Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse des signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada*, comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. *Une compagnie de chemin de fer ou de canal*—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la construction est projetée;

2. *Une compagnie de télégraphe ou de téléphone*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'exercer des opérations;

3. Une compagnie ayant pour objet *l'exécution d'entreprises* dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir *des droits ou privilèges exclusifs*, ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. *Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt,* ou *compagnie industrielle,* sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement;

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis; et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particulièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle ces entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunts; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être

adressés au greffier du Sénat et porter la mention: "Avis de bill privé"; au lieu des journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

109. Avant d'adresser au Sénat une pétition pour un bill privé tendant à la construction d'un pont de péage, le ou les pétitionnaires doivent en donner l'avis prescrit par les articles précédents, indiquer en même temps et de la même manière les péages qu'ils se proposent d'exiger, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des navires; en outre, ils doivent mentionner si le pont sera mobile ou fixe, et indiquer ses dimensions.

110. Aucune pétition en obtention d'un bill privé (excepté un bill de divorce) n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et elle doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un Bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui réédictent l'article, le paragraphe ou la dispositon, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas: crochets, italique, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill, ou la partie importante de ce texte, doit être imprimée, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimée en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncée par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation, doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée, au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ces ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal, cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province ou territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser

tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droit ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue du prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de la prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs, ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition, l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examinateur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement de voie ferrée ou de canal, ne sera prise en considération par l'examinateur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction, qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et avant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

(*a*) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache.	$ 100
(*b*) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session..	100
(*c*) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session.	200
(*d*) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas $250,000.. ..	100
(*e*) Lorsque le capital-actions projeté d'une compagnie dépasse $250,000, mais n'est pas supérieur à $500,000..	200
(*f*) Lorsque le captial-actions projeté d'une compagnie dépasse $500,000, mais n'est pas supérieur à $750,000..	300
(*g*) Lorsque le capital-actions projeté d'une compagnie dépasse $750,000, mais n'est pas supérieur à $1,000,000..	400
(*h*) Lorsque le capital-actions projeté d'une compagnie dépasse $1,000,000, mais n'est pas supérieur à $1,500,000..	600
(*i*) Lorsque le capital-actions projeté d'une compagnie dépasse $1,500,000, mais n'est pas supérieur à $2,000,000..	800
(*j*) Pour chaque million de dollars de capital-actions additionnel ou fraction de million..	200

(4) Lorsqu'un bill porte augmentaion du capital-actions d'une compagnie existante, le droit additionnel à débourser est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) (*a*) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

(*b*) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill, il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand un bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins, si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas (*b*) ou (*c*) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examinateur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle, dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE OU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchements ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille, indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

Greffier de la Chambre des communes.

(*c*) "laque" signifie toute gomme laque d'une qualité quelconque résultant des secrétions du *Tachardia Lacca* et comprend la laque en grains et toutes les gommes laques semblables qui ont été blanchies, mais ne comprend pas toute gomme laque qui a été réduite ou mêlée à des enduits protecteurs ou techniques.

2. Sauf tel que stipulé à l'article 3 de la présente ordonnance, aucune personne n'utilisera une espèce quelconque de laque, sous quelque forme que ce soit, à des fins ou de manières autres que celles mentionnées au tableau "A" ci-joint; cependant l'administrateur peut, par écrit, autoriser toute personne à utiliser toute laque pour la préservation et dans la construction d'édifices occupés par un service quelconque des forces armées de Sa Majesté ou pour le maintien et la réparation de l'un quelconque des véhicules employés par un quelconque de cesdits services.

3. En vue de la conservation industrielle essentielle ou de la conservation civile essentielle dont le degré d'essentialité sera déterminé par l'administrateur, toute personne peut, pendant une période quelconque de trois mois à commencer par celle se terminant le 30 septembre 1942, mais seulement avec l'autorisation écrite de l'administrateur, utiliser de la laque blanchie dans une quantité ne dépassant pas 30 pour cent de la quantité de toutes les qualités de laque utilisées à l'une quelconque des fins mentionnées ci-dessus par ladite personne pendant le trimestre correspondant de 1941. Rien dans le présent article ne sera interprété comme permettant à une personne quelconque de vendre ou de livrer toute laque à une personne quelconque qui est grossiste en ou détaillant de quincaillerie.

4. Tout fabricant ou demi-grossiste qui a de la laque réduite en magasin à la date de la présente ordonnance,

(*a*) fera parvenir à l'administrateur, dans les quatorze jours qui suivent la date de la présente ordonnance, un rapport indiquant en détail les quantités en stocks et autres renseignements se rapportant à ces stocks;

(*b*) jusqu'à épuisement de ce stock, adressera à l'administrateur, dans les dix jours qui suivent la fin de chaque mois civil, un rapport indiquant toutes les ventes et les livraisons de ce stock faites par lui pendant le mois en question qui fait l'objet du rapport.

5. Toute personne qui a de la laque quelconque à l'état sec, en magasin ou en sa possession ou sous son contrôle, adressera à l'administrateur, dans les dix jours qui suivent la fin de chaque mois civil et par la suite, un rapport sur cette laque, dans la forme prescrite par l'administrateur.

6. Toute personne qui prend part à une transaction quelconque où entre la laque, y compris la laque réduite, ou qui utilise tout tel produit, gardera des dossiers complets de toutes ces transactions et des inventaires se rapportant à cette laque, de la manière qui satisfera l'administrateur.

7. Toute personne atteinte par la présente ordonnance qui considère que le fait de s'y conformer lui causerait un préjudice exceptionnel et déraisonnable, ou serait tout à fait disproportionné comparativement à la quantité de laque conservée, ou bien que le fait de se conformer à la présente ordonnance porterait atteinte à ou rendrait moins facile son programme de conversion de son industrie de temps de paix en une industrie de temps de guerre, pourra en appeler par écrit à l'administrateur, la Commission des prix et du commerce en temps de guerre, Ottawa, Ontario, en indiquant les faits pertinents et les raisons pour lesquelles il croit avoir droit à un traitement moins rigoureux. L'administrateur pourra, à la suite de cette lettre, prendre la décision qu'il jugera nécessaire.

1. *Interprétation*

Aux fins de la présente ordonnance, à moins que le contexte n'exige une interprétation différente, l'expression

(*a*) "fabrication" comprendra les actes ou les entreprises suivantes, et comprendra aussi tout acte nécessaire à leur préparation ou à leur accomplissement: l'assemblage, la construction, la manufacture, l'usinage, la production, le rassemblement, la réfection et la réparation;

(*b*) "orgue" comprendra toutes les orgues à tuyaux, les orgues électriques et tous les instruments de musique où un système d'amplification électrique est employé soit comme partie intégrante desdits instruments, soit comme addition, excepté les radios, les phonographes, les radios-phonographes et les jouets;

2. *Quantités permises de métaux non ferreux*

Sauf les dispositions de l'article 3 ci-après, le ou après le 31 juillet 1942, personne ne devra employer de métal non ferreux pour fabriquer des orgues, excepté sous la forme de fil métallique ou de câble et, à cette fin, seulement pour une somme n'excédant pas 1 pour 100 (1%) de la valeur de l'orgue complété.

3. *Inventaires*

Les dispositions de l'article 2 ci-dessus ne défendront pas l'achèvement d'un orgue dont la fabrication a été commencée avant le 30 juin 1942, pourvu que le fabricant n'emploie pas de métaux non ferreux qui n'étaient pas compris dans son inventaire, sous forme ouvrée, ou semi-ouvrée, à la date de la présente ordonnance, à l'exception de métaux non ferreux sous forme de fil métallique ou de câble, et, dans ce cas, seulement une quantité dont le montant n'excède pas 1 pour 100 (1%) de la valeur de l'orgue complété.

4. *Rapports*

Chaque fabricant d'orgues devra, dans les dix jours qui suivront la date de la présente ordonnance, envoyer au Régisseur des métaux, Ottawa, Ontario, un rapport donnant les renseignements suivants:

(*a*) La quantité de métaux non ferreux, sous forme pré-fabriquée, qu'il avait en stock le 30 juin 1942, spécifiant:

(1) La quantité de zinc, en poids.

(2) La quantité, en poids, de l'alliage de métal pour orgue, et la quantité d'étain contenue dans cet alliage.

(*b*) La quantité de métaux non ferreux ouvrés, en sa possession, et la forme actuelle de ce métal (comme, par exemple, tuyaux d'orgue, fils métalliques, barres métalliques, etc.), et

(*c*) Le nombre de contrats de construction d'orgues signés, avec indication du nombre de jeux de chaque orgue.

5. *Permis*

Les dispositions de la présente ordonnance pourront être modifiées par un permis accordé par le Régisseur des métaux pour répondre à des circonstances exceptionnelles.
