jour d'avril 1920, approuvées par Son Excellence l'Administrateur en conseil le 23^e jour d'avril 1920.

À la Commission a été soumis un mémoire de l'honorable ministre de l'Intérieur représentant que la municipalité rurale de Manitario n° 262, Saskatchewan, a demandé la concession, pour les fins d'un cimetière, de deux acres de terrain compris dans le quart nord-ouest de la section 28, township 26, rang 27, à l'ouest du 3^e méridien.

Le ministre est d'avis que cette demande soit accordée et, le terrain demandé étant disponible d'après les archives de son département, il recommande qu'en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, le terrain demandé soit cédé à la municipalité rurale de Manitario n° 262, pour lesdites fins.

La Commission agréé cette recommandation et la soumet pour approbation.

Lundi, le 26^e jour d'avril 1920.

PRÉSENT:

SON EXCELLENCE L'ADMINISTRATEUR EN CONSEIL.

ATTENDU que l'article 16 des règlements régissant l'extraction de la houille, établis par un arrêté en conseil daté le 20 avril 1910, prescrit ce qui suit:

"Si la demande est accordée, le concessionnaire en recevra avis par écrit et il lui sera accordé un délai de 30 jours de la date de réception de sa demande pour faire remise à l'agent des terres fédérales du montant total du loyer de la première année du bail, au taux d'un dollar l'acre, et sur réception du loyer le bail sera délivré, portant la date du jour où la demande a été accordée. Le défaut de paiement du loyer dans le délai prévu entraîne la déchéance absolue de la demande et les droits demandés redeviennent disponibles pour concession."

Et attendu que le ministre de l'Intérieur fait rapport qu'il a été porté à la connaissance de son département que dans certains cas le sens de ces dispositions n'a pas été compris;

Par conséquent, vu qu'il semble opportun dans l'intérêt public d'éliminer tout doute sur la signification de ces dispositions, il plait à Son Excellence l'Administrateur en conseil, à la recommandation du ministre de l'Intérieur, de décréter que l'article 16 des règlements régissant l'extraction de la houille, établis par l'arrêté en conseil daté le 20 avril 1910 et haut mentionné, soit par les présentes rescindé et remplacé par l'article suivant:

"Celui qui demande un bail de droits d'extraction de houille aura un délai de 30 jours datant de la réception de sa demande pour remettre à l'agent des terres fédérales du district le montant total du loyer de la première année de la durée du bail, au prix de un dollar l'acre. Le défaut du paiement de loyer dans le temps prescrit entraîne la déchéance absolue de la demande, et les droits demandés redeviennent disponibles pour concession à la

discretion du ministre. Si le bail est accordé, il portera la date du jour où la demande a été acceptée."

Et attendu que l'article 19 desdits règlements d'extraction de la houille prescrit que soient faits des rapports sous serment de l'exploitation minière, et exige le paiement de droits sur le produit marchand de la mine;

Et attendu qu'en certains cas il a été difficile d'obtenir ces rapports des exploitants de houillères;

Par conséquent, il plait à Son Excellence l'Administrateur en conseil, à la recommandation du ministre de l'Intérieur, de décréter de plus que ledit article 19 des règlements régissant l'extraction de la houille soit par les présentes modifié de nouveau en y ajoutant les dispositions suivantes:

"Lorsque le concessionnaire d'un droit de mine a été requis trois fois par écrit de soumettre un rapport en retard et qu'il est jugé nécessaire d'envoyer un inspecteur de mine ou autre fonctionnaire pour obtenir tel rapport, le ministre peut imputer au compte du concessionnaire en défaut et en exiger les frais encourus pour l'obtention de tel rapport, et le défaut de paiement des frais ainsi encourus entraîne l'annulation immédiate dudit bail."

Et attendu que le ministre de l'Intérieur fait de plus rapport que le concessionnaire de droits à l'extraction de la houille, obtenus sous l'empire des règlements, peut, pour plus de commodité et de diligence, percer son puits, installer son outillage de surface et ériger ses bâtiments de mine à proximité d'une des bornes de sa concession, et que de sérieux dommages pourraient résulter du fait de l'enlèvement du charbon de la concession contiguë jusqu'à la borne près de laquelle ou sur laquelle se trouvent les travaux, bâtiments ou outillage.

Par conséquent, en vue de prévenir tels dommages et d'éviter le danger d'inondation ou d'incendie dans les houillères, il plait de plus à Son Excellence l'Administrateur en conseil, à la recommandation du ministre de l'Intérieur, de décréter que les dispositions suivantes soient par les présentes ajoutées à l'article 12 des règlements régissant l'extraction de la houille:

"Le concessionnaire, cependant, ne minera ni extraira de houille à une distance moindre que 60 pieds des limites de sa concession, et les droits et privilèges que lui confère son bail ne s'étendent pas à l'extraction de la houille gisant à moins de 60 pieds desdites limites. Il ne fera, ni ne permettra que soit faite d'excavation sous des terrains adjacents au delà de cette limite de 60 pieds, qui doit être et rester une protection contre l'accumulation des eaux et l'incendie dans toute mine qui peut être ouverte sur la concession, ou dans les mines adjacentes, aussi bien qu'une protection contre l'affaissement."

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, sous l'empire et en vertu des dispositions de ladite loi, d'attribuer par les présentes au ministre de la Marine et des Pêcheries l'autorité de pilotage du district de pilotage de St. John, dans la province du Nouveau-Brunswick.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré dans la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada* il doit en être publié un semblable, comme il suit :

(A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants devront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de prolonger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attributions de pouvoirs exclusifs), d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou de modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

(C) Dans tous ces cas, les avis insérés soit dans la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis avec, sur le pli de la feuille, les mots : "Avis de bill privé" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale, cinq semaines au moins avant la considération de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé n'est prise en considération par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes, mentionner en même temps et de la même manière les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il a été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

01. Toutes demandes, quelles qu'elles soient, adressées au parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; ledit avis devra énoncer clairement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants devront adresser une copie dudit avis, par lettre

enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concerné dans la construction ou l'exploitation desdits travaux et aussi au secrétaire de la province dans laquelle lesdits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important, comme suit:

A) Lorsque la demande sera faite pour un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal:—Dans la principale cité ou ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou canal projetés.

2. Une compagnie de télégraphe ou de téléphone; Dans la principale cité ou ville dans chaque province ou territoire ou la compagnie se propose de faire des opérations;

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteintes aux droits ou à la propriété de particuliers:—Dans la localité ou les localités qui pourraient être atteintes par la Législation projetée;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommis; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques:—Dans la *Gazette du Canada* seulement.

B) Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements desdits chemins de fer ou canal:— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconque, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie:—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste, par lettre enregistrée, de manière à parvenir au secrétaire de la province et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi, et établissant

ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails; et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général, les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.
